**RE: Clean Water Act Consent Decree 1:10cv 4039-WSD
January 30, 2021 – 2020 4th Quarterly Report Submittal**

Dear Ms. Janovitz:

As required by §IX. Reporting Requirement of the Consent Decree associated with the above referenced civil action, we are submitting the following document for your review and comment:

- **January 30, 2021 – 2020 4th Quarterly Report**

I certify under penalty of law that these documents and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering such information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations pursuant to CWA Section 309(c)(4).

If you have questions or comments regarding this submittal, please call me at 404-371-2174.

Respectfully,

Zachary L. Williams,
Chief Operating Officer and Executive Assistant
DeKalb County, Georgia

cc: Georgia EPD
Viviane Ernstes, County Attorney
Maria V. Houser, Director of Consent Decree and Environmental Compliance
Reginald D. Wells, Director, DWM
Brent Zern, Consent Decree Administrator
E. Fitzgerald Veira, Troutman Sanders
Matthew C. Welch, Deputy County Attorney

DeKalb County Department of Watershed Management Consent Decree SSO Tracking Sheet -- 4th Quarter Report 2020

*The County was asked at our meeting of April 14, 2016 to begin tracking SSO's that appear to be caused by blockages or other issues located in that section of a private service lateral that is in the County's right-of-way. This report reflects the County's best efforts to track this information.
