DeKalb County Board of Registrations and Elections

Procedures for Responding to Voter Challenges Submitted Pursuant to O.C.G.A. § 21-2-229

1. Challenges to the qualifications of a DeKalb County registered voter to remain on the voter registration list under O.C.G.A. § 21-2-229 may be made only by a registered voter of DeKalb County. Challenges may not be made by voters who are not registered in the same county or municipality as the challenged voter or by private entities, businesses, political committees, PAC, political parties, or other organizations. Therefore, before acting upon a challenge submitted to the BRE, the BRE must determine whether the challenger is registered to vote in DeKalb County and, if not, the BRE must reject the challenge on this basis.

2. Upon receiving a written challenge to a voter's eligibility based upon the allegation that he or she does not reside in DeKalb County or in one of its municipalities, the BRE shall require the challenger, under the authority of O.C.G.A. §21-2-229(a), to specify whether the challenge is based on the challenged voter's current residency status or the voter's residency status at the time the voter initially registered. The BRE shall inform the challenger of this requirement pursuant to written notice to the challenger at the address provided in the written challenge. A copy of these procedures shall be included with the notice.

3. The BRE shall not remove any voters from the DeKalb County voter registration list based on a challenge alleging that they were properly registered to vote in DeKalb County at the time of initial registration but may have moved from the address listed in their voter registration file. The sole procedure to be followed in this circumstance is to send the voter a confirmation notice and wait two federal election cycles for the voter to either vote or update his or her information before removing him or her from the rolls as outlined under Section 8(d) of the NVRA. If the challenger fails to affirmatively state in writing that the challenge is based upon the challenged voter's residency status at the time the voter initially registered to vote, the BRE shall follow the following protocols:

- (a) If such written notice to the challenged voter is returned marked "undeliverable" by the United States Postal Service, the BRE shall send the challenged voter a confirmation notice pursuant to O.C.G.A. § 21-2-234(b).
- (b) If no response to the BRE's written notice of challenge is received from the challenged voter, the BRE shall inform the challenger that the challenge does not present grounds to contest the eligibility of the voter to remain on the DeKalb County voter list and no further action shall be taken on the challenge.
- (c) If the challenged voter responds to the written notice with a written confirmation of a change of address, the BRE shall update the voter's record to reflect such change, including the removal of such voter from the active voter list if such written confirmation from the challenged voter reflects that such voter is no longer qualified to vote in DeKalb County.

4. If the challenger affirmatively states that the challenge is based upon the challenged voter's residency status at the time the challenged voter initially registered to vote, or that the challenge is based on grounds other than the challenged voter's residency status, the BRE shall send written notice via certified mail, return receipt requested, to the challenged voter of the challenge at the registered address of the challenged voter, and provide the challenged voter with a copy of the challenge, a copy of these procedures, and the opportunity to provide information in response to the challenge within ten (10) business days of the date of the notice.

5. If the voter supplied a phone number or email address on the registration form or in other writings such as an absentee ballot application received by the BRE, then in addition to the notice provided for in Paragraph 4 above, as soon as possible after receiving the challenge, the BRE will make at least three reasonable attempts, including at least one attempt during non-traditional working hours, to call or email the challenged voter to determine if the issue raised by the challenge can be resolved quickly, efficiently, and informally.

6. If the BRE determines that a hearing on the challenge is necessary, the BRE shall attempt to find a mutually convenient time to hold any hearing.

7. Pursuant to O.C.G.A. § 21-2-229, and in addition to the above efforts, the BRE will send a written notice informing the challenged voter and the challenger of the date, time, and place of the hearing along with a copy of the challenge, and shall state that either party may, but is not required to, be represented by counsel or another representative at the hearing. The notice will be sent by first-class mail and e-mail (if available) or in the manner provided in O.C.G.A. § 21-2-228(c). The notice must be mailed sufficiently in advance of the hearing to provide the person being challenged at least three days' notice of the date, time, and place of the hearing.

8. The challenged voter will have the right to at least one continuance of the hearing date upon request and may be granted additional continuances for good cause shown.

9. The written challenge will be posted on the BRE website within three business days of receipt of the challenge by the BRE.

10. O.C.G.A. § 21-2-229(a) requires that a challenge "be in writing and specify distinctly the grounds of the challenge." Challenges that are not in writing or which consist of vague, generalized, speculative assertions or conjecture do not satisfy this standard and must be rejected. In particular, residency-based challenges must allege facts sufficient to specifically and distinctly identify the grounds for the challenger's contention that a registered voter has not satisfied the residency requirements of O.C.G.A. § 21-2-217.

11. Under O.C.G.A. § 21-2-229(c), the challenger bears the burden of proving the challenged voter is not qualified to remain on the registration list. Because O.C.G.A. § 21-2-217(b) gives presumptive effect to the registrar's decision in determining the residence of the challenged voter at the time the registration application is considered, challengers bringing residency-based challenges must produce evidence sufficient to rebut this presumption in order to sustain their burden of proving that the challenged voter is not qualified to remain on the rolls. If the challenger

fails to do so, the challenge fails and it must be rejected by the BRE pursuant to O.C.G.A. § 21-2-229(c) and 21-2-217(b).

12. Nonexclusive examples of challenges that would fail to meet the minimum standards required by Section 21-2-229(a) include:

- (a) Non-individualized or generalized claims (e.g., challenges to everyone registered at a certain address);
- (b) Assertions that a challenged voter's name is not affiliated with the address of registration in any governmental database. For instance, challenges based on the allegation that the voter's name is not associated with the utility bill for an address as the sole basis for challenge are insufficient because there could be many residents at a particular address who do not pay the utility company;
- (c) "Voter caging" challenges—blanket challenges to large numbers of people living in certain neighborhoods—shall be rejected if they fail to specify distinctly the basis for the challenge to each voter's qualifications.

13. In considering the evidence presented in support of or in opposition to a challenge based upon a change of residence, the BRE shall not rely exclusive upon address data on file with the Georgia Department of Driver Services ("DDS") or other government databases, because voters often fail to immediately notify all government entities about address changes and, even if they do, there are often lag times before the government entity updates its files.

14. Where a voter is a legal resident of DeKalb County and otherwise qualified to vote within the meaning of O.C.G.A. §§ 21-2-216 and 21-2-217, the BRE shall not remove such individual from the voter roll on the basis that the voter faces challenges causing them to live on the streets or in shelters, vehicles, trailers, transitional housing, non-traditional housing or at businesses serving homeless, ill, displaced, economically challenged or other DeKalb County residents in need of housing assistance in the county.¹ When adjudicating such challenges, the BRE shall consider the particular circumstances of the voter and the fact that the burden of proof is on the elector who brought the challenge to prove ineligibility.

15. Pursuant to O.C.G.A. § 21-2-229, the BRE will notify challenged voters, in writing by first class, forwardable mail, and by telephone and email (if available), of any change in registration status resulting from challenge proceedings. This notification letter will specify in detail any basis for upholding the challenge.

16. Any notice sent to challenged voters indicating that the BRE has upheld a challenge will include a voter registration form and shall inform the voter that they have a right to appeal the decision by filing a petition with the clerk of the superior court within ten days after the date of the decision of the registrars and that such petition must be served upon the other parties to the

¹ Note that this is a non-exclusive list of possible alternative locations where DeKalb County's eligible voters may be living in the county.

challenge and the registrars. The notice shall also include contact information for the other parties to the challenge and the registrars to effectuate such service.

17. A copy of each written challenge upon which the BRE acts will be appended to the Minutes of the BRE meeting at which the action was taken.

18. The BRE shall not take any action on a challenge received between the fifth Monday prior to a primary or election and the date of such primary or election, including any runoffs. Any challenges received during this period shall be processed as set forth above following the certification of the primary or election results by the BRE.

19. The procedures set forth herein shall apply to challenges to voter qualifications initiated pursuant to O.C.G.A. §§ 21-2-228 and 21-2-229.

20. The BRE will not remove any voter from the registration lists based on residency issues raised by rejected challenges. No state law will be construed to permit removals based on rejected challenges or residency issues raised by rejected challenges.

21. If any members of the BRE or employees or agents of the DeKalb County Department of Voter Registration and Elections challenge the eligibility of voters in their individual capacity while they remain in that position or have a personal or business interest in the mounting of such a challenge, they must recuse themselves from deliberating, voting or otherwise participating in any way in the BRE's consideration of such challenges.

22. The BRE will process all voter challenges expeditiously and objectively, while erring in all instances on the side of preserving the voter's right to remain on the registration lists, in recognition of the statutory requirement that the challenger has the burden of proving ineligibility.

RE: Voter Challenges – Birth Years 1800, 1900, 1901, 1902

Dear Board Member:

These challenges are being brought a little over one year after the problem was first brought to the attention of the Registrar. There having been no remediation of the issue during that time, I am addressing the issue via challenges.

Date of birth is an essential requirement in identification of an individual. Assigning an arbitrary date of birth when the data is missing would make it impossible to determine if the individual is a duplicate or if they are older than the oldest living person in the state and, thus, deceased. It should, in theory, also make it difficult to vote, as the date of birth on a tendered ID will not match the date of birth on record.

The attached New York Post article dated January 5, **2023** announced the death of America's oldest person who died at the age of **115**. However, electors listed on the attached spreadsheet are registered as being 121, 122, 123 and 223 years old! **If** the registered birth year is the **actual birth year** of the elector, the elector is **deceased** and should be removed from the voter rolls.

However, evidence indicates that most of these dates are fillers for a missing date of birth. Out of 309 challenged registrants, 295 have a birth date of January 1st on record; but a sampling of online background reports shows different dates of birth. According to O.C.G.A. 21-2-221.2(c) - Voter registration application for electronic voter registration, "If any of these items [*item (b)(3) is applicant's date of birth*] do not match or if the application is incomplete, the application shall be void and shall be **rejected** and the applicant shall be notified of such rejection..." Therefore, it is safe to conclude that a missing item of identification for the applicant requires **rejection** of the registration application and the name **not** be added to the voter rolls. If, however, the applicant's name **has been** added to the list of electors already, O.C.G.A. 21-2-220(e)'s remedy for a similar situation is for a **challenge** to be made to the applicant's right to remain on the list of electors. Thus, I am bringing these challenges.

Through notifications made to registrants in the challenge process, it is my hope that the registrants will **come forth** and **provide** the missing piece of identification, the records be corrected and the registrant remain on the rolls. If, however, the information is **not** provided, the registrant should be **removed** from the list of electors.

To be clear, I am **not** alleging fraud on the part of the subject electors, as I believe they are most likely unaware that the records show their birth year is 1800, 1900 or 1901.

But I am very concerned that 26 of these individuals were able to cast votes when their identification documents presented at the time of voting did not match the date of birth on record.

Our voter rolls should only contain the names of living, identifiable and qualified citizens residing in DeKalb County. Without a date of birth, an individual cannot be identified, their qualifications verified or their name removed when they pass away. I don't know the cause of our records being so unreliable, but the time has come to fix them.

Yours very truly,

NOTICE IS HEREBY GIVEN that on the 7th day of November, 2023, an election will be held at the regular polling places in all of the election districts of DeKalb County, Georgia, (the “County”), at which time there will be submitted to the qualified voters of the County for their determination two questions. The first question will be whether an equalized homestead option sales and use tax (the “EHOST”) shall continue to be levied and the regular homestead option sales and use tax remain suspended within the special district of the County for the purposes of reducing the ad valorem property tax millage rates levied by the County and municipal governments on homestead properties. The second question will be whether a one percent county special purpose local option sales and use tax (the “SPLOST”) shall be reimposed on all sales and uses in the special district created in the County for a period of six (6) years for the raising of approximately \$850 million for the purpose of funding certain County and Municipal capital outlay projects as set forth in the form of the ballot below.

If imposition of the taxes is approved by the voters, such vote shall also constitute approval of the issuance of general obligation debt of **DeKalb County, Georgia** secured by the portion of the proceeds of the SPLOST received by the County, in a maximum aggregate principal amount not to exceed \$50 million (the “County Debt”). The proceeds of the County Debt, if issued, shall be used to pay a portion of the costs of the DeKalb County Projects (as set forth in the form of the ballot below), capitalized interest incident thereto and the costs of issuing the County Debt. The County Debt shall bear interest from the date of issuance of the County Debt or from such other date as may be designated by the County prior to the issuance of the County Debt, at a rate or rates to be determined in a supplemental resolution to be adopted by the County prior to the issuance of the County Debt, which rate shall not exceed six percent (6%) per annum. The maximum amount of principal to be paid in each year during the life of the County Debt shall be as follows:

The proceeds of the Avondale Estates Debt, if issued, shall be used to pay all or a portion of the Avondale Estates Projects as set forth in the form of the ballot below, the costs of issuing the Avondale Estates Debt and capitalized interest. The Avondale Estates Debt shall bear interest from the first day of the month during which the Avondale Estates Debt is to be issued or from such other date as may be designated by the City prior to the issuance of the Avondale Estates Debt, which rates shall not exceed seven percent (7%) per annum. Vendor shall furnish “Maintenance Service” (as defined in Paragraph 2.1 below) on Equipment at Customer’s various Equipment “Sites” (as defined in Paragraph 2.2 below). Upon mutual agreement between the parties, and pursuant to the terms herein, Equipment may be added or deleted from the Exhibit “A” from time to time. All Maintenance Service shall be provided in consideration for the payment of Vendor’s maintenance charges set forth herein, plus all sales and use taxes and such other governmental charges as may be imposed on the provision of goods and services hereunder. Service rates for the first year of this Agreement are detailed within Exhibit “B.”

1.1.1 *Equipment Software License Terms.* The Software license terms are provided in Exhibit “C” to this Agreement.

1.2 *Effective Date; Renewals.* Maintenance Service shall begin on the Effective Date listed above and shall continue for one year (“Initial Term”). This Agreement may be renewed from year-to-year upon the mutual agreement of both parties (“Renewal Term”). Payment by Customer of Vendor’s invoicing for any Renewal Term shall be deemed as mutual agreement by the parties to renew this Agreement. Rates during any Renewal Term are subject to Vendors then current pricing.

1.3 *Equipment Not Previously Covered.* Any machine which Customer seeks to add to this Agreement that has not been continuously covered by a maintenance agreement with Vendor since the expiration of its warranty period, shall be subject to inspection by Vendor. After such inspection, if Vendor, in its sole discretion, determines that the machine is not operating in conformity with the “Published Specifications” (as defined in Paragraph 1.4 below), the machine shall be restored to good operating condition at Customer’s expense, subject to Vendor’s then current rates, as a condition of adding the machine to Exhibit “A.”

1.4 *Routine Cleaning.* The day-to-day routine cleaning and minor adjustments on the Equipment, as described in both Vendor’s equipment operating manuals and other supplementary material (“Published Specifications”) which may be furnished by Vendor to Customer from time to time, shall be performed by Customer. Vendor will notify Customer in writing if the Customer fails to perform routine cleaning on the Equipment.

2. MAINTENANCE SERVICE.

2.1 *Maintenance Service, Generally.* Maintenance Service is defined as all labor and replacement parts necessitated by normal wear and tear from operation of the Equipment in accordance with Vendor’s Published Specifications, in order to maintain the Equipment in good operating condition (“Maintenance Service”).

2.3 *Service Calls.* Preventive Maintenance Service calls are those periodic calls initiated by Vendor to keep the Equipment operating in accordance with Vendor’s Published Specifications (“PM’s”). Demand Maintenance Service calls are those calls initiated by Customer to request that Vendor repair Equipment that is malfunctioning or not operating in accordance with the Published Specifications (“Demand Calls”). (A PM may be performed in conjunction with a Demand Call placed by Customer, depending upon, and at the discretion of, Vendor’s service technician.) The minimum number of PM’s and maximum number of Demand Calls for each piece of Equipment are outlined in the chart below.

Furthermore, Vendor does not remotely and/or physically access, process, transport, transmit, log, gather, archive, receive, exchange, create, and/or store any confidential data that is scanned on the Equipment by Customer. Moreover, and notwithstanding anything in this Agreement to the contrary, Customer is responsible for ensuring its own compliance with any and all applicable legal, regulatory, business, industry, security, compliance and storage requirements relating to retention, protection, destruction, and access that is scanned on the Equipment by Customer and its personnel.
