SCOPE OF WORK

On-Call Plumbing Service for DeKalb County Parks

PURPOSE

DeKalb County Government is seeking well-qualified individuals or companies to submit qualifications to provide on call plumbing services at park locations located within unincorporated DeKalb County.

SCOPE OF WORK

The general scope of services required is for installation and repair services to include but not limited to the contractor purchasing and installing parts, completing repairs, and replacing toilets, water fountains, flush mechanisms, valves, piping, gauges and assorted accessories. The contractor shall be called upon to perform repairs, installations, and services that involve the following:

1. Install, maintain, and repair plumbing systems, fittings, and accessories in County parks
2. Install water, low-pressure steam, sewer systems, back flows, heaters, and plumbing fixtures
3. Repair router lines and water pipes
4. Fix faucets, drinking fountains, showers, and other water-related fixtures
5. Unclog drains, urinals, toilets, and sewer lines
6. Bend, cut, reams, and threads pipe
7. Sweat copper pipe fittings, prepress, and taps water and gas mains
8. Grease and pack expansion joints on steam lines
9. Run gas lines, and repair gas leaks
10. Perform leak detection services
11. Perform video detection services to determine condition of pipes
12. Annual winterization of irrigation systems and water fountains

EMERGENCY SERVICE REQUEST

On occasion, the County will request the Contractor's services on an emergency basis during non-business hours. The Contractor will be expected to provide emergency responses and schedule services during these periods when requested by the Department Representative. The County will make emergency requests by cell phone or email.

The Contractor shall respond to the County within two (2) hours of the request and should be in the field for such emergency requests for repairs within three (3) hours from the time of the initial service request. The Contractor will not be required to provide an estimate of repair cost prior to emergency responses, however, prior to work beginning, DeKalb County RPCA representative must provide written approval via email.

HOURS OF SERVICE

Normal business hours shall be from 7:00 a.m. to 3:30 p.m., Monday through Friday, except for the County's official holidays. Generally, standard service requests can be dealt with in normal business hours. The nature of some of the needed work items, however, will require that

the Contractor be prepared to provide labor services outside of normal business hours. If work is started prior to 3:30 p.m., the work will not be considered overtime. Only if the work begins after 3:30 p.m. or on a holiday or weekend will after hours pricing be utilized.

PERSONNEL ASSIGNED TO THE WORK

The County requires the successful Contractor to have personnel with the appropriate license (as required) assigned to all work as requested.

EQUIPMENT, MATERIALS, PARTS, AND SUPPLIES

The Contractor shall supply all equipment, materials, parts and supplies needed to provide the services requested. The Contractor shall provide such in completing the scope of work on any given service request. This requirement extends to back hoes and excavators.

The contractor will coordinate with RPCA in the purchase of fixtures, water fountains, toilets and urinals to meet the standard fixture. The contractor shall match the existing fixtures wherever possible and if unable to do so, any substitutions must be approved by the Department Representative.

LOCATIONS OF FACILITIES

All facilities will be located within DeKalb County, Georgia. Upon award of the contract a list of facilities will be provided to the Contractor.

PRICING

Compensation to the contractor for service request work will be based on the hourly labor rates provided in the bid for the contract, the actual cost of parts, materials, and equipment plus a percentage mark-up indicated in same bid. The hourly labor rates shall include all costs associated with transportation by service vans and trucks as well as all costs for hand tools, power tools, ladders, carts, testing equipment, and miscellaneous items and consumables normally associated with plumbing service calls for repair and installation work.

Hourly labor rates shall begin when the contractor's personnel reach the service site and shall end when leaving the service site.

After hour rates may be charged for time outside of the "normal hours" specified in the bid. The contractor's cost for materials, parts and supplies refer to the approximate amount the County would pay if the County purchased these items from a local supply house. Contractor agrees that it will provide documentation of costs for parts and materials upon request of the County.

Equipment referenced shall include rental cost of specialized equipment utilized by the Contractor, such as back hoes, excavation equipment, scaffolding, etc. The County shall not be charged for labor hours associated with the provision of cost estimates and proposals unless the County Representative has authorized such cost in writing.

Each project assignment will be communicated on site by DeKalb County personnel prior to receiving the cost associated with the installation or repair. Each site visit is mandatory at the request of DeKalb County personnel and no charge for the site visit will be added into the overall project cost.

For each project assignment, the Contractor must provide an estimate to the Department representative and have a Purchase Order prior to the beginning of any work. Only emergency project assignments will be allowed to begin work without a Purchase Order and then written approval via email must have been received by the Department Representative to the Contractor.

LICENSES, PERMITS & TAXES

All repairs and installations shall be completed in accordance with all applicable local codes and the International Mechanical Codes - 2012 Edition, and all Georgia Department of Community Affairs Amendments dated January 1, 2014.

The successful bidder shall obtain all required licenses, permits or other requirements to fully perform the scope of work in this solicitation. The successful bidder is responsible for contacting 811 prior to any digging at any DeKalb site. If the contractor fails to contact 811 prior to digging, any damages caused will be the responsibility of the contractor to repair.

UTILITY AND FENCE REPAIR

The successful bidder shall safeguard and repair any damage caused to utility lines, concrete sidewalks, turf and fences during work. If the successful bidder damages utilities, concrete sidewalks, turf, and fence, the successful bidder is required to pay the full amount of the repair cost. All damage caused to turf, concrete, etc. is the responsibility of the contractor to repair.

WASTE AND TRASH REMOVAL

Removal of the successful bidder's waste and trash from the site area and transfer to designated waste receptacles will be the sole responsibility of the successful bidder. Should it become necessary for the County to remove waste or trash, the successful bidder will be billed for all costs associated with trash removal. The County's method of removal shall be at the County's discretion.

WARRANTIES

The Contractor shall warrant against failure of all materials and workmanship associated with its service request work for materials one (1) year and workmanship (90 days) after the date of acceptance of such work by the County. If any of the work is found defective or not in accordance with the service request or applicable codes and standards, the Contractor shall correct warranted work promptly, at no cost to the County, after receipt of a written notice from the County to do so.

Contractor shall provide the County Representative copies of the standard manufacturer's warranties for any new equipment and parts purchased and installed by the Contractor. The Contractor shall provide this warranty information with its service report whenever applicable.

NON-COMPLIANCE FEES

Fees for non-compliance with the terms of the proposed agreement shall include Three Hundred Dollars (\$300) per incident for violation of use and Three Hundred Dollars (\$300) per incident for failure to maintain.

REPORTS AND INVOICING

The contractor is required to notify the Department Representative within 48 hours of the completion of the service. The County Representative will review the work and advise the contractor within five (5) calendar days if there are questions or concerns regarding the service or costs. The County Representative will provide written approval of the work.

INVOICING

All invoices must be self-explanatory as to the charges for repairs and/or parts. In summary, the invoice should include:

- 1) PO number
- 2) Invoice number
- 3) Description of Services Performed
- 4) Total Hours Charged
- 5) Contracted Hourly Labor Rate
- 6) Parts cost or suggested list must be shown on the invoice. or attached to the invoice, indicating the contracted markup or markdown for billable parts. **A copy of the supplier's invoice or a copy of the parts price list page indicating vendor's cost must be attached to the invoice for any single item that equals to or exceeds \$50.00.**

The Contractor shall invoice the County for its services only after there is confirmation that the information provided is acceptable to the County. If changes are required by the County, the final invoice should reflect those modifications.

MINIMUM QUALIFICATION REQUIREMENTS

Bidders must demonstrate the minimum qualifications to be considered for award of the proposed agreement. The successful bidder must have a minimum of five (5) years of experience within the last five (5) years in commercial and industrial plumbing services. A copy of the bidder's company name, either owned or worked for, phone number, location, and website. The successful bidder must also provide three (3) business references, including both previous managers and customers.

Company has not been in Chapter 7 during the last ten (10) years.

Contractor's primary office must be located within fifty (50) miles of DeKalb County. The County may conduct a site- visit to the contractor's business facility prior to award.

THE PREMISES

No alterations shall be made or undertaken to the premises without written approval from the Department of Recreation, Parks and Cultural Affairs.

Contractor agrees to accept the premises and all buildings, improvements, and equipment thereon in their current, as-is condition without any representation, or warranty of any kind by County.

Contractor shall not use or permit the use of any portion of the premises for the storage, treatment, use, production or disposal of any hazardous substances or hazardous waste other than those which are store or used in accordance with all applicable laws, rules and regulations.

Contractor agrees not to abandon or vacate the Premises without cause.
