AIRPORT MEMO

To: All PDK Flight Schools

From: Airport Administration

Subject: COVID 19 Flight School Operations

Date: April 6, 2020

The FAA has agreed with certain states that have issued COVID-19 restrictions such as Georgia on activities they deem “non-essential,” including certain aeronautical activities such as flight schools and sky diving. With the goal of keeping airports open to ensure access for the traveling public, emergency and medical equipment and supplies, and emergency transportation, FAA does not object to temporarily limiting recreational aeronautical activities that are covered by such restrictions. However, the activities limited by a sponsor should be limited to those falling within the scope of a public health measure by an authority whose jurisdiction covers the airport’s geographic area (e.g., a State or local government).

The Governors executive order will expire at 11:59PM on Monday, April 13, 2020

Please do not hesitate to contact Mario Evans, C.M., Airport Director at **(770) 936-5440** or maevans@dekalbcountyga.gov, if there are any concerns or requests.
