

GRESHAM PARK BASEBALL FIELDS TEMPORARILY CLOSED

Baseball fields at Gresham Park, located at 2466 Bouldercrest Road, are temporarily closed due to major renovations, which include the installation of artificial athletic turf, new fencing, incorporation of adequate drainage, and other improvements. DeKalb County SPLOST (Special Purpose Local Option Sales Tax) is funding \$2.5 million of the project, and the Atlanta Braves Foundation contributed \$1.5 million. The project is forecast for completion in **January of 2022**.

The baseball fields are utilized by area schools, baseball and softball leagues and nonprofits organization that host numerous tournaments at the park each year. Renovations to the ball fields will help to preserve them for years to come.

DeKALB COUNTY SPLOST is supported by CEO Michael Thurmond and the DeKalb County Board of Commissioners. The current SPLOST was adopted by voters via a referendum in November 2017 and it runs from 2018 through 2024.
