DeKalb County Mobile Career Center April Schedule

Decatur, Ga. – DeKalb County Interim Lee May announces the April 2016 schedule for DeKalb’s **Mobile Career Center**. The center will be stationed at locations throughout DeKalb County during the month of April. The mobile unit supports the County’s Strategic Priority Facilitate Jobs and Economic Development by providing work readiness services and putting DeKalb County citizens back to work.

Through an ongoing outreach approach, the mobile unit provides residents with essential services, including job search assistance, adult workshops and training, resume writing pointers, and interviewing tips. Businesses are also able to use the mobile unit for recruiting, pre-employment screenings, interviewing and training. More than 3,000 DeKalb residents have used the Mobile Career Center’s services since its launch in February 2012. “The mobile center is funded through the Workforce Investment Act grant and all services offered are free,” said Lee May.

The Mobile Career Center is also offering assistance to residents interested in applying for the DeKalb summer internship program. The internship program provides short-term internship opportunities for low-income young adults, ages 16-24, who are not enrolled in school and seeking employment. Two staff persons will be housed in the unit to assist through the application process.
