Attached is the Purchasing Card (P-Card) audit report of Superior Court Administration. All P-Card audits are surprise audits. A surprise audit is a proven technique for detecting and preventing fraud. We reviewed P-Card information for the period, January 1, 2016 through July 31, 2016.

The purpose of the audit is to ensure compliance with the P-Card policy and procedures. If noncompliance exists, an exit conference will be held with the department head. Otherwise, no exit conference will be conducted.

If you have any questions about the audit or this report, please feel free to contact me at 404-371-2639.

Sincerely,

Cornelia Louis

GENERAL INFORMATION

BACKGROUND

"DeKalb County has established a Purchasing Card (P-Card) program that provides charge cards to a select group of employees. The P-Card gives employees the ability to make purchases of supplies, material, equipment, and services for County Business use."1

To provide guidance for the use of the P-Card, the County established the Purchasing Card Program, Policy and Procedures, which was revised in January 2015. In order to obtain a P-Card, employees are required to fill out a P-Card Application form. In addition, "each person with a role in the P-Card program will be [is] expected to attend P-Card training to ensure they are aware of the specifics of their role, program policies and procedures, the basics of P-Card administration and program monitoring."² "P-Card training will include [includes] but not be limited to the following:

- a) An overview of the P-Card Program Policies and Procedures;
- b) Review of the Cardholder User Agreement:
- c) Review of the Electronic Cardholder Statement, P-Card Transaction Log and Bank of America Works Application;
- d) Review of the Department of Revenue Sales Tax Exemption Form; and
- e) A review of all required forms and materials."3

P-Card Training is a prerequisite before a new cardholder can receive a P-Card.

On August 31, 2016, Internal Audit conducted a P-Card compliance audit on Samuel E. Taylor's P-Card transactions.

PURPOSE AND SCOPE

The purpose of this audit was to determine if Superior Court Administration personnel complied with DeKalb County P-Card policy and procedures. We reviewed Samuel E Taylor's P-Card transactions for the period of January 1, 2016 through July 31, 2016.

We reviewed the Cardholder transactions, signoff reports, and invoices/receipts to determine that:

- 1) Cardholder maintained and reconciled transactions on a monthly basis.
- 2) Transactions were appropriate for the department's business.
- Purchases were within individual and monthly transaction spending limits (\$2,000 and \$4,000, respectively)
- 4) Cardholder performed monthly reconciliation of P-Card purchases with supporting documents.
- 5) Cardholder did not use the P-Card for non-business related goods and services.
- 6) Transactions were properly authorized and approved. (Manager and / or Department Head).
- 7) Cardholder did not split purchases/orders.

Auditor did not test the eligibility of the participants listed for the Social Recovery Events as this test was considered outside the scope for this review.
