DeKalb County Mobile Career Center June Schedule

Decatur, Ga. – DeKalb Workforce Development (DWD) announces the June 2016 schedule for its Mobile Career Center. The center will be stationed at locations throughout DeKalb County during the month of June. The mobile unit supports the County’s strategic priority to facilitate jobs and economic development by providing work readiness services and putting DeKalb County citizens back to work.

Through an ongoing outreach approach, the mobile unit provides residents with essential services, including job search assistance, adult workshops and training, resume writing pointers, and interviewing tips. Businesses are also able to use the mobile unit for recruiting, pre-employment screenings, interviewing and training. “The mobile career center has helped nearly 5,000 DeKalb residents in the job search process and assisted area companies in finding quality employees,” said Interim CEO Lee May.

The Mobile Career Center is also offering assistance to residents interested in applying for the DeKalb summer internship program. The internship program provides short-term internship opportunities for low-income young adults, ages 16-24, who are not enrolled in school and seeking employment. Two staff persons will be housed in the unit to assist in the application process.
