Professional practitioners described in O.C.G.A. 48-13-19 (c) may elect to pay \$400.00 per practitioner or a business and occupational tax based on estimated gross receipts. If you elect the gross receipts method, the business and occupational tax will consist of four parts: (1) A base administrative fee of \$75.00 (2) a minimum gross receipts tax of \$50.00. (3) a business tax on gross receipts over \$20,000 and (4) an employee fee (minimum of one, including the owner / operator and anyone else working in the business).

The professional fee of \$400 or the business and occupational tax for 2017 is due on December 31, 2016 for practitioners in the legal profession. Any professional failing to pay the business and occupational tax within 120 days, after December 31 shall be delinquent and shall pay a ten percent (10%) penalty on the amount due, as well as monthly interest charges of one percent (1%) until paid in full.

We are requesting information to finalize your 2016 business taxes and to renew your business tax certificate for 2017. If you have deductions for independent contractors, provide current names and addresses of those contractors.
