## Keep DeKalb Beautiful Hosting Rain Barrel Workshop

**DECATUR, Ga.** – Keep DeKalb Beautiful will host a rain barrel workshop on **Wednesday, June 7, at 6:30 p.m.**, located at Mason Mill Park, **1340 McConnell Drive, Decatur**. The session will use kits and recycled barrels, and participants will take home a completed project.

Several metro-Atlanta counties, including DeKalb, are in a Level 2 drought, which mandates outdoor water restrictions. Rain barrels harvest roof runoff, which can be used to irrigate landscape plants or gardens. Just 1 inch of rain on a 1,000-square-foot roof provides 623 gallons of water.

The rain barrel workshop is \$10 and limited to 25 participants. To register, call Keep DeKalb Beautiful at 404-298-4080.
