FOR IMMEDIATE RELEASE

June 21, 2018

Arabia Mountain PATH Closure Begins June 25

Partial closure due to new sewer main installation

DECATUR, Ga. – Beginning **Monday, June 25**, the Arabia Mountain PATH trail, from Mile Marker 5.0 at the North Goddard Road crossing to Mile Marker 5.80 at the Flatrock Spur crossing, will be closed to install a new sewer main. Repairs include replacing deteriorated small sewer line with newer and larger pipe. The PATH is scheduled to reopen in early July.

As part of DeKalb County’s \$1.345 billion Capital Improvement Program, the Department of Watershed Management (DWM) is assessing and repairing lines to improve sewer service and reduce sanitary sewer overflows.

Detour and trail closure signs will be visible at trailheads and throughout the park to notify bikers and pedestrians of the upcoming construction and closure. For more information and regular project updates, call the DWM Project Information Line at 800-986-1108 or email projectinfo@dekalbcountyga.gov.
