Keep DeKalb Beautiful Hosting Rain Barrel Workshop

DECATUR, Ga. – Keep DeKalb Beautiful will host a rain barrel workshop on **Tuesday, Oct. 10**, at **6:30 p.m.**, located at Brook Run Park, **4770 North Peachtree Road, Dunwoody**. Participants will learn how to build rain barrels and leave with a completed project.

Several metro-Atlanta counties, including DeKalb, are under a Level 1 drought response, which limits watering to before 10 a.m. and after 4 p.m. Rain barrels harvest roof runoff, which can be used to irrigate landscape plants or gardens. Just 1 inch of rain on a 1,000-square-foot roof provides 623 gallons of water.

The rain barrel workshop is \$25 per household and limited seating remains. All proceeds will benefit the Dunwoody Community Garden. To register, call Keep DeKalb Beautiful at 404-298-4080.
