Valley View Water Project to Begin Oct. 30

Lane closures expected, county to improve area water mains

DECATUR, Ga. – The DeKalb County Department of Watershed Management (DWM) will begin the Valley View Water Main Replacement Project on **Monday, Oct. 30**. The project will replace nearly 5,000 feet of water main pipes and will result in road closures.

Starting next week, portions of **Valley View Road** and **Valley View Court** between **Ashford Dunwoody** and **Chamblee Dunwoody roads** will be closed daily from **9 a.m. to 4 p.m.** Single-lane closures will occur throughout the six-month water main replacement project.

Motorists and MARTA passengers that use Valley View Road between Ashford Dunwoody and Chamblee Dunwoody roads are urged to plan for extra commuting time. Lane closure signs will be in the area alerting motorists to the construction work and local traffic restrictions. For more information, visit the DWM website at www.dekalbwatershed.com or call the DWM Project Information Line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov.
