1. We have received questions pertaining to this Invitation. The questions and their resulting answers appear below:

- A. **Question:** There are various items between #77 and #90 on this bid that state “ONLY” in the item description.

Will you accept equal alternatives for these items? Mueller manufactures a full-line of domestic brass water service products like Ford or AY McDonald. Any clarification would be great.

Answer: We will accept direct domestic equivalent items ONLY to the item numbers provided in the line item listing as deemed usable by the user department assuming all specification are met.
