PURPOSE:

Application of Quik Trip Corporation c/o Battle Law P.C. for a Special Land Use Permit (SLUP) to allow an alcohol outlet within a new 4,993 square foot convenience store (Quik Trip) within the C-1 (Local Commercial) District in accordance with Chapter 27, Article 4, Table 4.1 Use Table and Section 4.2.8 Supplemental Regulations of the DeKalb County Code. The property is located on the east side of Memorial Drive and the north side of Collingwood Drive at 4729, 4731, 4745, 4737, 4744, 4759, 4761, 4763, 4765, 4767, 4773, 4775, and 4777 Memorial Drive in Decatur, Georgia. The property has approximately 916 feet of frontage along Memorial Drive and 140 feet of frontage along Collingwood Drive and contains 5.32 acres.

RECOMMENDATION:

COMMUNITY COUNCIL: Denial.

PLANNING COMMISSION: Approval with Conditions.

PLANNING STAFF: Approval with Conditions.

STAFF ANALYSIS: The site is located within the Neighborhood Center (NC) by the DeKalb County 2035 Comprehensive Plan, the proposed use is consistent with the following area policies: Utilize vacant properties in the neighborhood as an opportunity for infill development of compatible structures. The proposed use is located on a major arterial (Memorial Drive), should have little impact on traffic. Therefore, the Department of Planning and Sustainability recommends “Approval of the SLUP request for alcohol sales within the redeveloped QuikTrip on the site subject to Staff’s recommended conditions”.

PLANNING COMMISSION VOTE: Approval with Conditions 7-0-1. L. Osler moved, A. Atkins seconded for Approval with Staff’s recommended thirteen (13) conditions. J. Johnson abstained.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: Denial 9-1-1. The Council recommended denial due to a potential conflict with the Memorial Drive Revitalization Small Area Plan which calls for a "Global City" concept encouraging potential multi-story buildings with restaurants, offices, and retail uses that reflect local community culture and the relocation of a nearby convenience store is not necessarily consistent with those objectives. Additionally, the proposed convenience store will disrupt an existing business owner who operates a business on the site. It was suggested that the applicant look at design alternatives to allow the existing business owner to remain open.

RECOMMEND CONDITIONS **SLUP-20-1244236**

IMPACT ANALYSIS

Section 27-7.4.6 of the DeKalb County Code states that the following criteria shall be applied in evaluating and deciding any application for a Special Land Use Permit.

- A. Adequacy of the size of the site for the use contemplated and whether or not adequate land area is available for the proposed use including provision of all required yards, open space, off-street parking, and all other applicable requirements of the zoning district in which the use is proposed to be located:**

The approximately 5.32-acre site is adequate for alcohol sales (beer & wine) within the redeveloped QuikTrip convenience store.

- B. Compatibility of the proposed use with adjacent properties and land uses and with other properties and land uses in the district:**

The proposed use for alcohol sales within the QuikTrip convenience store is compatible with nearby commercial and retail developments on Memorial Drive.

- C. Adequacy of public services, public facilities, and utilities to serve the contemplated use:**

Given that the area along Memorial Drive is developed with various commercial uses, it appears that there are adequate public services, public facilities, and utilities to serve the proposed automobile fuel sales on the site.

- D. Adequacy of the public street on which the use is proposed to be located and whether or not there is sufficient traffic carrying capacity for the proposed use, so as not to unduly increase traffic or create congestion in the area:**

Given that Memorial Drive is a major arterial, Planning Staff anticipates little or no impact on public streets or traffic in the area.

- E. Whether or not existing land uses located along access routes to the site will be adversely affected by the character of the vehicles or the volume of traffic generated by the proposed use.**

Given that Memorial Drive is a major arterial with turning lanes, existing land uses along access routes would not be adversely impacted by traffic generated by alcohol sales within the QuikTrip convenience store.

- F. Adequacy of ingress and egress to the subject property and to all proposed buildings, structures, and uses thereon, with particular reference to pedestrian and automotive safety and convenience, traffic flow and control, and access in the event of fire or other emergency:**

The proposed redevelopment will have adequate ingress and egress to the subject site. The proposed location will have the fuel pumps to the north side of the store which may assist with pedestrian safety by reducing vehicular/pedestrian conflicts between fuel patrons and retail patrons near store entrances. Per the applicant, the fuel trucks will access the site from Memorial drive, while the regular automotive traffic will have access from both Memorial Drive and Collingwood Drive to provide adequate circulation.

- G. Whether or not the proposed use would create adverse impacts upon any adjoining land use by reason of noise, smoke, odor, dust, or vibration that would be generated by the proposed use:**

The proposed redevelopment should not create adverse impacts upon any adjoining land use by reason of noise, smoke, odor, dust or vibration.

H. Whether or not the proposed use would create adverse impacts upon any adjoining land use by reason of the hours of operation of the proposed use:

The hours of operation should not create adverse impacts upon adjoining land uses.

I. Whether or not the proposed use will create adverse impacts upon any adjoining land use by reason of the manner of operation of the proposed use.

The proposed use will not create adverse impact on the adjoining land use by reason of manner of use. While there are residential properties directly to the east of the subject properties, there will be a 50-foot transitional buffer and 75-foot stream buffer (of largely existing vegetation) that separates most of the site from the residential uses to the rear of the subject property.

J. Whether or not the proposed use is otherwise consistent with the requirements of the zoning district classification in which the use is proposed to be located.

Proposed use is a permitted use within the C-1 (Local Commercial) District with a Special Land Use Permit (SLUP).

K. Whether or not the proposed use is consistent with the policies of the comprehensive plan.

The site is located within the Neighborhood Center (NC) by the *DeKalb County 2035 Comprehensive Plan*, the proposed use expansion is consistent with the following area policies: Utilize vacant properties in the neighborhood as an opportunity for infill development of compatible structures.

L. Whether or not the proposed use provides for all required buffer zones and transitional buffer zones where required by the regulations of the zoning district in which the use is proposed to be located.

The submitted site plan depicts a required transitional buffer adjacent to residentially zoned properties.

M. Whether or not there is adequate provision of refuse and service areas.

Adequate refuse areas will be provided.

N. Whether the length of time for which the special land use permit is granted should be limited in duration:

The proposed use (alcohol outlet for beer & wine sales within the QuikTrip convenience store) is a permanent use and should not be limited to any length of time on the subject site.

O. Whether or not the size, scale and massing of proposed buildings are appropriate in relation to the size of the subject property and in relation to the size, scale and massing of adjacent and nearby lots and buildings.

The proposed SLUP is compatible in size and massing to adjacent and nearby commercial buildings in the area.

P. Whether the proposed use will adversely affect historic buildings, sites, districts, or archaeological resources.

The proposed SLUP will not adversely affect historic buildings, sites, districts, or archaeological resources.

Q. Whether the proposed use satisfies the requirements contained within the supplemental regulations for such special land use permit.

The proposed SLUP complies with all of the following supplemental regulations per Sec.27-4.2.8 of the *DeKalb County Zoning Code*:

Package stores, unless part of a mixed use development, shall not be located:

a. *1. Within one thousand (1,000) feet of an existing package store or alcohol outlet;*

b. Alcohol outlets shall not be located:

1. Within three hundred (300) feet of any school building, school grounds, educational facility, college campus, or adult entertainment establishment; or

2. Within six hundred (600) feet of a substance abuse treatment center owned, operated, or approved by the state or any county or municipal government.

G. For the purpose of this section, distance shall be measured according to section 4-101.1(d).

H. For alcohol sales as an accessory use to retail, the area devoted to the sale and storage of alcohol shall not exceed twenty (20) percent of gross floor area.

I. The sale or distribution of individual cups and individual servings of ice at package stores is prohibited.

J. Alcohol outlets accessory to convenience stores with gas pumps do not require a special land use permit if the convenience store and gas pumps meet the criteria of section 4.2.28.D.

The proposed SLUP request does not create a negative shadow impact on any adjoining lot or building.

S. Whether the proposed use would be consistent with the needs of the neighborhood or the community as a whole, be compatible with the neighborhood, and would not be in conflict with the overall objective of the comprehensive plan.
