Board of Commissioners Hearing Date: July 29 2021

TEXT AMENDMENT ANALYSIS

AGENDA NO.: D2

ZONING CASE NO.: TA-21-1244414

COMMISSION DISTRICTS:
Countywide

APPLICANT: Department of Planning & Sustainability

SECTIONS OF ZONING ORDINANCE AFFECTED BY AMENDMENTS: CHAPTER 27, INCLUDING, BUT NOT LIMITED TO SECTION 9.1.3 (DEFINITIONS), SECTION 4.1.3 (LAND USE TABLE), AND SECTION 4.2 (SUPPLEMENTAL REGULATIONS) OF THE *DEKALB COUNTY ZONING ORDINANCE* RELATING TO AUTOMOBILE LAND USES AND FOR OTHER PURPOSES.

REASON FOR REQUEST:

Automobile brokerages have been an administrative challenge for the Department over the years. An automobile brokerage use (i.e. auto broker) is essentially an *office* use.

Automobile brokerage is defined as:

“[t]he business of providing services for the purchase or leasing of a vehicle, whether non-commercial and including trailers and R.V.s. The brokered vehicles are not stored on the same lot as that on which the business office is located. A vehicle brokerage may find the desired vehicle, negotiate the price or lease contract, manage paperwork associated with the sale or lease, or secure financing for the sale or lease of the vehicle.”

Brokers are currently prohibited from having automobile inventory on the subject property. If the broker firm is operating from the same site as an auto repair use, it may sell cars from the site that have been repaired for that purpose. If a broker firm is operating from the same site as an auto sales lot, it is difficult to determine whether the broker is selling cars from the site or keeping inventory on-site. Mixing these uses blurs the lines, encourages violations, and makes it difficult to enforce zoning restrictions.

The proposed text amendments seek to clarify the parameters of an auto broker business and codify existing administrative policy. These proposed changes should improve administration of the *Zoning Ordinance* and create a more efficient permitting process for applicants and operators.
