SUBJECT:

COMMISSION DISTRICT(S): 4 & 6

Application of Kyle Williams & Williams Teusink, LLC to amend the Land Use Plan from Suburban (SUB) to Regional Center (RC) to allow the construction of single-family attached townhomes and single-family cottages. at 3581 Rockbridge Road.

PETITION NO: D3. LP-21-1243933 2021-2109

PROPOSED USE: Single-family attached townhomes and single-family cottages.

LOCATION: 3581 Rockbridge Road, Stone Mountain, Ga.

PARCEL NO.: 18-011-06-001, 18-011-06-004, 18-011-06-005, 18-011-06-006, 18-011-06-007

INFO. CONTACT: Brian Brewer, Sr. Planner

PHONE NUMBER: 404-371-2155

PURPOSE:

Application of Kyle Williams & Williams Teusink, LLC to amend the Land Use Plan from Suburban (SUB) to Regional Center (RC) to allow the construction of single-family attached townhomes and single-family cottages. The property is located on the south side of Rockbridge Road and the east side of Interstate 285, at 3605, 3611, 3599, 3593, & 3581 Rockbridge Road, Stone Mountain. The property has approximately 623 feet of frontage on Rockbridge Road and contains 4.8 acres.

RECOMMENDATION:

COMMUNITY COUNCIL: June 2021 – Full Cycle Deferral; April 2021 - Deferral; Feb. 2021 - Full Cycle Deferral.

PLANNING COMMISSION: July 8, 2021 – Pending. May 6, 2021 – Full Cycle Deferral. March 2, 2021 - Denial.

PLANNING STAFF: Full Cycle Deferral.

STAFF ANALYSIS: The Memorial Drive Corridor Study was adopted in September 2020. The subject parcels are within the boundary of the *Gateway West Focus Area* identified in the report. The Action Plan section of the report includes recommendations intended to realize the vision of the study exercise. One primary recommendation was to amend the Character Area of each focus area to better accommodate the types of uses demanded from residents and stakeholders. These parcels fall within the boundary of an area recommended be changed to the Regional Center Character Area. According to the report, Gateway West is viewed as having, the broadest potential to become an area attracting regional interest. Therefore, the vision for this part of the corridor is an urban center to include a mix of land uses. Ideas discussed at the Design Workshops included: (1) Retail (2) Restaurants (3) Greenspaces (4) Public Squares (5) Office Space (6) Apartments (7) Cultural and/or Theatre A recent conversation in DeKalb County is the potential need for a civic or convention center that could host everything from High School graduations to professional conferences and festivals. As a relatively central location within DeKalb County (just east of the Kensington area, where the attraction of a centralized location has led to discussions about consolidation of County offices and services) with strong transportation access via I-285 and nearby MARTA heavy rail stations at Kensington and Indian Creek, this site is a strong candidate for such a consideration. Such an investment would be generally consistent with the idea of having a cultural and/or theatre component of any redevelopment here and would likewise be a particularly strong anchor for the mix of

uses envisioned. The proposal for Townhomes and cottage homes does align with the ‘Outer-Ring’ Preferred Intensity Concept for Activity Center Development in the 2035 Comprehensive Plan. And the requested amendment for Regional Center to accommodate the proposed project is consistent with the Memorial Drive Corridor Study report recommendation that the Character Area be amended to Regional Center. For these reasons, Staff’s recommendation for this Future Land Plan Map Amendment application is “Approval.” However, the applicant has notified staff that their intent is to request a “Full Cycle Deferral” for the purposes of site plan development and further discussion with the area residents. Staff supports this request.

PLANNING COMMISSION VOTE: July 8, 2021 – Pending. May 6, 2021 – Full Cycle Deferral 7-0-1. LaSonya Osler moved, Jana Johnson seconded for Full Cycle Deferral. Lauren Blaszyk abstained. **March 2, 2021 - Denial 7-2-0.** L. Osler moved, J. Johnson seconded for denial, per Staff recommendation. J. West and P. Womack, Jr. opposed.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: June 2021 – Full Cycle Deferral 13-0-0. Per the applicant’s request to allow sufficient time to revise site plan, taking into account comments from the public and community council from the last round of meetings. **April 2021 – Deferral 12-0-0; Feb. 2021 - Full-cycle Deferral 12-0-0.** There was concern and discussion about traffic impacts on Rockbridge Road; and the Council wanted to see the results and recommendations of a Traffic Impact Study. Additionally, the Council was concerned about how the comprehensive plan update would impact the future land use character area of these properties.

Dear Director Baker:

I represent Ahmad Farida, Thomas and Margaret Corbin, William B. Corbin as Trustee of The William Boggs Corbin Trust, and Captura Properties I, LLC (collectively, "Applicant") in regard to Case No. LP-21-1243933 (the "Application") and companion Case No. Z-21-1243934.

AMENDED PROPOSED SITE PLAN

Applicant hereby amends the Application to substitute the enclosed *Rezoning Exhibit – Sheet Number E-1* with a revision date of June 15, 2021 (the "Revised Site Plan") as the proposed site plan for the development and use of the Property as fifty-three (53) attached townhomes at a density of 10.88 dwelling units per acre as detailed and conditioned upon the Revised Site Plan.

Applicant requests an amendment to the Comprehensive Land Use Map classification of the Property from Suburban (SUB) to Regional Center (RC) and a rezoning of the Property from R-75 to MR-2 (Medium Density Residential) and pursuant to companion Case No. Z-21-1243934.

Subsequent to rezoning and prior to any development, the development and use proposed for the Property will require a variance from Section 5.4.5 and Table 5.2 to reduce the required Transitional Buffer along the east yard abutting residential R-75 property 50' to 20'.

A. DOCUMENTED IMPACT ANALYSIS UNDER SEC. 27-7.3.4

A. Whether the proposed land use change will permit uses that are suitable in consideration of the use and development of adjacent and nearby property or properties.

The proposed land use change will permit uses that are suitable in consideration of the use and development of adjacent and nearby property and properties. The proposed land use change requests an amendment to the Comprehensive Land Use Map classification from Suburban (SUB) to Regional Center (RC) character area. Amending the Comprehensive Land Use Map classification of the Property to RC is consistent with the intent of the *Memorial Drive Revitalization Corridor Study Small Area Plan* adopted in September 2020. The *Memorial Drive Revitalization Corridor Study Small Area Plan* includes the Property as a part of the Gateway West area at the western end of Memorial Drive corridor and within the broader Kensington LCI Regional Center character area. The *Memorial Drive Revitalization Corridor Study Small Area Plan* details that the “vision for this part of the corridor” is for “an urban center to include a mix of land uses.”

The Property is located within the Outer Ring of the *Preferred Intensity Concept* from the Core Area of the Kensington LCI Regional Center character area and Kensington MARTA Station. The purpose of this Outer Ring “is to transition into single family residential, with enhanced buffers, low density, and lesser building heights than the adjoining Intermediate Area. The primary uses within this Outer Ring are Townhomes, Condominiums, and Apartments with a recommended density of 24 – 60 dwelling units per acre.

The proposed development and use navigate difficult site conditions, including existing flood plain, stream buffers, and significant grade changes in the rear or south yard of the Property to propose a compromise fifty-three (53) attached townhome residential development that fulfills the *Memorial Drive Revitalization Corridor Study Small Area Plan* and balances the transition to the nearby residential R-75 properties to the east along Rockbridge Road.

The proposed land use change of the Property will permit development of a higher density single family townhouse that is suitable in view of the use and development of adjacent and nearby property and fulfills the *Memorial Drive Revitalization Corridor Study Small Area Plan*. The Property abuts and adjoins to the north the medical office park known as “Memorial Perimeter Office Park” and located at 4540 – 4544 Memorial Drive, Stone Mountain, DeKalb County, Georgia 30032. The highly commercial corridor along Memorial Drive at Interstate 285 is to the immediate south of the Property and includes restaurants, service and retail, commercial offices, and governmental services, including DeKalb County Watershed Management, DeKalb County Jail and Sheriff’s Office, and DeKalb County Tax Commissioner.

The Property is within one and half (1 ½) miles of the Kensington MARTA Station and the Kensington Station Redevelopment Concept Vision.

The Property is centrally located within the highly trafficked commercial area at the intersection of Memorial Drive and Interstate 285. The Property is within one and a half (1 ½) miles of the MARTA Kensington Station. The surrounding area is a mix of governmental, commercial, retail, and other non-

residential uses. However, the immediate surrounding area is lacking in high density residential uses.

The adjacent and adjoining properties on Rockbridge Road to the east and northeast of the Property are zoned R-75 (Residential Medium Lot-75) District with an Existing Land Use classification of Suburban based upon the Comprehensive Land Use Map. The adjacent and adjoining properties to the north and west of the Property are zoned MR-2 (Medium Density Residential) with Existing Land Use classifications of Neighborhood Center (NC) and Regional Center (RC). The adjacent and adjoining property to the southeast is a C-1 (Local Commercial) District with an Existing Land Use of Commercial Redevelopment Corridor (CRC).

The proposed rezoning would allow for a higher density residential development that would complement and better serve the existing non-residential commercial and office uses. The proposed rezoning and development would serve as a catalyst for other residential redevelopment adjacent to and within the Kensington LCI Regional Center character area. The proposed rezoning and development would allow for a trans-oriented development near the MARTA Kensington Station that is sought by the *Memorial Drive Revitalization Corridor Study Small Area Plan*.

More importantly, the current zoning of the Property as R-75 (Residential Medium Lot-75) is obsolete as it is not economically feasible or desirable that the Property be used as a single-family house as currently zoned. Only two (2) detached single family residential structures have been built on the nearly five (5) acres of land due to the close proximity to Interstate 285 and the existing non-residential commercial and office uses. The remainder of the Property is vacant and unimproved.

B. Whether the proposed land use change will adversely affect the existing use or usability of adjacent or nearby property or properties.

Applicant incorporates its response to Section A above in response to this section.

C. Whether the proposed land use change will result in uses which will or could cause excessive or burdensome use of existing streets, transportation facilities, utilities, or schools.

The proposed rezoning will not result in a use which will or could cause an excessive or burdensome use of exiting streets, transportation facilities, utilities, or schools. The Property is well served by existing streets, transportation facilities, and utilities within the immediate surrounding areas located at the intersection of Interstate 285 and Memorial Drive. The proposed townhome community will not impact existing schools as such do not typically attract families with school age children given the unit size and lack of community amenities such as swimming pools. The existing infrastructure is more than sufficient to support the proposed residential development.

D. Whether the amendment is consistent with the written policies in the comprehensive plan text and any applicable small areas studies.

Applicant incorporates its response to Section A above in response to this section.

E. Whether there are potential impacts on property or properties in an adjoining governmental jurisdiction, in cases of proposed changes near county or municipal boundary lines.

The Property is not located near county or municipal boundary lines.

F. Whether there are other existing or changing conditions affecting the use and development of the affected land areas which support either approval or denial of the proposed land use change.

Applicant incorporates its response to Section A above in response to this section.

G. Whether there will be an impact on historic buildings, sites, districts or archaeological resources resulting from the proposed change.

The proposed land use change will not impact any historic buildings, sites, districts, or archaeological resources.

ADDITIONAL SUPPORTING DOCUMENTATION

1. *Rezoning Exhibit – Sheet Number E-1* with a revision date of June 15, 2021;
2. *Rockbridge Townhomes* (Color Site Plan);
3. *Rockbridge Road Proposed Development*, Unit A – Parcels 1 thru 40 (Conceptual Elevation Plans);
4. *Rockbridge Road Proposed Development*, Unit B – Parcels 41 thru 53 (Conceptual Elevation Plans);
5. *Rockbridge Road Proposed Development*, Typ, Building Side Elevation (Conceptual Elevation Plans);
6. *Preferred Intensity Concept* map of the Kensington LCI Regional Center depicting Property; and,
7. *Future Development Guidelines* from DeKalb County Long Range Planning Staff Analysis of the Kensington LCI Regional Center depicting Property.

I appreciate consideration of this Application. Please do not hesitate to contact me with any questions or request for additional information or documentation.

Sincerely,

R. Kyle Williams

Companion Application:

The applicant has filed a companion application (Z-21-1243934) to amend the zoning of the parcel from R-75 (Residential-Medium Lot-75) to MR-2 (Medium Density Residential-2).

STAFF RECOMMENDATION: FULL CYCLE DEFERRAL

The Memorial Drive Corridor Study was adopted in September 2020. The subject parcels are within the boundary of the *Gateway West Focus Area* identified in the report. The Action Plan section of the report includes recommendations intended to realize the vision of the study exercise.

One primary recommendation was to amend the character area of each focus area to better accommodate the types of uses demanded from residents and stakeholders. These parcels fall within the boundary of an area recommended be changed to the Regional Center Character Area.

According to the report, Gateway West is viewed as having, the broadest potential to become an area attracting regional interest. Therefore, the vision for this part of the corridor is an urban center to include a mix of land uses. Ideas discussed at the design workshops included:

- Retail
- Restaurants
- Greenspaces
- Public Squares
- Office Space
- Apartments
- Cultural and/or Theatre

A recent conversation in DeKalb County is the potential need for a civic or convention center that could host everything from high school graduations to professional conferences and festivals. As a relatively central location within DeKalb County (just east of the Kensington area, where the attraction of a centralized location has led to discussions about consolidation of County offices and services) with strong transportation access via I-285 and nearby MARTA heavy rail stations at Kensington and Indian Creek, this site is a strong candidate for such a consideration. Such an investment would be generally consistent with the idea of having a cultural and/or theatre component of any redevelopment here and would likewise be a particularly strong anchor for the mix of uses envisioned.

The proposal for townhomes doesn't align with the vision. And the requested amendment for Neighborhood Center to accommodate the proposed project is inconsistent with the *Memorial Drive Revitalization Corridor Study* recommendation that the character area be amended to Regional Center.

The applicant and staff continue to work towards a development plan that is more consistent with the small area plan. For these reasons, staff recommendation for this future land plan map amendment application is "full cycle deferral."

STRATEGY

3

ENCOURAGE HEALTHY REDEVELOPMENT

Encouraging healthy redevelopment is all about creating a positive regulatory environment that can make it easier for the private sector to invest in the corridor by offsetting the risk associated with redevelopment.

Initiative 3.1 – Address Changes in the Comprehensive Plan and Zoning

Potential Responsibilities	DeKalb County Department of Planning & Sustainability
Likely Costs	Minimal
Potential Funding Source	Staff Time
Potential Timeframe	Immediate to Short-Term

In order to create a regulatory land use environment that will allow for the redevelopments envisioned at Gateway West, Global City, Hambrick Village, and Gateway East, it is appropriate to change the Comprehensive Plan designations for these parts of the corridor as well as the zoning for individual properties. For instance, at Gateway West (where the most dramatic changes in character are suggested) the current Comprehensive Plan Character Area designation is for a “Commercial Redevelopment Corridor.” This plan’s recommendations increase that Character Area to be a “Regional Center” in order to match the intensity of the Kensington area on the other side of I-285 and reflect the vision suggested through the community engagement component of the plan development.

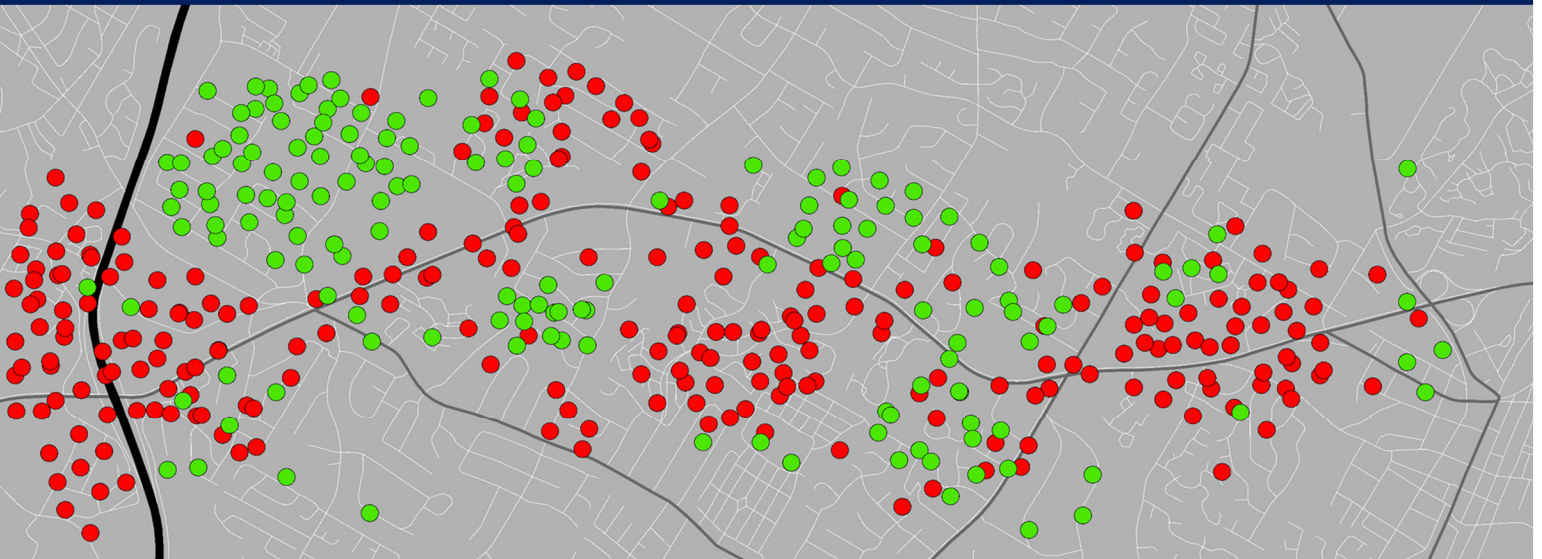

Existing Character Areas

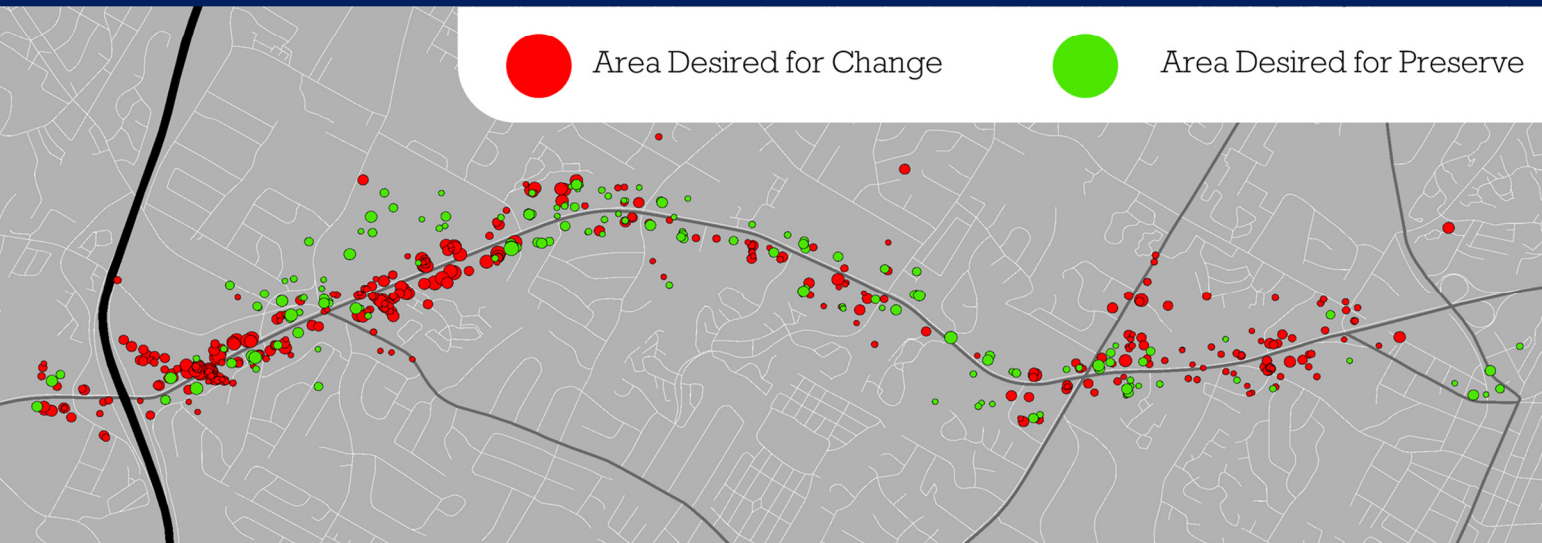

Business Development Advisory Committee – June 11, 2019

Community Open House – June 25, 2019

Online Survey

CHANGE & PRESERVE

In the Change and Preserve exercise (conducted at the first BDAC meeting, Visioning Open House and through the Online Interactive Map), participants were asked to indicate areas where they preferred a change in character and development and areas where they preferred a preservation of character and development. The input from all participants was compiled and spatially analyzed to develop a visual heat map showing the relative desire and intensity for change or preservation along the corridor.

When We Combine Everyone's Input...

Additionally, to create a zoning framework for the future desired redevelopment, it will be necessary to update zoning along the corridor. Nearly all of the commercial properties on the corridor are currently zoned C-1 (Local Commercial) district which to be consistent would need to be refined as followed to be consistent with the proposed character area changes:

- **Regional Center:** Change to MU-4 (Mixed-Use High Density) and/or MU-5 (Mixed-Use Very High Density) District
- **Town Center:** Change to MU-3 (Mixed-Use Medium Density)

REGIONAL CENTER

The intent of the Regional Activity Center is to promote the concentration of regional serving activities to a centralized location that allow for a variety of uses while reducing automobile travel, promoting walkability and increased transit usage.

TOWN CENTER

The intent of the Town Center Character Area is to promote the concentration of residential and commercial structures, which serve many communities in order to reduce automobile travel, promote walkability and increased transit usage. The areas consist of a focal point for several neighborhoods with a variety of activities such as general retail, commercial, professional office, higher density housing, and appropriate public and open space uses that are easily accessible by pedestrians. This character area is similar to neighborhood center, but at a larger scale.

NEIGHBORHOOD CENTER

The intent of the Neighborhood Center Character Area is to identify areas that can serve the local neighborhood's needs for goods and services. These areas shall complement the character of neighborhoods and the location of the commercial areas shall reduce automobile travel, promote walkability and increased transit usage. These areas consist of a neighborhood focal point with a concentration of activities such as general retail, neighborhood commercial, professional office, higher density housing, and appropriate public and open space uses that are easily accessible by pedestrians.

COMMERCIAL REDEVELOPMENT CORRIDOR

The intent of the Commercial Redevelopment Corridor Character Area is to promote the redevelopment of declining commercial corridors and to improve the function and aesthetic appeal of more stable commercial corridors. These areas mostly consist of strip style shopping centers that are in need of aesthetic or functional improvements, are in economic decline or are vacant.

Proposed Character Areas

STRATEGY

3

ENCOURAGE HEALTHY REDEVELOPMENT

A positive regulatory environment can make it easier for the private sector to invest in the corridor by offsetting the risk associated with redevelopment.

Initiative	Potential Responsibilities	Likely Costs	Potential Funding Source	Potential TimeFrame

Proposed Character Areas

Initiative 3.1 recommends specific changes to Character Areas in the Comprehensive Plan and zoning to align land use regulations with the vision developed for the Memorial Drive corridor.

GATEWAY WEST

At the western end of the corridor, Gateway West has the broadest potential to become an area attracting regional interest. Therefore, the vision for this part of the corridor is an urban center to include a mix of land uses. Ideas discussed at the Design Workshops included:

- Retail
- Greenspaces
- Office Space
- Cultural and/or Theatre
- Restaurants
- Public Squares
- Apartments

A recent conversation in DeKalb County is the potential need for a civic or convention center that could host everything from High School graduations to professional conferences and festivals. As a relatively central location within DeKalb County (just east of the Kensington area, where the attraction of a centralized location has led to discussions about consolidation of County offices and services) with strong transportation access via I-285 and nearby MARTA heavy rail stations at Kensington and Indian Creek, this site is a strong candidate for such a consideration. Such an investment would be generally consistent with the idea of having a cultural and/or theatre component of any redevelopment here and would likewise be a particularly strong anchor for the mix of uses envisioned.

The area today is dominated by low density strip shopping centers with a tremendous amount of unused impervious surface.

Through a façade improvement program that could be implemented corridor wide, an incremental step toward redevelopment could include aesthetic enhancements

The illustrative redevelopment plan above includes various features including green and public spaces and a tighter urban network of buildings and streets to reflect the vision for the area. This image also implies how the exiting building fabric can be honored through incremental development.

The long-term vision for Gateway West is to develop an urban center of regional attraction and importance. This image illustratively shows many of the features of such a development including public and green spaces and buildings of varying height that can support a mix of uses within them including retail on the first floor with office and/or residential on floors above. In this particular image, the concept of a facility that could host conventions and other events is incorporated along with a building that could easily serve as a hotel.

Preferred Intensity Concept

Core Intensity

Intermediate Ring - Up to 60-90 du/ac
Height 4-6 Stories

Core Density - Up to 120 du/ac
Min Height-10 Stories

Outer Ring - Up to 24-60 du/ac
Max Height-4

Land Use Guideline & Primary Uses

Core Area: The most intense level of density and building heights occur here. 90-120 units per acre, Min Height 10 stories.

Primary Uses: Health Care Facilities • Retail and Commercial • Office • Institutional Uses • Public and Civic Facilities

Intermediate Area: This represents a transition of a lesser intense density than the core. Building heights are also lesser than the core. 60-90 units per acre, 4-8 stories.

Primary Uses: • Entertainment and Cultural Facilities • Park and Recreational Facilities • Townhomes • Condominiums • Apartments

Outer Ring: The purpose is to transition into single family residential, with enhanced buffers, low density, and lesser building heights than intermediate. 24-60 units per acre, 1-4 stories

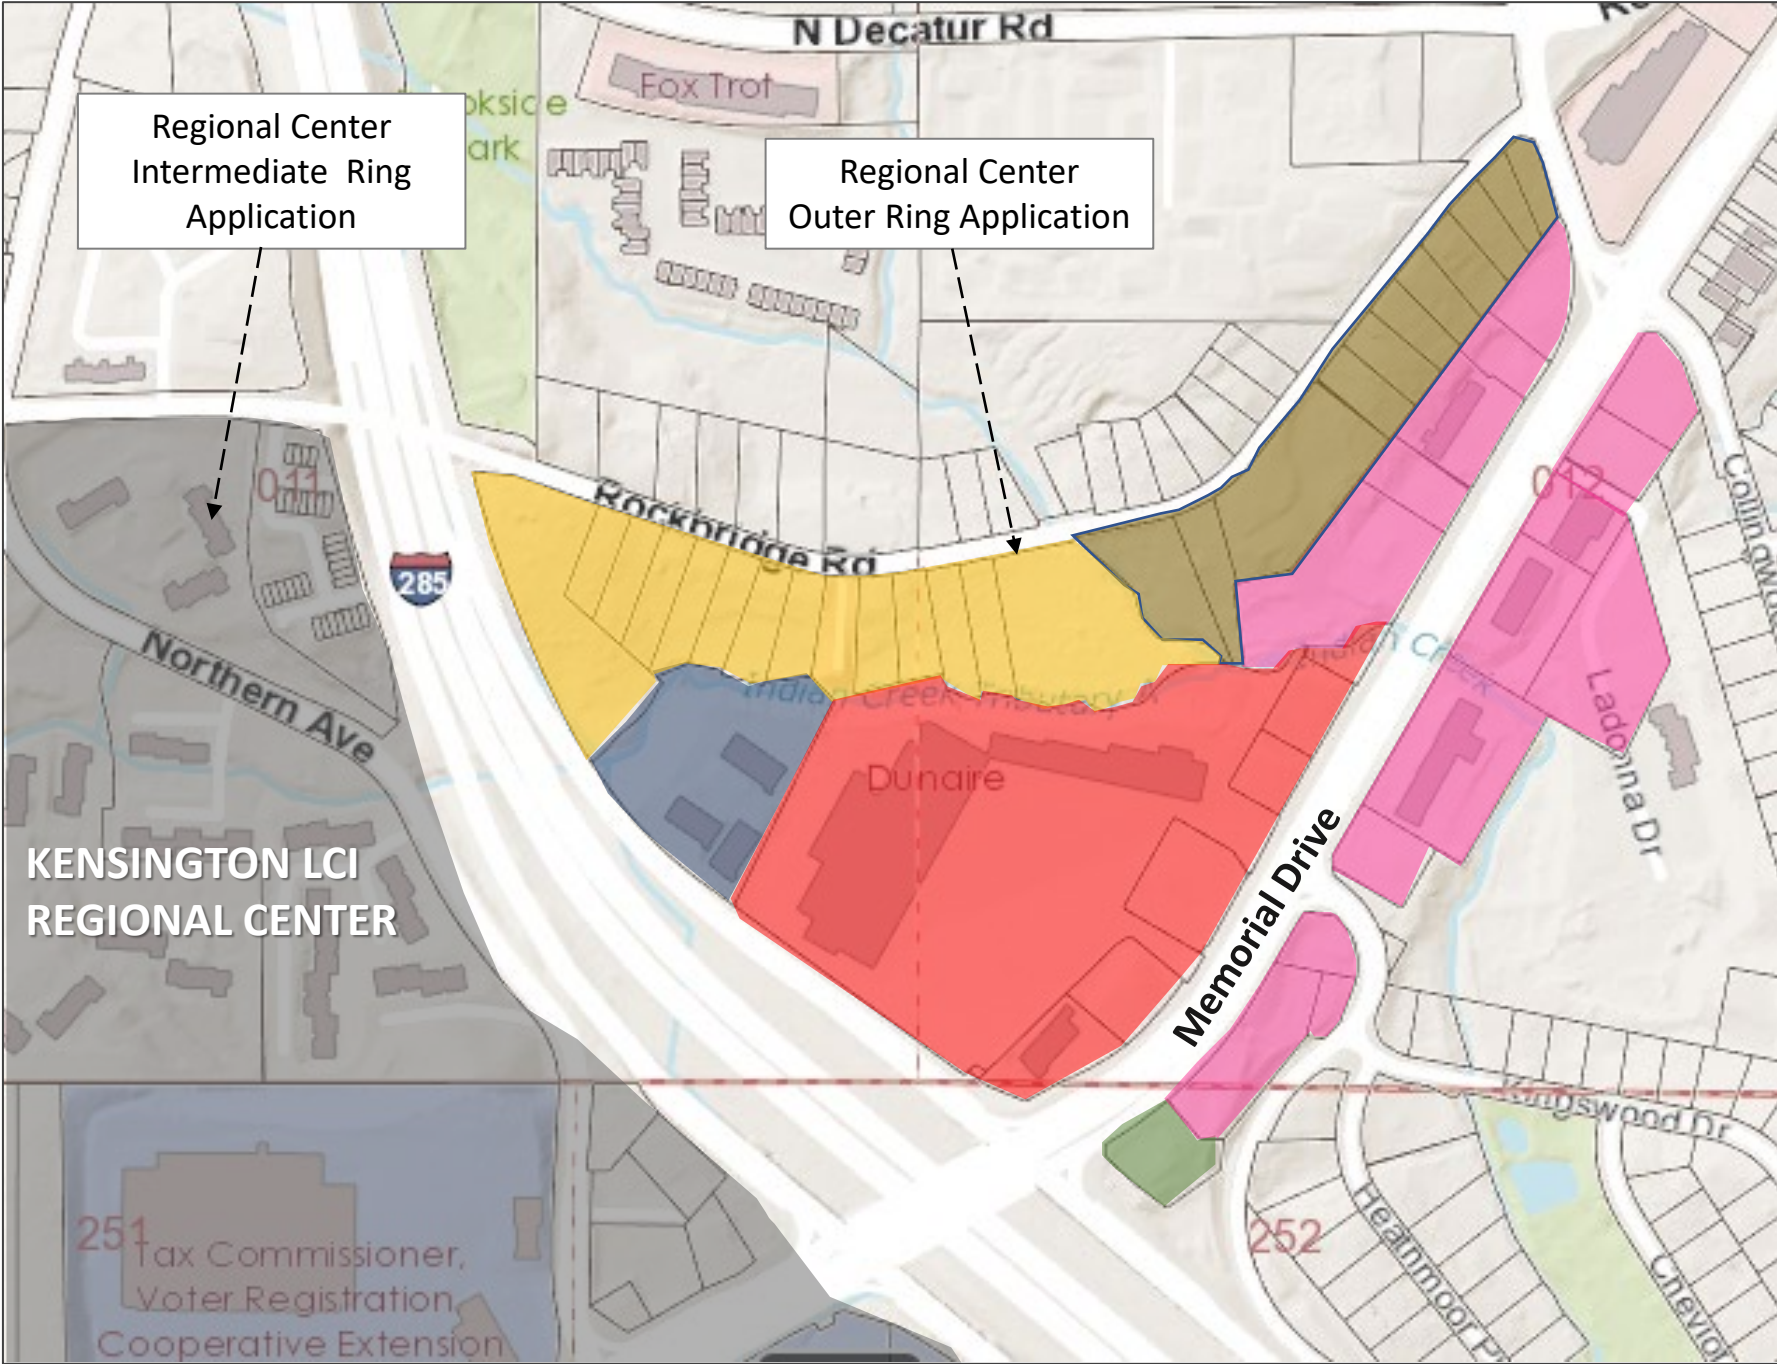

Primary Uses: Townhomes • Condominiums • Apartments

Future Development Guidelines

This illustration is an example of how the development within this Regional Center could be tiered. The activity center starts from the west side of Interstate 285 (Kensington LCI SAP), where there is more development intensity.

KEY FOR MEMORIAL DRIVE PLAN REGIONAL CENTER GUIDELINES

- Gateway Core**
 - Density 60 du/ac

Dear Director Baker:

I represent Ahmad Farida, Thomas and Margaret Corbin, William B. Corbin as Trustee of The William Boggs Corbin Trust, and Captura Properties I, LLC (collectively, "Applicant"). Mr. Ahmad owns that certain real property known as and located at 3611 Rockbridge Road, Stone Mountain, DeKalb County, Georgia 30083 (Tax Parcel Id No. 18 011 06 007). Mr. and Mrs. Corbin own that certain real property known as and located at 3605 Rockbridge Road, Stone Mountain, DeKalb County, Georgia 30083 (Tax Parcel Id No. 18 011 06 006). The William Boggs Corbin Trust owns those certain real properties located at and known as 3599 Rockbridge Road, Stone Mountain, DeKalb County, Georgia 30083 (Tax Parcel Id No. 18 011 06 005); 3593 Rockbridge Road, Stone Mountain, DeKalb County, Georgia 30083 (Tax Parcel Id No. 18 011 06 004); and, 3581 Rockbridge Road, Stone Mountain, DeKalb County, Georgia 30083 (Tax Parcel Id No. 18 011 06 001). 3611 Rockbridge Road, Stone Mountain, DeKalb County, Georgia 30083 (Tax Parcel Id No. 18 011 06 007); 3605 Rockbridge Road, Stone Mountain, DeKalb County, Georgia 30083 (Tax Parcel Id No. 18 011 06 006); 3599 Rockbridge Road, Stone Mountain,

DeKalb County, Georgia 30083 (Tax Parcel Id No. 18 011 06 005); 3593 Rockbridge Road, Stone Mountain, DeKalb County, Georgia 30083 (Tax Parcel Id No. 18 011 06 004); and, 3581 Rockbridge Road, Stone Mountain, DeKalb County, Georgia 30083 (Tax Parcel Id No. 18 011 06 001) are collectively referred to as the “Property.”

Captura Properties I, LLC is under contract to purchase the Property and intends to pursue the development as proposed outlined in this Application.

The Property consists of approximately 4.87 acres to the east of Interstate 285 where Rockbridge Road crosses over and across Interstate 285. The Property abuts and adjoins to the north the medical office park known as “Memorial Perimeter Office Park” and located at 4540 – 4544 Memorial Drive, Stone Mountain, DeKalb County, Georgia 30032. The highly commercial corridor along Memorial Drive at Interstate 285 is to the immediate south of the Property and includes restaurants, service and retail, commercial offices, and governmental services, including DeKalb County Watershed Management, DeKalb County Jail and Sheriff’s Office, and DeKalb County Tax Commissioner.

The Property is within one and half (1 ½) miles of the Kensington MARTA Station and the Kensington Station Redevelopment Concept Vision.

The Property is zoned R-75 (Residential Medium Lot-75) District with an Existing Land Use classification as Suburban (SUB) based upon the 2035 Comprehensive Plan and Future Land Use Map (the “Comprehensive Land Use Map”). The adjacent and adjoining properties on Rockbridge Road to the east and northeast of the Property are zoned R-75 (Residential Medium Lot-75) District with an Existing Land Use classification of Suburban (SUB) based upon the Comprehensive Land Use Map. The adjacent and adjoining properties to the north and west of the Property are zoned MR-2 (Medium Density Residential with Existing Land Use classifications of Neighborhood Center (NC) and Regional Center (RC) based upon the Comprehensive Land Use Map. The adjacent and adjoining property to the southeast is a C-1 (Local Commercial) District with an Existing Land Use classification of Commercial Redevelopment Corridor (CRC) based upon the Comprehensive Land Use Map.

The Property is currently improved with only two (2) detached single family residential structures with one (1) each on 3611 Rockbridge Road, Stone Mountain, DeKalb County, Georgia 30083 (Tax Parcel Id No. 18 011 06 007) and 3605 Rockbridge Road, Stone Mountain, DeKalb County, Georgia 30083 (Tax Parcel Id No. 18 011 06 006), which are the two (2) eastern parcels farthest away from Interstate 285. The remainder of the Property is vacant and unimproved.

SUMMARY OF PROPOSED AMENDMENT TO THE COMPREHENSIVE LAND USE PLAN

Applicant requests an amendment to the Comprehensive Land Use Map classification from Suburban (SUB) to Neighborhood Center (NC) to allow for development and use of the Property as fifty-two (52) attached single family townhomes at a density of 10.7 units per acre as detailed

and conditioned upon the plans submitted in support of this Application. The amendment is necessary due to the fact that the current Comprehensive Land Use Plan is for Suburban (SUB) and is inappropriate for proposed development of the Property. An amendment to the Comprehensive Land Use Map is appropriate given the proximity of the Property to Interstate 285, highly commercial corridor along Memorial Drive at Interstate 285, and the Kensington MARTA Station.

This application to Amend the Comprehensive Land Use Plan is submitted concurrently with an application to Amend the Official Zoning Map of DeKalb County seeking to rezone the Property from R-75 (Residential Medium Lot-75) District to MR-2 (Medium Density Residential) District.

**DOCUMENTED IMPACT ANALYSIS FOR AN AMENDMENT TO
THE COMPREHENSIVE LAND USE PLAN UNDER SECTION 27 – 7.3.4**

(a) Whether the proposed land use change will permit uses that are suitable in consideration of the use and development of adjacent and nearby property or properties.

The proposed amendment to the Comprehensive Land Use Plan for the Property will permit development of a higher density single family townhouse that is suitable in view of the use and development of adjacent and nearby property. The Property abuts and adjoins to the north the medical office park known as “Memorial Perimeter Office Park” and located at 4540 – 4544 Memorial Drive, Stone Mountain, DeKalb County, Georgia 30032. The highly commercial corridor along Memorial Drive at Interstate 285 is to the immediate south of the Property and includes restaurants, service and retail, commercial offices, and governmental services, including DeKalb County Watershed Management, DeKalb County Jail and Sheriff’s Office, and DeKalb County Tax Commissioner.

The Property is within one and half (1 ½) miles of the Kensington MARTA Station and the Kensington Station Redevelopment Concept Vision.

The Property is centrally located within the highly trafficked commercial area at the intersection of Memorial Drive and Interstate 285. The Property is within one and a half (1 ½) miles of the MARTA Kensington Station. The surrounding area is a mix of governmental, commercial, retail, and other non-residential uses. However, the immediate surrounding area is lacking in high density residential uses.

The adjacent and adjoining properties on Rockbridge Road to the east and northeast of the Property are zoned R-75 (Residential Medium Lot-75) District with an Existing Land Use classification of Suburban based upon the Comprehensive Land Use Map. The adjacent and adjoining properties to the north and west of the Property are zoned MR-2 (Medium Density Residential) with Existing Land Use classifications of Neighborhood Center (NC) and Regional Center (RC). The adjacent and adjoining property to the southeast is a C-1 (Local Commercial)

District with an Existing Land Use of Commercial Redevelopment Corridor (CRC).

The proposed amendment to the Comprehensive Land Use Plan would allow for a higher density residential development that would complement and better serve the existing non-residential uses. The proposed amendment and development would serve as a catalyst for other residential redevelopment adjacent to and within the Kensington-Memorial Drive Overlay. While outside of the boundaries of the overlay district, the proposed rezoning is consistent with the overlay's stated objective to "create a positive real estate investment climate which will stimulate economic development and job creation." The proposed rezoning and development would allow for a trans-oriented development near the MARTA Kensington Station that is sought by the Kensington-Memorial Drive Overlay District.

More importantly, the current zoning of the Property as R-75 (Residential Medium Lot-75) is obsolete as it is not economically feasible or desirable that the Property be used as a single-family house as currently zoned. Only two (2) detached single family residential structures have been built on the nearly five (5) acres of land due to the close proximity to Interstate 285. The remainder of the Property is vacant and unimproved.

(b) Whether the proposed land use change will adversely affect the existing use or usability of adjacent or nearby property or properties.

As detailed in Section (a) above, the proposed amendment to the Comprehensive Land Use Plan is consistent with and will not adversely affect the existing use or usability of adjacent and nearby properties. Furthermore, the proposed amendment to the Comprehensive Land Use Plan is consistent with the surrounding Existing Land Use classifications of Neighborhood Center (NC), Regional Center (RC), and Commercial Redevelopment Corridor (CRC) while proposed development a transitional density of 10.7 units per acre providing the necessary stairstep transition to the surrounding Existing Land Use classification of Suburban (SUB).

(c) Whether the proposed land use change will result in uses which will or could cause excessive or burdensome use of existing streets, transportation facilities, utilities, or schools.

The proposed amendment to the Comprehensive Land Use Plan will not result in uses which would cause excessive or burdensome uses of existing streets, transportation facilities, utilities, or schools. The Property is well served by existing streets, transportation facilities, and utilities within the immediate surrounding areas located at the intersection of Interstate 285 and Memorial Drive. The proposed apartment development will not impact existing schools as apartment uses typically do not attract families with school age children given the unit size. The existing infrastructure is more than sufficient to support the proposed residential development. More importantly, the Property is ideally situated within walking distance of the MARTA Kensington Station and will introduce a needed residential use to complement the existing non-residential uses in the immediate surround area.

(d) Whether the amendment is consistent with the written policies in the comprehensive plan text.

As detailed in Section (a) above, the proposed amendment to the Comprehensive Land Use Plan is consistent with and will not adversely affect the existing use or usability of adjacent and nearby properties. The proposed development does require an amendment to the Comprehensive Land Use Map to change the Existing Land Use classification of Suburban (SUB) to Neighborhood Center (NC) in order to increase the density from 8 units per acre to 10.7 units per acre. Amendment to the Comprehensive Land Use Map is consistent with the surrounding Existing Land Use classifications of Neighborhood Center (NC), Regional Center (RC), and Commercial Redevelopment Corridor (CRC) while proposed development a transitional density of 10.7 units per acre providing the necessary stairstep transition to the surrounding Existing Land Use classification of Suburban (SUB). This is fully in line with the Housing Policies described in Chapter 6 of the Comprehensive Plan for 2035 which seeks to create Multi-Family Housing and Infill Housing Development.

(e) Whether there are potential impacts on property or properties in an adjoining governmental jurisdiction, in cases of proposed changes near county or municipal boundary lines.

The Property is not located near county or municipal boundary lines. As such, there are no potential impacts on property or properties in any adjoining governmental jurisdiction.

(f) Whether there are other existing or changing conditions affecting the use and development of the affected land areas which support either approval or denial of the proposed land use change.

Except as detailed above, there are no other existing or changing conditions affecting the use or development of the affected land areas which support either approval or denial of the proposed land use change.

(g) Whether there will be an impact on historic buildings, sites, districts or archaeological resources resulting from the proposed change.

The proposed amendment to the Comprehensive Land Use Plan and development will have no impact on any historic building, site, district, or archaeological resource.

ADDITIONAL SUPPORTING DOCUMENTATION

Applicant includes as additional support for its Application the following:

1. Application to Amend Comprehensive Land Use Plan;
2. Land Use (Future Development) Map Amendment Application Authorization;

3. Notarized Authorization by Property Owner for Representation;
4. Summary of Property Ownership;
5. *Warranty Deed* dated December 19, 2003 (Parcel 7);
6. *Quitclaim Deed* dated August 20, 1993 (Parcels 4 and 5)¹;
7. Legal Descriptions of the Property;
8. Zoning Map of the Property;
9. Comprehensive Land Use Map of the Property and surrounding properties;
10. Aerial Map depicting the Property and surrounding properties;
11. *Boundary Survey* (Project #20-005), prepared by Hayes, James & Associates, Inc., dated February 3, 2020;
12. *Topographic Map* (Project #20-005), prepared by Hayes, James & Associates, Inc., dated February 10, 2020;
13. *Rezoning Exhibit, Sheet E-1* (Project #20-005), prepared by Hayes, James & Associates, Inc., dated March 17, 2020;
14. *Rockbridge Road Proposed Development – Elevations and Floor Plans – Unit A – Parcels 1 Thru 39*, prepared by Luis Matalon, Registered Architect, dated March 22, 2020; and,
15. *Rockbridge Road Proposed Development – Elevations and Floor Plans – Unit B – Parcels 40 Thru 52*, prepared by Luis Matalon, Registered Architect, dated March 22, 2020.

The requisite application fee was previously submitted and paid to the County as evidenced by the enclosed receipt.

¹ Applicant will supplement this Application to supplement vesting deeds for Parcels 1 and 6.

I appreciate consideration of this request for an amendment to the Comprehensive Land Use Map. Please do not hesitate to contact me with any questions or request for additional information or documentation.

Sincerely,

R. Kyle Williams

Encl.

WARRANTY DEED

STATE OF GEORGIA COUNTY OF DEKALB

THIS INDENTURE, Made the 19th day of December, in the year Two Thousand Three, between

Regions Bank

of the County of Dekalb, and the State of Georgia, as party or parties of the first part, hereinafter called Grantor, and

Farida Ahmad

as party or parties of the second part, hereinafter called Grantee (the words "Grantor" and "Grantee" to include their respective heirs, successors and assigns where the context requires or permits).

WITNESSETH THAT: GRANTOR, for and in consideration of the sum of TEN AND NO/100 (\$10.00) DOLLARS in hand paid at and before the sealing and delivery of these presents, the receipt whereof is hereby acknowledged, has granted, bargained, sold, aliened, conveyed and confirmed, and by these presents does grant, bargain, sell, alien, convey and confirm unto the said grantee,

All that tract or parcel of land lying and being in Land Lot 11 of the 18th District, Dekalb County, Georgia, being Lot 4, Memorock, as per plat recorded in Plat Book 29, Page 45, Dekalb County, Georgia records, which plat is hereby referred to and made a part of this description, being improved property having a house thereon known as 3611 Rockbridge Road, according to the present system of numbering houses in Dekalb County, Georgia, and being more particularly shown on survey prepared by Georgia Land Surveying Co., Inc. dated November 15, 1989.

This conveyance is made subject to all easements, covenants and restrictions of record.

TO HAVE AND TO HOLD the said tract or parcel of land, with all and singular the rights, members and appurtenances thereof, to the same being, belonging, or in anyway appertaining, to the only proper use, benefit and behoof of the said Grantee forever in FEE SIMPLE.

AND THE SAID Grantor will warrant and forever defend the right and title to the above described property unto the said Grantee against the claims of all persons whomsoever.

IN WITNESS WHEREOF, the Grantor has signed and sealed this deed, the day and year above written. Signed, sealed and delivered in the presence of:

DEKALB COUNTY, GA.

QUIT CLAIM DEED

THIS INDENTURE made this 20th day of Aug 1993, by and between **WILLIAM B. CORBIN**, party or parties of the first part, hereinafter referred to as "Grantor", and

WILLIAM B. CORBIN, TRUSTEE OF THE WILLIAM BOGGS CORBIN TRUST, party or parties of the second part hereinafter referred to as "Grantee", the words "Grantor" and "Grantee" to include the neuter, masculine and feminine genders, the singular and the plural;

WITNESSETH:

FOR AND IN CONSIDERATION of the sum of One Dollar and other good and valuable consideration delivered to Grantor by Grantee at and before the execution, sealing and delivery hereof, the receipt and sufficiency of which is hereby acknowledged, the Grantor has and hereby does remise, release, convey and forever quitclaim unto Grantee and the heirs, legal representatives, successors and assigns of Grantee,

All that tract and parcel of land lying and being in Land Lot 11 of the 18th District, of DeKalb County, Georgia, being known as Lot 2, according to Plat of MEMOROCK SUBDIVISION, recorded in Plat Book 29, page 45, DeKalb County, Georgia Records, and being more particularly described as follows:

TO ARRIVE AT THE TRUE POINT OF BEGINNING, Begin at a point formed by the intersection of the southeasterly side of Rockbridge Road and the Southwesterly side of Collingwood Drive; and run thence Southwesterly along the southeasterly side of Rockbridge Road, 1595.5 feet to a point where the right-of-way of Rockbridge Road widens; thence South 10 feet to a point on the South side of the right-of-way of Rockbridge Road, as widened; thence continuing Westerly and Northwesterly along the southerly and Southwesterly side of the right-of-way of Rockbridge Road and following the curvature thereof 865 feet to THE TRUE POINT OF BEGINNING; thence Northwesterly along the Southwesterly side of Rockbridge Road, 80 feet to a point; thence southerly 259.5 feet to a point; thence Southeast 88.1 feet to a point; thence Northerly 293.8 feet to the Southwesterly side of Rockbridge Road at the point of beginning.

TOGETHER WITH ALL THE RIGHTS, members and appurtenances to said described premises in anywise appertaining or belonging.

TO HAVE AND TO HOLD said tract or parcel of land in order that neither the Grantor nor any person claiming under Grantor shall at any time, by any means or ways, have, claim or demand any right or title to said land or any of the rights, members and appurtenances thereof.

IN WITNESS WHEREOF, the Grantor has signed and sealed this deed, the day and year first above written.

signed, Sealed and Delivered in the presence of:

Rushy C. Cuthalak
(UNOFFICIAL WITNESS)

Wm. Boggs Corbin (Seal)
