

**Public Hearing:** YES  NO

**Department:** Planning & Sustainability

**SUBJECT:**

**COMMISSION DISTRICT(S):** Commission District 04 Super District 07

**Application of Battle Law, PC for a Special Land Use Permit (SLUP) to develop senior housing cottages within the RSM (Residential Small Lot Mix) District, at 373 Stone Mountain-Lithonia Road.**

**PETITION NO:** N16. SLUP-22-1245692 (2022-1484)

**PROPOSED USE:** Senior housing cottages.

**LOCATION:** 373 Stone Mountain-Lithonia Road, Stone Mountain, Georgia 30088

**PARCEL NO. :** 18-037-05-003, 18-037-05-004

**INFO. CONTACT:** Melora Furman, Sr. Planner

**PHONE NUMBER:** 404-371-2155

**PURPOSE:**

Application of Battle Law, PC for a Special Land Use Permit (SLUP) to develop senior housing cottages within the RSM (Residential Small Lot Mix) District. The property is located on the southeast corner of Stone Mountain Lithonia Road and Carriage Walk Way, at 373 and 399 Stone Mountain Lithonia Road, Stone Mountain, Georgia. The property has approximately 512 feet of frontage on Stone Mountain Lithonia Road and 463 feet along Carriage Walk Way and contains 4.34 acres.

**RECOMMENDATIONS:**

**COMMUNITY COUNCIL:** Approval.

**PLANNING COMMISSION:** Pending.

**PLANNING STAFF:** Approval with Conditions.

**STAFF ANALYSIS:** The Comprehensive Plan Update acknowledges that the senior population of DeKalb County is increasing, and it calls for provision of more housing for seniors. Housing Policy No. 6 states, “Encourage housing for the elderly that is well planned, soundly financed and located within a pedestrian friendly, residential community.” The subject property is not located within the “pedestrian friendly, residential community” contemplated by this policy, but it is located closer to amenities and services than if it were located within the heart of one of the low-density single-family residential neighborhoods that are typical of southeastern DeKalb County. In the future, DeKalb County might remedy the lack of pedestrian infrastructure along the public streets and at the North Stone Mountain Lithonia Road-Rockbridge Road intersection by installing wider sidewalks, pedestrian crossings, refuge medians, bump-outs, or other pedestrian infrastructure. The steady growth in the senior population indicates a continuing need for new senior housing and supports approval of the application under consideration. The cottage development form was conceptualized with seniors in mind, as they often seek a sense of community provided by the cottage layout to avoid isolation and provide a sense of security and support. At the same time, the proposed development would be compatible with adjoining properties via a thickly-planted vegetative buffer along the east side of the site. Comments from reviewing departments, divisions, and agencies indicate that the proposed development is not expected to be excessively burdensome on existing streets, transportation facilities, utilities, or schools. Therefore, the Department of Planning and Sustainability recommends “Approval” with conditions.

**PLANNING COMMISSION VOTE: Pending.**

**COMMUNITY COUNCIL VOTE/RECOMMENDATION: Approval 10-0-0.**

## **CONDITIONS**

SLUP-22-1245692

### **Special Land Use Permit for Senior Housing**

1. The development shall be in substantial conformity to the site plan titled, “Zoning Plan for Stone Mountain Lithonia Road Tract”, prepared by Alliance and dated 8/11/2022, except that the underground detention facility shall be engineered and located to provide minimal risk of impacting the adjoining property to the north, subject to approval by staff of the Land Development Division.
2. A dog waste disposal station shall be provided in the Dog Walk Park.
3. The approval of this rezoning application by the Board of Commissioners has no bearing on other approvals by the Zoning Board of Appeals or other authority, whose decision should be based on the merits of the application before said authority.

**DeKalb County Department of Planning & Sustainability**

**178 Sams Street  
Decatur, GA 30030**

**(404) 371-2155 / [www.dekalbcountyga.gov/planning](http://www.dekalbcountyga.gov/planning)**

**Planning Commission Hearing Date: May 3, 2022, 5:30 P.M.  
Board of Commissioners Hearing Date: May 26, 2022, 5:30 P.M.**

**STAFF ANALYSIS**

**Case No.:** SLUP-22-1245692 **Agenda #:** N. 16

**Location/Address:** 373 & 399 Stone Mountain Lithonia Road, Stone Mountain, Georgia **Commission District:** 4 **Super District:** 7

**Parcel ID(s):** 18-037-05-003 & -004

**Request:** Special Land Use Permit to allow a 26-unit senior housing community.

**Property Owner(s):** Dawn Group, LLC

**Applicant/Agent:** Battle Law, PC

**Acreage:** 4.34 acres

**Existing Land Use:** Undeveloped, wooded.

**Surrounding Properties:** To the north, northeast, east, southeast, south, southwest, and west: single-family residential (zoned R-75). To the northwest: single-family attached (zoned MR-2).

**Comprehensive Plan:** SUB (Suburban)  Consistent  Inconsistent

<b>Proposed Density:</b> 5.99 units/acre	<b>Existing Density:</b> N.A. (undeveloped)
<b>Proposed Units:</b> 26	<b>Existing Units:</b> N.A. (undeveloped)

**Companion Application:** The applicant has filed a companion application (Z-22-1245558) to rezone the property from R-100 to RSM to allow development of a cottage-style development.

**Zoning History:** Based on DeKalb County records, it appears that the R-100 zoning of the property has not changed since adoption of the first zoning ordinance and map in 1956.

**SITE AND AREA ANALYSIS**

The subject property is comprised of two parcels that total 4.34 acres on the southeast corner of Stone Mountain Lithonia Road, a major arterial with an adjoining railroad track, and Carriage Walk Way, a local cul-de-sac street. The property is located approximately 880 feet north of the intersection of Stone Mountain Lithonia Road with Rockbridge Road, and approximately 1,117 feet from Wade Walker Park, which is located on the southwest corner of the intersection.

The buildable area of the development site is approximately 6 feet above the grade of the adjoining sidewalk along Stone Mountain Lithonia Road. The center of the site is relatively level, but the topography slopes downward on the edges of the site towards the northeast, where the adjoining property is developed with a

single-family home, and the southwest, where the property adjoins Stone Mountain Lithonia Road. The property is heavily wooded.

The surrounding area is predominantly residential. Properties to the north, east, and west, are developed for single-family homes and are zoned either R-100 or RSM. The adjoining property to the east, as well as properties across Carriage Walk Way, are zoned R-100 and are developed with single-family homes. The adjoining property to the south is used for an office although it is zoned R-100. The next adjoining properties on the east side of Stone Mountain Lithonia Road are part of a commercial node at the intersection of Stone Mountain Lithonia Road with Rockbridge Road. Commercial uses in this node include a Family Dollar store and the Rockbridge Place shopping center, which contains a grocery store and pharmacy. A four-story, 120-unit, senior housing development called *Harmony at Stone Mountain* is located behind the commercial uses that front on the northeast corner of the intersection. *Harmony at Stone Mountain* was approved in 2020 pursuant to CZ-10-1243605. Wade Walker Park is located at the southwest corner of the intersection.

Pedestrian connections from the subject property to the commercial node at Stone Mountain Lithonia Road and Rockbridge Road are fair. Five- to six-foot sidewalks are located along both North Stone Mountain Lithonia Road and Rockbridge Road, and provide access between the subject property, the intersection, and Wade Walker Park. However, there is no landscape strip between the sidewalk and curb that would buffer pedestrians from traffic along these busy streets, and the sidewalk is interrupted in numerous locations by wide curb cuts that allow vehicular access to non-residential uses. The curb cuts do not have demarcated pedestrian crossings. Thus, the sidewalks and intersection allow but do not encourage walking from the subject property to surrounding amenities and services. This is a heightened problem for seniors who may no longer drive and who need more time to cross intersections than younger pedestrians. Possible future County improvements to the pedestrian infrastructure might alleviate these problems.

**PROJECT DESCRIPTION**

The proposal under consideration is for a 23-unit cottage-style development with detached, one-story homes laid out around a central green space. The homes are on individual lots and face the central green space. The walkways from the front of each home lead to a path that winds its way around the central green space. A 20-foot wide private drive with street parking on its outer side circles around the perimeter of the development site and provides vehicular access to driveways at the rear of each home. Underground detention is located at the east side of the development site. In addition to the circular path, the green space is enhanced with a clubhouse and a community garden. A dog walk park is located at the southeast corner of the site. A decorative fence is proposed along both adjoining streets; it would be set back more than 10 feet from the property lines in a landscaped strip located along both streets and would be partially screened by plants in the landscape strip.

**Compliance with District Standards**

RSM STANDARD	REQUIRED/ALLOWED	PROVIDED/PROPOSED	COMPLIANCE
MAX. D.U.s/ACRE (BASE & W/BONUSES)	Base: 4 units/acre; With bonuses: 8 units/acre	5.30 units/acre	Yes, with bonuses
DENSITY BONUSES	Amenity Proximity = add'l. 20% units for each amenity	Grocery store w/in ¼ mile = add'l. .8 units; Park w/in ¼ mile – add'l. .8 units	Yes (4 + .8 + .8 = 5.6 units/acre)

RSM STANDARD		REQUIRED/ALLOWED	PROVIDED/PROPOSED	COMPLIANCE
MIN. OPEN SPACE (Applicable if project is > 5 ac. or $\geq$ 36 d.u.s)		Not applicable	Not applicable	Not applicable
MIN. TRANSITIONAL BUFFER		20 ft. adjacent to R districts on east and south sides of site	East side: 20 ft. graded and replanted buffer  South side: 0 ft.	Yes  Applicant intends to apply for variance
MIN. LOT AREA		2,000 square feet	2,000 square feet	Yes
MIN. LOT WIDTH		25 feet	35 feet (typical)	Yes
MAX. LOT COVERAGE		50% per lot	50%	Yes
BUILDING SETBACKS	FRONT	Min. 20 feet	Approximately 60 – 65 feet	Yes
	INTERIOR SIDE	3 feet w/ min. 10 feet between buildings	Superseded by transitional buffer	N.A.
	SIDE – CORNER LOT	Same as front setback	Approximately 80 feet	Yes
	REAR W/O ALLEY	20 feet	Superseded by transitional buffer	Yes
MINIMUM UNIT SIZE/MAX. BUILDING FOOTPRINT		800 square feet/800 square feet	800 square feet/1,000 square feet	Applicant intends to apply for variance from max. building footprint
MAX. BLDG. HEIGHT		2 stories and 35 ft.	One story and 35 feet	Yes
STREETSCAPING – Carriage Walk Way		6 foot landscape strip back of curb, 5 foot sidewalk, street trees every 30 ft., light poles every 100 feet max	6 foot landscape strip back of curb, 5 foot sidewalk, street trees and light poles not shown	Yes; street trees and light poles must comply or variances will be necessary
STREETSCAPING – Stone Mountain Lithonia Road		6 foot landscape strip back of curb, 10 foot sidewalk, street trees every 50 ft., light poles every 80 feet max	20-foot wide landscape strip next to existing sidewalk	Variances will be necessary.
PARKING		Min. 2 /unit = 46 spaces; Max. 4 /unit = 92 spaces	2 spaces (in driveway) + 25 visitor spaces = 71 spaces	Yes
RETAINING WALLS AT NORTHEAST AND SOUTHWEST CORNERS OF SITE		Max. 6 feet high if not tiered or max. 12 feet high if tiered	10 feet high, not tiered	The walls must be tiered or a variance will be required.

RSM STANDARD	REQUIRED/ALLOWED	PROVIDED/PROPOSED	COMPLIANCE
DECORATIVE FENCE	Up to 6 ft. along a street; up to 8 ft. along interior property lines	6ft. adjoining Carriage Walk Way; 6 ft. adjoining Stone Mt. Lithonia Road	Yes

**LAND USE AND ZONING ANALYSIS**

**Sec. 7.4.6. Special land use permit; criteria to be considered.**

The following criteria shall be considered by the planning department, the planning commission, and the board of commissioners in evaluating and deciding any application for a special land use permit. The board of commissioners shall use the following criteria in making a decision regarding approval or disapproval of a special land use permit application:

- A. Adequacy of the size of the site for the use contemplated and whether or not adequate land area is available for the proposed use including provision of all required yards, open space, off-street parking, transitional buffer zones, and all other applicable requirements of the zoning district in which the use is proposed to be located.**

The site is adequate for the proposed development. No variances to reduce yards, transitional buffers, open space, or parking are requested.

- B. Compatibility of the proposed use with adjacent properties and land uses and with other properties and land uses in the district, and whether the proposed use will create adverse impacts upon any adjoining land use by reason of traffic volume/congestion, noise, smoke, odor, dust, or vibration generated by the proposed use.**

As a single-family residential land use with a relatively low density, the proposed development would be compatible with the land uses on adjacent and nearby properties. No adverse impacts on adjoining land uses are expected.

- C. Adequacy of public services, public (or private) facilities, and utilities to serve the proposed use.**

Comments from reviewing departments, divisions, and agencies indicate that the proposed development is not expected to be excessively burdensome on existing streets, transportation facilities, utilities, or schools.

- D. Adequacy of the public street on which the use is proposed to be located and whether or not there is sufficient traffic-carrying capacity for the use proposed so as not to unduly increase traffic and create congestion in the area.**

Comments from the Traffic Engineering Division indicate that Stone Mountain Lithonia Road has sufficient traffic-carrying capacity for the proposed development.

- E. Adequacy of ingress and egress to the subject property and to all proposed buildings, structures, and uses thereon, with particular reference to pedestrian and automotive safety and convenience, traffic flow and control, and access in the event of fire or other emergency.**

The entrance from Carriage Walk Way and the internal private drive would provide satisfactory vehicular circulation to ensure pedestrian and automotive safety, good traffic flow and control, and satisfactory access by public safety and emergency vehicles.

- F. Whether the proposed use will create adverse impacts upon any adjoining land use by reason of the manner and hours of operation of the proposed use.**

The proposed development would be no different in terms of operational characteristics than a typical single-family residential subdivision, and, as a result, is not expected to have adverse impacts on adjoining land uses.

**G. Whether the proposed use is otherwise consistent with the requirements of the zoning district classification in which the use is proposed to be located.**

The applicant expects to apply for variances for non-compliance with any requirements of the RSM district.

**H. Whether the proposed use is consistent with, advances, conflicts, or detracts from the policies of the comprehensive plan.**

The proposal is generally consistent with the applicable policy of the 2035 Comprehensive Plan regarding provision of senior housing. The Comprehensive Plan recognizes that the senior population of DeKalb County is increasing, and it calls for provision of more housing for seniors. Housing Policy No. 6 states, "Encourage housing for the elderly that is well planned, soundly financed and located within a pedestrian friendly, residential community." The subject property is not located within the "pedestrian friendly", residential community contemplated by this policy, but it is located closer to amenities and services than if it were located within the heart of one of the low-density single-family residential neighborhoods that are typical of southeastern DeKalb County. In the future, DeKalb County may remedy the lack of pedestrian infrastructure along Stone Mountain Lithonia Road and at its intersection with Rockbridge Road by installing wider sidewalks, pedestrian crossings, refuge medians, bump-outs, or other pedestrian infrastructure.

**I. Whether there is adequate provision of refuse and service areas.**

The internal circulation system appears to be adequate to accommodate a garbage truck that would pick up refuse on a regular basis.

**J. Whether the length of time for which the special land use permit is granted should be limited in duration.**

As the proposed development is suitable at the subject property, there is no reason to limit the duration of the requested special land use permit.

**K. Whether the size, scale and massing of proposed buildings are appropriate in relation to the size of the subject property and in relation to the size, scale and massing of adjacent and nearby lots and buildings; and whether the proposed use will create any shadow impact on any adjoining lot or building as a result of the proposed building height.**

The proposed homes would be one story high and the development would be screened from the adjoining residential property by a transitional buffer planted with trees; thus the size, scale and massing of proposed buildings are appropriate in relation to the size, scale and massing of the home on the adjacent lot. The homes would be smaller in size and scale than those on the properties across Carriage Walk Way and, because of the landscape strip along the front of the property, would not be visually connected to the homes along Carriage Walk Way.

**L. Whether the proposed use will adversely affect historic buildings, sites, districts, or archaeological resources.**

**M. No historic buildings, sites, districts, or archaeological resources are located on the property or in the surrounding area.**

**N. Whether the proposed use satisfies the requirements contained within the supplemental regulations for such special land use permit.**

The proposed development satisfies the supplemental regulations for a senior housing development.

**SUPPLEMENTAL REGULATIONS: Sec. 4.2.46. - Senior housing: independent and assisted living, nursing, and continuing care.**

- A. Primary uses: Senior housing facilities shall include either independent living units or assisted living units, or both. The independent living units may be either single-family (detached) residences or multi-family (attached) residences.

The proposed senior housing facility will be comprised of detached units for independent living in a cottage-style, single-family residential subdivision.

- B. Accessory uses: Senior housing facilities shall include one (1) or more of the following accessory uses:

1. Ancillary clinics, personal service, retail (e.g., pharmacy, hair salon, medical offices).
2. Central kitchen and dining facility.
3. Recreation and amenities.
4. Building/clubhouse for classes, meetings, concerts, storytelling, etc.
5. Adult day care.

The facility is proposed to have recreational facilities and amenities in the form of a central green space and the dog walk park. It will have a club house in which classes, meeting, and other events may be held. .

- C. The maximum number of unrelated residents living independently (not requiring personal care) and at age fifty-five (55) or older allowed in an independent living unit is one (1) per bedroom.

The application indicates that the development will comply with this regulation.

- D. Height standards: A senior living facility in which all of the occupied units are occupied by at least one senior aged fifty-five (55) or older is authorized up to ten (10) stories without a height SLUP in HR, MU-3, MU-4, and MU-5 zoning districts, subject to transitional height plane regulations in Article 5.

The proposed homes would be one story in height.

- E. Accessibility standards: All senior housing shall incorporate accessibility standards that meet certification requirements for easy living or universal design and/or include all of the following minimum features:

1. At least one (1) step free entrance to the main floor at either the front or side of the structure; if only one (1) is provided, it shall not be from a patio or raised deck.
2. Main floor of each unit shall include a kitchen, entertaining area, and master bedroom with full bathroom.
3. Every door on the main floor shall provide a minimum width of thirty-four (34) inches of clear passage.
4. Blocking shall be installed in the master bath around toilet, tub, and shower for placement or future placement of grab bars.

The floor plans submitted by the applicant indicate that the homes will comply with these regulations. Compliance will be checked during review of the site plan and floor plans that are required for the land disturbance permit and the building permits.

**F. Assisted living, nursing and continuing care facilities shall provide the following:**

**1. Primary and secondary support services: Approval for assisted living, nursing or continuing care facilities shall not be granted without documentation of provisions for the following primary and secondary services:**

**a. Primary services: on-site dining facility, twenty-four-hour on-call medical services, on-site licensed practical nurse, on-call registered nurse, linen and housekeeping services, and transportation services.**

**b. Secondary services: physical therapy, medication administration program, care technician services (clothes changing, bathing, etc.), on-site personal care (barber, beauty salon), fitness center, library.**

**c. Access to outdoor seating and walking areas shall be provided as part of every assisted living, nursing or continuing care facility.**

As the proposed facility is not an assisted living, nursing, or a continuing care facility, these requirements are not applicable.

**G. A senior housing facility shall only be approved after consideration of the use permit criteria, found in Article 7 and after consideration of the following:**

**1. Proximity and pedestrian access to retail services and public amenities.**

**2. Transportation alternatives.**

**3. Integration into existing neighborhoods through connectivity and site design.**

**4. Diverse housing types.**

**5. Site and building design that encourages social interaction.**

**6. Building design that meets easy living standards.**

For items 1-4, please refer to standards and factors A-C. The central green shown on the site plan would encourage social interaction. The applicant has stated that the development will meet Item G(6).

**H. In addition, in consideration of the special land use permit or special administrative permit for a senior housing facility, the following criteria shall be evaluated based on the degree to which these elements provide transition from the proposed project to adjacent existing development:**

**1. Building height.**

**2. Landscaping.**

**3. Maximum lot coverage.**

**4. Setbacks from exterior property lines.**

**5. Site size.**

**6. Access to thoroughfare.**

See OCGA standard D and the Compliance With District Standards chart, above. The property has access to North Stone Mountain Lithonia Road, a four-lane major arterial, and Rockbridge Road, a four-lane minor arterial.

**STAFF RECOMMENDATION:** APPROVAL WITH CONDITIONS

The Comprehensive Plan Update acknowledges that the senior population of DeKalb County is increasing, and it calls for provision of more housing for seniors. Housing Policy No. 6 states, “Encourage housing for the elderly that is well planned, soundly financed and located within a pedestrian friendly, residential community.” The subject property is not located within the “pedestrian friendly, residential community” contemplated by this policy, but it is located closer to amenities and services than if it were located within the heart of one of the low-density single-family residential neighborhoods that are typical of southeastern DeKalb County. In the future, DeKalb County might remedy the lack of pedestrian infrastructure along the public streets and at the North Stone Mountain Lithonia Road-Rockbridge Road intersection by installing wider sidewalks, pedestrian crossings, refuge medians, bump-outs, or other pedestrian infrastructure.

The steady growth in the senior population indicates a continuing need for new senior housing and supports approval of the application under consideration. The cottage development form was conceptualized with seniors in mind, as they often seek a sense of community provided by the cottage layout to avoid isolation and provide a sense of security and support. At the same time, the proposed development would be compatible with adjoining properties via a thickly-planted vegetative buffer along the east side of the site. Comments from reviewing departments, divisions, and agencies indicate that the proposed development is not expected to be excessively burdensome on existing streets, transportation facilities, utilities, or schools. Therefore, the Department of Planning and Sustainability recommends “Approval” with the following conditions:

1. The development shall be in substantial conformity to the site plan titled, “Zoning Plan for Stone Mountain Lithonia Road Tract”, prepared by Alliance and dated 8/11/2022, except that the underground detention facility shall be engineered and located to provide minimal risk of impacting the adjoining property to the north, subject to approval by staff of the Land Development Division.
2. A dog waste disposal station shall be provided in the Dog Walk Park.
3. The approval of this rezoning application by the Board of Commissioners has no bearing on other approvals by the Zoning Board of Appeals or other authority, whose decision should be based on the merits of the application before said authority.

## NEXT STEPS

*Following an approval of this zoning action, one or several of the following may be required:*

- **Land Disturbance Permit** *(Required for of new building construction on non-residential properties, or land disturbance/improvement such as storm water detention, paving, digging, or landscaping.)*
- **Building Permit** *(New construction or renovation of a building (interior or exterior) may require full plan submittal or other documentation. Zoning, site development, watershed and health department standards will be checked for compliance.)*
- **Certificate of Occupancy** *(Required prior to occupation of a commercial or residential space and for use of property for a business. Floor plans may be required for certain types of occupants.)*
- **Plat Approval** *(Required if any parcel is being subdivided, re-parceled, or combined. Issued “administratively”; no public hearing required.)*
- **Sketch Plat Approval** *(Required for the subdivision of property into three lots or more. Requires a public hearing by the Planning Commission.)*
- **Overlay Review** *(Required review of development and building plans for all new construction or exterior modification of building(s) located within a designated overlay district.)*
- **Historic Preservation** *(A Certificate of Appropriateness is required for any proposed changes to building exteriors or improvements to land when located within the Druid Hills or the Soapstone Geological Historic Districts. Historic Preservation Committee public hearing may be required.)*
- **Variance** *(Required to seek relief from any development standards of the Zoning Ordinance. A public hearing and action by the Board of Appeals are required for most variances.)*
- **Minor Modification** *(Required if there are any proposed minor changes to zoning conditions that were approved by the Board of Commissioners. The review is administrative if the changes are determined to be minor as described by Zoning Code.)*
- **Major Modification** *(Required submittal of a complete zoning application for a public hearing if there are any proposed major changes to zoning conditions that were approved by the Board of Commissioner for a prior rezoning.)*
- **Business License** *(Required for any business or non-residential enterprise operating in Unincorporated DeKalb County, including in-home occupations).*
- **Alcohol License** *(Required permit to sell alcohol for consumption on-site or packaged for off-site consumption. Signed and sealed distance survey is required. Background checks will be performed.)*

**Each of the approvals and permits listed above requires submittal of application and supporting documents, and payment of fees. Please consult with the appropriate department/division.**

## **Comments – Public Works Transportation Division**

### **Z-22-124558 & SLUP-22-1245692, 373 Stone Mountain Lithonia Road**

- South Stone Mountain Lithonia Road is classified as major arterial.
- Please see Zoning Code 5.4.3 and Land Development Code 14-190 for infrastructure improvements.
- Required right of way dedication of 50 feet from centerline or such that all public infrastructure is within right of way, whichever greater. Required: 6-foot sidewalk and 4-foot bike lane OR a 10-foot multiuse path (preferred), 10-foot landscape strip (see Zoning 5.4.3 for options), pedestrian scale street lighting (contact: [heftowler@dekalbcountyga.gov](mailto:heftowler@dekalbcountyga.gov)).
- Carriage Walk Way is classified as a local road. Improvements are required to bring the development's side of the road (from centerline of road) up to current standards. Required right of way dedication of 27.5 feet from centerline. Right of way dedication may impact lot size, set back requirements and lot yield.
- Required: 5-foot sidewalk 6-foot landscape strip (see Zoning 5.4.3 for options), pedestrian scale street lighting (contact: [hefowler@dekalbcountyga.gov](mailto:hefowler@dekalbcountyga.gov)). Interior streets must be private.

Please provide additional information relating to the following statement.

According to studies conducted by the Institute of Traffic Engineers (ITE) 6/7<sup>TH</sup> Edition (whichever is applicable), churches generate an average of fifteen (15) vehicle trip end (VTE) per 1, 000 square feet of floor area, with an eight (8%) percent peak hour factor. Based on the above formula, the \_\_\_\_\_ square foot place of worship building would generate \_\_\_\_\_ vehicle trip ends, with approximately \_\_\_\_\_ peak hour vehicle trip ends.

Single Family residence, on the other hand, would generate ten (10) VTE's per day per dwelling unit, with a ten (10%) percent peak hour factor. Based on the above referenced formula, the \_\_\_\_\_ (Single Family Residential) District designation which allows a maximum of \_\_\_\_\_ units per acres, and the given fact that the project site is approximately \_\_\_\_\_ acres in land area, \_\_\_\_\_ daily vehicle trip end, and \_\_\_\_\_ peak hour vehicle trip end would be generated with residential development of the parcel.

COMMENTS:

<u>Plans and field reviewed, no problem that would interfere with Traffic flow.</u>

## DEKALB COUNTY GOVERNMENT PLANNING DEPARTMENT DISTRIBUTION FORM

The following areas below may warrant comments from the Development Division. Please respond accordingly as the issues relate to the proposed request and the site plan enclosed as it relates to Chapter 14. You may address applicable disciplines.

### DEVELOPMENT ANALYSIS:

- **Storm Water Management**

Compliance with the Georgia Stormwater Management Manual, DeKalb County Code of Ordinances 14-40 for Stormwater Management and 14-42 for Storm Water Quality Control **(sections have been amended recently; please request the amended chapter)**, to include Runoff Reduction Volume where applicable is required as a condition of land development permit approval. Use Volume Three of the G.S.M.M. for best maintenance practices. Use the NOAA Atlas 14 Point Precipitation Data set specific to the site. Recommend Low Impact Development features/ Green Infrastructure be included in the proposed site design to protect as much as practicable the statewaters and special flood hazard areas.

**There are concerns related to the discharge point of the stormwater mgt facility. Consideration must be given as to where the discharge pipe from the facility is directed as to not create adverse effects.**

**Runoff Reduction Volume shall be provided, unless technical justification is provided as to the unfeasibility. Strongly recommend to investigate the site and identify location where RRv can be provided and re-design/revise the layout to comply with the RRv requirement.**

- **Flood Hazard Area/Wetlands**

The presence of FEMA Flood Hazard Area **was not** indicated in the County G.I.S. mapping records for the site; and should be noted in the plans at the time of any land development permit application. Encroachment of flood hazard areas require compliance with Article IV of Chapter 14 and FEMA floodplain regulations

- **Landscaping/Tree Preservation**

Landscaping and tree preservation plans for any building, or parking lot must comply with DeKalb County Code of Ordinances 14-39 as well as Chapter 27 Article 5 and are subject to approval from the County Arborist.

# DeKalb County Department of Planning & Sustainability

Lee May  
Interim Chief Executive Officer

Andrew Baker  
Director

## **SPECIAL LAND USE PERMIT APPLICATION CHECKLIST** (SUBMIT 4 COMPLETE, COLLATED SETS OF APPLICATION DOCUMENTS)

- \_\_\_\_\_ 1. Mandatory **Pre-Application Conference** with Planning & Sustainability staff. **Pre-Application form** to be completed in pre-application meeting. Please call (404) 371-2155 to schedule pre-app conference.
- \_\_\_\_\_ 2. Hold a **Community Meeting** with surrounding neighborhood associations and residents. Notify staff in advance of date, time, and location of meeting. **Provide documentation** (e.g., meeting notice, sign-in sheets, letter(s) from homeowners associations).
- \_\_\_\_\_ 3. **Application Form**. Form must be completely filled out and be the first page of packet.
- \_\_\_\_\_ 4. Notarized **Authorization Form**, if the applicant is not the owner of the subject property, which
  - \_\_\_\_\_ a. is signed and notarized by all owners of the subject property;
  - \_\_\_\_\_ b. contains the mailing address and phone number of any applicant or agent who is authorized to represent the owner(s) of the subject property; and
  - \_\_\_\_\_ c. includes a warranty deed, if ownership is less than 2 consecutive years.
- \_\_\_\_\_ 5. **Written Legal Description** of subject property, in metes and bounds.
- \_\_\_\_\_ 6. **Boundary Survey** (showing existing buildings, structures, and improvements), prepared and sealed within the past ten years by a professional engineer, or land surveyor registered in the State of Georgia and is consistent with the plat(s) on Official Tax Record. Applicant shall certify that the Boundary Survey is complete and currently accurate. **Site plans shall be drawn to scale** showing all proposed development or redevelopment projects, proposed buildings, structures, and improvements. Site plans must include the following:
  - \_\_\_\_\_ a. Complete boundaries of subject property including curb cuts, internal vehicular circulation facilities, and sidewalks;
  - \_\_\_\_\_ b. Location of buildings, structures, setback lines, buffer lines, and parking;
  - \_\_\_\_\_ c. Location of any 100-year floodplains, streams, and stream buffer lines;
  - \_\_\_\_\_ d. Notation of the total acreage or square footage of the subject property;
  - \_\_\_\_\_ e. Landscaping, trees, open space, and undisturbed buffers;
  - \_\_\_\_\_ f. Notation of building square footages and heights, residential density calculations, existing and proposed lot coverage, required and proposed parking, and open space calculations;
  - \_\_\_\_\_ g. Four copies of site plans:
    1. Full-size site plans (at least 11" x 17"): 4 copies, folded.
    2. Site plan reduced to 8 ½" x 11". 4 copies
- \_\_\_\_\_ 7. **Building Elevations**, renderings or details of materials proposed for compliance to Article 5.
- \_\_\_\_\_ 8. **Letter of Application** identifying the proposed zoning classification, the reason for the rezoning request, the existing and proposed use of the property, and detailed characteristics of the proposed use (e.g., floor area, height of buildings, number of units, mix of unit types, hours of operation, etc. Include any statement of conditions agreed upon by the applicant.
- \_\_\_\_\_ 9. Written documented, detailed analysis of the impact of the proposed zoning map amendment with respect to each of the standards and factors specified in Article 7.4.
- \_\_\_\_\_ 10. Campaign disclosure statement, if applicable, to be filed in compliance with State law.
- \_\_\_\_\_ 11. **Application fee - \$400.00**. Payable to DeKalb County.

### **INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED**

**If subject property is made up of parcels located on opposite sides of a public street, a separate application is required for each parcel.**

Linda Carter  
Clerk of Superior Court DeKalb Cty, Ga.  
I HEREBY CERTIFY THAT THIS DEED WAS FILED IN DEED BOOK 14075 PAGE 389 ON JANUARY 17, 2003.

**WARRANTY DEED**

STATE OF GEORGIA

COUNTY OF DEKALB

THIS INDENTURE, made the 16 day of December, in the year two thousand two between

**R. L. STEWART**

of the County of DEKALB, and State of GEORGIA, as party or parties of the first part, hereinafter called Grantor, and

**THE DAWN GROUP, L.L.C.**

of the County of DEKALB, and the State of Georgia, as party or parties of the second part, hereinafter called Grantee (the words "Grantor" and "Grantee" to include their respective heirs, successors and assigns where the context requires or permits).

**WITNESSETH THAT:** Grantor, for and in consideration of the sum of **TEN and No/100 (\$10.00) DOLLARS** in hand paid at and before the sealing and delivery of these presents, the receipt whereof is hereby acknowledged, has granted, bargained, sold, aliened, conveyed and confirmed, and by these presents does grant, bargain, sell, alien, convey and confirm unto the said Grantee, the following described property, to wit:

**BEING MORE FULLY DESCRIBED ON EXHIBIT "B" ATTACHED HERETO AND INCORPORATED HEREIN BY REFERENCE.**

**TO HAVE AND TO HOLD** the said described premises to grantee, so that neither grantor nor any person or persons claiming under grantor shall at any time, by any means or ways, have, claim or demand any right or title to said premises or appurtenances, or any rights thereof.

**AND THE SAID** Grantor will warrant and forever defend the right and title to the above described property unto the said Grantee against the claims of all persons whomsoever.

**IN WITNESS WHEREOF**, Grantor has signed and sealed this deed, the day and year above written.

Signed, sealed and delivered in presence of:

  
UNOFFICIAL WITNESS

 (Seal)  
R. L. STEWART

  
NOTARY PUBLIC

**SHIRLEY HILLERY**  
Notary Public, DeKalb County, Georgia  
My Commission Expires August 10, 2008

**EXHIBIT "B"**

**Legal Description**

DISCLOSURE OF CAMPAIGN CONTRIBUTION

In accordance with the Conflict of Interest in Zoning Act, OCGA Chapter 36-67A, the following questions must be answered.

Have you, the applicant, made \$250.00 or more in campaign contribution to a local government official within two years immediately preceding the filling of this application?

Yes \_\_\_\_\_ No x \*

If the answer is yes, you must file a disclosure report with the governing authority of DeKalb County showing:

1. The name and official position of the local government official to whom the campaign contribution was made.
2. The dollar amount and description of each campaign contribution made during the two years immediately preceding the filing of this application and the date of each such contribution.

The disclosure must be filed within 10 days after the application is first filed and must be submitted to the C.E.O. and to the Board of Commissioners of DeKalb County, 1300 Commerce Drive, Decatur, GA 30030.

## **I. LETTER OF INTENT**

The Applicant, Tricycle Development Group, LLC. is seeking to rezone the property located at 373 and 399 Stone Mountain Lithonia Road, being tax parcel nos. 18 037 05 004 and 18 037 05 003 (the “Subject Property”) from R-100 to RSM to allow for a 26-unit senior bungalow community for active adults ages 55 and older. The Subject Property has been marketed for over a decade with no interest in any development as currently zoned. This proposed subdivision is introducing a beautiful product that is new to the area. The proposed senior bungalows, ranging from 800sf – 1,200sf are perfect for seniors seeking to downsize, but wish to remain active in the community. Proposed amenities include a walking trail interior to the site, a dog park, and a clubhouse. The proposed RSM zoning and proposed senior bungalow subdivision are consistent with the suburban (SUB) future land use designation and would be appropriate for the area.

This document is submitted both as a Statement of Intent, analysis of the Special Land Use Permit (SLUP) criteria, and a preservation of the Applicant’s constitutional rights. A surveyed plat and conceptual site plan of the Subject Property controlled by the Applicant has been filed contemporaneously with the Application, along with other required materials.

## **II. SLUP CRITERIA**

*A. Adequacy of the size of the site for the use contemplated and whether or not adequate land area is available for the proposed use including provision of all required yards, open space, off-street parking, and all other applicable requirements of the zoning district in which the use is proposed to be located.*

The Subject Property is perfect for the contemplated use. The Applicant has included a site plan with this Application which shows that all dimensional requirements for this contemplated use have been met under the proposed RSM zoning district.

*B. Compatibility of the proposed use with adjacent properties and land uses and with other properties and land uses in the district.*

The proposed use is compatible with those uses on adjacent properties and those in the district. To the North, West, and East, the Subject Property abuts single-family detached homes. To the South the Subject Property abuts an AutoZone auto parts store. The Applicant proposes twenty-six (26) single-family detached bungalows that would be age-restricted and, therefore, qualify as senior housing.

Senior housing is compatible with the surrounding uses, especially in the way the Applicant has laid out the proposed community. This proposal creates a cohesive walkable cottage community that blends in with the adjacent traditional suburban neighborhood. The proposed community would also be complementary to the senior apartment community currently being developed at the corner of Rockbridge Road and Stone Mountain Lithonia Road.

## Battle Law

*C. Adequacy of public services, public facilities, and utilities to serve the proposed use.*

There Subject Property can connect to both public water and sewer. The Applicant has submit to DeKalb County a Sewer Capacity Letter Request on February 17, 2022.

*D. Adequacy of the public street on which the use is proposed to be located and whether or not there is sufficient traffic-carrying capacity for the use proposed so as not to unduly increase traffic and create congestion in the area.*

The local public street on which this use is proposed feeds into North Stone Mountain Lithonia Road which is classified as a Major Arterial Street by the Georgia Department of Transportation. The proposed use only contemplates twenty-six (26) age restricted senior bungalows. Therefore, the number of trips in and out of the proposed community will be significantly less than what one would typically see in a similarly sized family-oriented development. The combination of the low number of homes, the activity levels of seniors, and the fact that the proposed community is at the intersection of a local street and a Major Arterial Street shows that the streets are more than adequate to support the proposed use.

*E. Whether existing land uses located along access routes to the site will be adversely affected by the character of the vehicles or the volume of traffic generated by the proposed use.*

The existing land uses located along access routes to the Subject Property will not be adversely affected by the character of the vehicles or the volume of traffic generated by the proposed use. The character of vehicle generated by this use would likely be typical, consumer vehicles. Furthermore, the number of trips generated by this proposed use will be low, as seniors are not expected to drive as often as someone younger. Many seniors are retired and do not need to drive to and from work every day whereas a younger resident would.

*F. Adequacy of ingress and egress to the subject property and to all proposed buildings, structures, and uses thereon, with particular reference to pedestrian and automotive safety and convenience, traffic flow and control, and access in the event of fire or other emergency.*

The site plan proposes adequate ingress and egress to the Subject Property and to all proposed buildings, structures, and uses thereon. The International Fire Code was recently updated in January of 2022 to update the number of units that would trigger the requirement for a second entrance into a new development. That update changed the number from thirty (30) units to 120 units. This proposed community falls below even the pre-update number.

*G. Whether the proposed use will create adverse impacts upon any adjoining land use by reason of noise, smoke, odor, dust, or vibration generated by the proposed use.*

The proposed use will not create adverse impacts up on any adjoining land use by reason of noise, smoke, odor, dust, or vibration generated by the proposed use. The Subject Property

## Battle Law

will be used for single-family detached senior housing cottages. This use should be quiet and free of any uses that would result in smoke, odor, dust or vibration.

*H. Whether the proposed use will create adverse impacts upon any adjoining land use by reason of the hours of operation of the proposed use.*

The proposed use will not create adverse impacts upon any adjoining land use by reason of the hours of operation of the proposed use. The Subject Property will not be used for business purposes. So, there are no “hours of operation.” Additionally, there are no amenities on this site that would encourage use into the late hours. The amenities, a walking trail and gazebo, are meant to be used during the day so that the residents might enjoy the weather and get some exercise. Additionally, the property will be managed by an HOA that will operate during normal business hours.

*I. Whether the proposed use will create adverse impacts upon any adjoining land use by reason of the manner of operation of the proposed use.*

The proposed use will not create adverse impacts upon any adjoining land use by reason of the manner of operation of the proposed use. These will be single-family detached homes occupied by senior citizens. The use will be identical to the existing single-family detached homes in the area except the homes on the Subject Property will be occupied solely by seniors.

*J. Whether the proposed use is otherwise consistent with the requirements of the zoning district classification in which the use is proposed to be located.*

The proposed use is consistent with the current requirements of the zoning district classification in which the use is proposed to be located.

*K. Whether the proposed use is consistent with the policies of the comprehensive plan.*

The proposed use is consistent with the senior housing policies set forth in the comprehensive plan to encourage housing for seniors that is well planned, soundly financed and located within a pedestrian friendly, residential community.

*L. Whether the proposed use provides for all required buffer zones and transitional buffer zones where required by the regulations of the zoning district in which the use is proposed to be located.*

The proposed use provides for all required buffer zones and transitional buffer zones where required by the regulations of the zoning district in which the use is proposed to be located.

*M. Whether there is adequate provision of refuse and service areas.*

There are adequate provisions of refuse and service areas.

## Battle Law

*N. Whether the length of time for which the special land use permit is granted should be limited in duration.*

There is no need to limit the length of time for which the special land use permit is granted. Once the use is approved, the senior housing community will be built and continue to exist into the future indefinitely. Therefore, limiting the duration of the SLUP would result in a non-conforming use upon its expiration.

*O. Whether the size, scale and massing of proposed buildings are appropriate in relation to the size of the subject property and in relation to the size, scale and massing of adjacent and nearby lots and buildings.*

The size, scale, and massing of proposed buildings are appropriate in relation to the size of the Subject Property and in relation to the size, scale, and massing of adjacent and nearby lots and buildings.

*P. Whether the proposed use will adversely affect historic buildings, sites, districts, or archaeological resources.*

The proposed use will not adversely affect historic buildings, sites, districts, or archaeological resources. The Subject Property is not located in a historic district and there are no historic buildings or sites nearby.

*Q. Whether the proposed use satisfies the requirements contained within the supplemental regulations for such special land use permit.*

The proposed use satisfies the requirements contained within the supplemental regulations for such SLUP. See the additional analysis following this one that addresses the supplemental regulations for senior housing communities.

*R. Whether the proposed use will create a negative shadow impact on any adjoining lot or building as a result of the proposed building height.*

The proposed use will not create a negative shadow impact on any adjoining lot or building as a result of the proposed building height. The proposed building height is limited to one story.

*S. Whether the proposed use would be consistent with the needs of the neighborhood or the community as a whole, be compatible with the neighborhood, and would not be in conflict with the overall objective of the comprehensive plan.*

The proposed use would be consistent with the needs of the neighborhood or the community as a whole, it would be compatible with the neighborhood, and would not be in conflict with the overall objective of the comprehensive plan. DeKalb County desperately needs

## Battle Law

more diversity in the type of senior housing being offered, particularly in South DeKalb where senior housing has typically been limited to apartment buildings.

### **III. SENIOR HOUSING CRITERIA**

In addition to the SLUP criteria above, certain other criteria apply specifically to new senior-housing developments. Those criteria are listed and addressed in this section below.

#### *1. Proximity and pedestrian access to retail services and public amenities.*

Various kinds of retail and public amenities surround the Subject Property. Rockbridge Plaza is located .30 miles from the Subject Property and has a grocery store, pharmacy, bank and other retail outlets in the center. Wade Walker YMCA and Park is also located within walking distance of the Subject Property. This facility has senior oriented programming. Additionally, the Subject Property is a five (5) minute drive from one of the entrances to Stone Mountain Park.

#### *2. Transportation alternatives.*

There are MARTA buses stop at several locations along North Stone Mountain Lithonia Road and several more along Rockbridge Road SW with the closest stop being 0.3 miles from the Subject Property.

#### *3. Integration into existing neighborhoods through connectivity and site design.*

The proposed use will integrate nicely into the neighborhood. The sole entrance will be off of Carriage Walk Way where other residents are already entering their neighborhood. The senior community will abut a cul-de-sac of the abutting neighborhood and act almost like a second cul-de-sac that is set aside for senior residents while amenities.

#### *4. Diverse housing types.*

The proposed use will introduce a housing type for seniors not currently available in the area. Historically this part of South DeKalb has only provided for affordable senior apartment units.

#### *5. Site and building design that encourages social interaction.*

The site proposes a centralized enhanced open space that includes walking path, a gazebo or club house, a community garden and a dog park. The proposed homes will all face the central open space to provide a shared space that has the feeling of a private community. The homes facing the shared open space also serves as a security measure so that if anybody is hurt while in the shared space, several residents will “have eyes on” the open space.

#### *6. Building design that meets easy living standards.*

## Battle Law

The proposed homes are meant to be small homes that are easy to maintain and easily accessible for seniors. There will be no stepped entrances so that the residents can avoid walking up steps to enter their home, and all units will be one story.

### **IV. ADDITIONAL CRITERIA**

The following criteria are additional criteria that must be considered for senior housing. They are listed and addressed in this section below.

1. *Building height.*

The homes will be one (1) story.

2. *Landscaping.*

All required landscape buffers will be adhered to. All landscaping of buffers and centralized open space will be handled by a mandatory HOA.

3. *Maximum lot coverage.*

The maximum lot coverage will comply with the zoning requirements.

4. *Setbacks from exterior property lines.*

The setbacks will satisfy those required by the zoning district.

5. *Site size.*

The site is +/-189,211sq.ft. or +/- 4.3 acres.

6. *Access to thoroughfare.*

The Subject Property has access to North Stone Mountain Lithonia Road via the ingress/egress onto Carriage Walk Way which in turn access North Stone Mountain Lithonia Road.

### **V. CONCLUSION**

For the foregoing reasons, the Applicant hereby requests that the application for a rezoning from R-100 to RSM and accompanying Special Land Use Permit be approved. The Applicant welcomes any questions and feedback from the planning staff.

## Battle Law

### **VI. NOTICE OF CONSTITUTIONAL ALLEGATIONS AND PRESERVATION OF CONTITUTIONAL RIGHTS**

The portions of the DeKalb County Zoning Ordinance, facially and as applied to the Subject Property, which restrict or classify or may restrict or classify the Subject Property so as to prohibit its development as proposed by the Applicant are or would be unconstitutional in that they would destroy the Applicant's property rights without first paying fair, adequate and just compensation for such rights, in violation of the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States and Article I, Section I, Paragraph I of the Constitution of the State of Georgia of 1983, Article I, Section III, Paragraph I of the Constitution of the State of Georgia of 1983, and would be in violation of the Commerce Clause, Article I, Section 8, Clause 3 of the Constitution of the United States.

The application of the DeKalb County Zoning Ordinance to the Subject Property which restricts its use to any classification other than that proposed by the Applicant is unconstitutional, illegal, null and void, constituting a taking of Applicant's Property in violation of the Just Compensation Clause of the Fifth Amendment to the Constitution of the United States, Article I, Section I, Paragraph I, and Article I, Section III, Paragraph I of the Constitution of the State of Georgia of 1983, and the Equal Protection and Due Process Clauses of the Fourteenth Amendment to the Constitution of the United States denying the Applicant an economically viable use of its land while not substantially advancing legitimate state interests.

A denial of this Application would constitute an arbitrary irrational abuse of discretion and unreasonable use of the zoning power because they bear no substantial relationship to the public health, safety, morality or general welfare of the public and substantially harm the Applicant in violation of the due process and equal protection rights guaranteed by the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States, and Article I, Section I, Paragraph I and Article I, Section III, Paragraph 1 of the Constitution of the State of Georgia.

A refusal by the DeKalb County Board of Commissioners to amend the land use and/or rezone the Subject Property to the classification as requested by the Applicant would be unconstitutional and discriminate in an arbitrary, capricious and unreasonable manner between the Applicant and owners of similarly situated property in violation of Article I, Section I, Paragraph II of the Constitution of the State of Georgia of 1983 and the Equal Protection Clause of the Fourteenth Amendment to the Constitution of the United States. Any rezoning of the Property subject to conditions which are different from the conditions requested by the Applicant, to the extent such different conditions would have the effect of further restricting Applicant's utilization of the property, would also constitute an arbitrary, capricious and discriminatory act in zoning the Subject Property to an unconstitutional classification and would likewise violate each of the provisions of the State and Federal Constitutions set forth hereinabove.

A refusal to allow the land use amendment and/or rezoning in questions would be unjustified from a fact-based standpoint and instead would result only from constituent opposition, which would

## Battle Law

be an unlawful delegation of authority in violation of Article IX, Section II, Paragraph IV of the Georgia Constitution.

A refusal to allow the land use amendment and/or rezoning in question would be invalid inasmuch as it would be denied pursuant to an ordinance which is not in compliance with the Zoning Procedures Law, O.C.G.A Section 36-66/1 et seq., due to the manner in which the Ordinance as a whole and its map(s) have been adopted.

The existing land use designation and/or zoning classification on the Subject Property is unconstitutional as it applies to the Subject Property. This notice is being given to comply with the provisions of O.C.G.A. Section 36-11-1 to afford the County an opportunity to revise the Property to a constitutional classification. If action is not taken by the County to rectify this unconstitutional land use designation and/or zoning classification within a reasonable time, the Applicant is hereby placing the County on notice that it may elect to file a claim in the Superior Court of Fulton County demanding just and adequate compensation under Georgia law for the taking of the Subject Property, diminution of value of the Subject Property, attorney's fees and other damages arising out of the unlawful deprivation of the Applicant's property rights.
