

Public Hearing: YES ☒ NO ☐

Department: Planning & Sustainability

SUBJECT:

COMMISSION DISTRICT(S): Commission District 03 Super District 06

Application of PMZ Developers LLC c/o Battle Law PC to rezone property from Bouldercrest Cedar Grove Moreland Overlay District Tier 5-Corridor1/R-100 (Residential Medium Lot) to RSM (Small Lot Residential Mix) district to allow for single-family detached homes and single-family attached townhomes, at 4101 Bouldercrest Road.

PETITION NO: N3. Z-22-1245544 (2022-1471)

PROPOSED USE: Single-family detached homes; single-family attached townhomes.

LOCATION: 4101 Bouldercrest Road, Ellenwood, Georgia 30294

PARCEL NO. : 15-010-01-004

INFO. CONTACT: John Reid, Sr. Planner

PHONE NUMBER: 404-371-2155

PURPOSE:

Application of PMZ Developers LLC c/o Battle Law PC to rezone property from Bouldercrest Cedar Grove Moreland Overlay District Tier 5-Corridor1/R-100 (Residential Medium Lot) to RSM (Small Lot Residential Mix) district to allow for single-family detached homes and single-family attached townhomes. The property is located on the west side of Bouldercrest Road, approximately 360 feet south of Boulder Springs Point at 4401 Bouldercrest Road in Ellenwood, Georgia. The property has approximately 400 feet of frontage along Bouldercrest Road. and contains 22.14 acres.

RECOMMENDATION:

COMMUNITY COUNCIL: Denial.

PLANNING COMMISSION: Full Cycle Deferral.

PLANNING STAFF: Full Cycle Deferral.

STAFF ANALYSIS: The proposed RSM request is not consistent with the purpose and intent of the RSM zoning district to “*allow flexibility in design and product on the interior of new development while protecting surrounding neighborhoods*” since the proposed single-family, attached townhomes are not located in the interior of the site. Since the request is not consistent with the purpose and intent of RSM zoning, it is not compatible with adjacent and nearby properties (Sec 7.4.6.A). Therefore, it appears that the proposed rezoning request is not consistent with the policies and strategies of the Suburban Character Area to protect stable neighborhoods from incompatible development that could alter established single-family residential development patterns (Suburban Residential Protection Strategy, p. 115). The plan also proposes a 1,750-foot-long roadway between the proposed townhomes and the western edge of the property, which is almost three times as long as the 600-foot maximum block length required by Section 5.1.1.B.2 of the Zoning Ordinance. This road layout does not appear to comply with the intent of Section 5.1.1.A.3 of the Zoning Ordinance, which calls for “*vehicular circulation at safe speeds*”. Since the road layout does not comply with the Zoning Ordinance, the plan does not appear to be compatible with adjacent and surrounding properties (Sec. 7.3.5.B). There are also some details that need to be provided and/or clarified to ensure that the plan is conforming to RSM zoning standards and is compatible with adjacent and surrounding properties as follows: **Tabular Data.** Additional tabular data needs to be provided relating to the following: a. indicate what density bonuses are being used to achieve a density greater than 4 units per acre (RSM allows 4

units per acre by right, with any density above that only allowed via provision of density bonuses); b. provide maximum lot coverage for the single-family detached lots; c. provide maximum building height of proposed townhomes, etc.; d. site plan shows townhomes as attached, but typical layout shows townhomes as detached—please clarify if the townhomes are attached or detached. These issues need to be corrected to show conforming with zoning ordinance requirements which contributes to compatibility with surrounding properties. **Stub Out:** The plan needs to provide road stub-out at the western end of the property to provide future inter-parcel connection to future development on the abutting property to the west to show compliance with Section 6.1.C (Shared Driveways and Inter-parcel Access) of the Zoning Ordinance. Therefore, the Planning & Sustainability Department recommends “Full Cycle Deferral” to allow sufficient time for the applicant to redesign the plan to comply with the intent of the RSM zoning as well as address compliance with the maximum 600-foot block length and provide for vehicular circulation at safe speeds as called for by Section 5.1.1.A.3 of the Zoning Ordinance.

PLANNING COMMISSION VOTE: Full Cycle Deferral 7-0-0. Vivian Moore moved, LaSonya Osler seconded for a Full Cycle Deferral to the July 2022 zoning agenda, per Staff recommendation.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: Denial 7-1-0. CC-3 Board members thought that there would be negative storm water drainage within the site; that the density allowed by RSM would be too high and would generate negative impacts on the public infrastructure; and that the development would displace deer and other wildlife that would invade existing developed properties.

Comprehensive Plan:	SUB (Suburban) Consistent <input type="checkbox"/> Inconsistent <input checked="" type="checkbox"/>	
Proposed Density:	4.5 units per acre	Existing Density: NA
Proposed Units/Square Ft.:	42 single-family attached townhomes and 58 single-family detached homes	Existing Units/Square Feet: Vacant land
Proposed Lot Coverage:	NA	Existing Lot Coverage: NA

Staff Recommendation: FULL CYCLE DEFERRAL

The proposed RSM request is not consistent with the purpose and intent of the RSM zoning district to “allow flexibility in design and product on the interior of new development while protecting surrounding neighborhoods” since the proposed single-family, attached townhomes are not located in the interior of the site. Since the request is not consistent with the

purpose and intent of RSM zoning, it is not compatible with adjacent and nearby properties (Sec 7.4.6.A). Therefore, it appears that the proposed rezoning request is not consistent with the policies and strategies of the Suburban Character Area to protect stable neighborhoods from incompatible development that could alter established single-family residential development patterns (Suburban Residential Protection Strategy, p. 115). The plan also proposes a 1,750 foot long roadway between the proposed townhomes and the western edge of the property, which is almost three times as long as the 600-foot maximum block length required by Section 5.1.1.B.2 of the *Zoning Ordinance*. This road layout does not appear to comply with the intent of Section 5.1.1.A.3 of the *Zoning Ordinance*, which calls for “*vehicular circulation at safe speeds.*” Since the road layout does not comply with the *Zoning Ordinance*, the plan does not appear to be compatible with adjacent and surrounding properties (Sec. 7.3.5.B).

There are also some details that need to be provided and/or clarified to ensure that the plan is conforming to RSM zoning standards and is compatible with adjacent and surrounding properties as follows:

1. **Tabular Data.** Additional tabular data needs to be provided relating to the following: a. indicate what density bonuses are being used to achieve a density greater than 4 units per acre (RSM allows 4 units per acre by right, with any density above that only allowed via provision of density bonuses); b. provide maximum lot coverage for the single-family detached lots; c. provide maximum building height of proposed townhomes, etc.; d. site plan shows townhomes as attached, but typical layout shows townhomes as detached—please clarify if the townhomes are attached or detached. These issues need to be corrected to show conforming with zoning ordinance requirements which contributes to compatibility with surrounding properties.
2. **Stub Out:** The plan needs to provide road stub-out at the western end of the property to provide future inter-parcel connection to future development on the abutting property to the west to show compliance with Section 6.1.C (Shared Driveways and Interparcel Access) of the *Zoning Ordinance*.

Therefore, the Planning & Sustainability Department recommends “*Full Cycle Deferral*” to allow sufficient time for the applicant to redesign the plan to comply with the intent of the RSM zoning as well as address compliance with the maximum 600 foot block length and provide for vehicular circulation at safe speeds as called for by Section 5.1.1.A.3 of the *Zoning Ordinance*.

ZONING HISTORY

The subject property has been zoned R-100 (Residential Medium Lot-100) since the initial adoption of the *DeKalb County Zoning Ordinance* in 1956. The property has been included in the Bouldercrest-Cedar Grove-Moreland Overlay District, Tier 5 since its adoption on March 26, 2013. The subject property is also located in the Soapstone Historic Overlay District.

PROJECT ANALYSIS

The subject property comprises 22.14 acres on the west side of Bouldercrest Road, approximately 360 feet south of Boulder Springs Point at 4401 Bouldercrest Road in Ellenwood, Georgia. The request proposes to remove the Bouldercrest Overlay District designation on the property and change the underlying zoning from R-100 (Residential Medium Lot-100) to RSM (Small Lot Residential Mix). The site contains vacant land, is moderately flat, and has an abundance of mature trees and vegetation. The site proposes points of access off of Bouldercrest Road on the east side of the property, with 42 rear loaded, single-family, attached townhomes between these two roads. There is a stream buffer and floodplain in the center of the site, and the applicant is proposing 58 single-family detached homes between the townhomes and the western edge of the property via a 1,750-foot-long roadway. The proposed density is 4.5 units per acre. The RSM district allows a maximum base density of four units per acre, with a maximum density up to 8 units per acre if certain community enhancements or provisions are provided. The applicant has not indicated any proposed density bonuses/enhancements.

The property has frontage along Bouldercrest Road, a two-lane, major-arterial, road with a center left turn lane, curb and gutter, with no sidewalks along this portion of Bouldercrest Road. Sidewalks are proposed along the proposed private roads, but the plan does not show street trees along the entire road frontage, as required by the *Zoning Ordinance*. cursory transportation comments were unavailable at the time of this report.

Supplemental Requirements: There are no supplemental regulations in the *Zoning Ordinance* for detached or attached single-family homes.

Compliance with District Standards:

STANDARD	RSM REQUIREMENT	EXISTING/PROPOSED	COMPLIANCE
MAX DENSITY	4-8 units per acre	4.5 units per acre (any density proposed above 4 units per acre must provide density bonuses)	No. To achieve desired density a 20% density bonus is required but no density bonuses have been indicated.
LOT WIDTH	Min. 25 feet for townhomes Min. 50 feet for sf detached	Information not provided. Information not provided	Unknown. Information not provided.
LOT AREA (MIN)	1000 sf for townhomes 5,000 sf for s.f. detached	Information not provided on site plan. 5,000 s.f.	Unknown. Information not provided Yes
MAX. LOT COVERAGE	70% for SF Attached Townhomes 50% for SF detached	Information not provided on site plan Yes	Unknown. Information not provided. Yes
FRONT SETBACK	20 feet (min)	20 feet	Yes.
SIDE SETBACK	0 feet SFA 3 feet (min) w/ 10ft. bldg. separation for SFD	0 feet and 10 feet Information not provided on site plan.	Yes Undetermined

REAR SETBACK			
BUILDING MATERIALS	All building facades facing a public street shall consist of at least 80% brick, stone, glass, decorative concrete, fiber cement siding, or hard coat stucco, or combination thereof.	Conceptual elevation appears to show combination of brick and fiber cement siding, but materials are not clarified.	Yes if proposed materials are fiber cement siding and brick.
MAX. BLDG. HEIGHT	3 stories/45 feet for townhomes 35 feet for SF detached	Information not provided 35 feet	Undetermined. Information not provided. Yes
MIN UNIT SIZE	1,200 sf for SF Attached Townhomes 1,200 sf for SF Detached	1,100 s.f. 1,525 sf	No. Non-compliance will necessitate variances. Yes
MIN OPEN SPACE	20%	Information not provided.	Undetermined. Information not provided.
PERIMETER LOT COMPATIBILITY	Lots on the external boundary of the site must be at 80% as wide as abutting lots of established subdivisions with a 20-foot wide transitional buffer.	20 ft buffer provided but no information indicating 80% lot size compatibility	Undetermined. Information not provided.

TRANSITIONAL BUFFER	<p>None for western portion of site where proposed single-family detached units abut existing single-family subdivision to north and south.</p> <p>20 feet for front portion of site where proposed townhomes abut single-family subdivision to north and south.</p>	20 ft buffer along north and south property line	Yes
PARKING	<p>SF Detached</p> <p>Min. 2 spaces per dwelling unit</p> <p>Max. 4 spaces per dwelling unit</p> <p>SF Attached</p> <p>Min. 1.5 spaces per dwelling unit, not including garage, plus one quarter (0.25) space per dwelling unit to accommodate guest parking</p> <p>Max. Three (3) spaces per dwelling unit, not including garage, plus one-quarter (0.25) space per dwelling unit to accommodate guest parking.</p>	<p>4 spaces per dwelling unit</p> <p>4 spaces per dwelling unit</p> <p>4 spaces per dwelling unit</p> <p>4 spaces per dwelling unit</p>	<p>Yes</p> <p>Yes</p> <p>Yes</p> <p>No—noncompliance will necessitate variances.</p>

LAND USE AND ZONING ANALYSIS

Section 27-7.3.5 of the Zoning Ordinance, “Standards and factors governing review of proposed amendments to the official zoning map” states that the following standards and factors...shall govern the review of all proposed amendments to the zoning maps.

A. Whether the zoning proposal is in conformity with the policy and intent of the comprehensive plan:

The proposed RSM request is not consistent with the purpose and intent of the RSM zoning district to *“allow flexibility in design and product on the interior of new development while protecting surrounding neighborhoods”* since the proposed single-family, attached townhomes are not located in the interior of the site. Since the request is not consistent with the purpose and intent of RSM zoning, it is not compatible with adjacent and nearby

properties. Therefore, it appears that the proposed rezoning request is not consistent with the policies and strategies of the Suburban Character Area to protect stable neighborhoods from incompatible development that could alter established single-family residential development patterns (Suburban Residential Protection Strategy, p. 115).

B. Whether the zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby properties:

Surrounding uses include traditional, two-story, suburban, single-family homes and vacant land. Since the request is not consistent with the purpose and intent of RSM zoning, it is not compatible with adjacent and nearby properties. While there are RSM zoned parcels nearby, they do not contribute to the consideration of this application.

C. Whether the property to be affected by the zoning proposal has a reasonable economic use as currently zoned:

It appears that the property may have a reasonable economic use, as currently zoned (i.e., R-100), which allows single-family, detached residential development.

D. Whether the zoning proposal will adversely affect the existing use or usability of adjacent or nearby property:

The proposed three-story townhomes at the edge of the property are not consistent with the predominant two-story building heights of the surrounding single-family area and the request is not consistent with the purpose and intent of RSM zoning. Therefore, it appears that the zoning proposal may adversely affect the use of adjacent and nearby properties.

E. Whether there are other existing or changing conditions affecting the use and development of the property, which give supporting grounds for either approval or disapproval of the zoning proposal:

The subject property falls within a SUB (Suburban) character area which calls for protecting established residential neighborhoods (Suburban Residential Protection Strategy, p. 115).

F. Whether the zoning proposal will adversely affect historic buildings, sites, districts, or archaeological resources:

The subject property is located in the Soapstone Historic Overlay District (archaeological). A preliminary assessment (or full evaluation) must be conducted for artifacts and the findings must be reviewed by the Historic Preservation Commission.

G. Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools:

There has been no indication from reviewing departments and agencies that the proposal could cause excessive use of existing streets, utilities, or schools. The Transportation Department is still reviewing the proposal. The applicant will need to obtain a sewer capacity letter from the Department of Watershed Management to verify

if sewer capacity is available.

H. Whether the zoning proposal adversely impacts the environment or surrounding natural resources:

There is a stream buffer and floodplain in the center of the site which could be impacted by the site layout. The plan needs to provide road a stub-out at the western end of the property to provide future inter-parcel connection to future development on the abutting property to the west to show compliance with Section 6.1.C (Shared Driveways and Interparcel Access) of the *Zoning Ordinance*.

ZONING COMMENTS – APRIL 2022

- N1.** LaVista Road is SR 236. GDOT review and approval required prior to land development permit. (GDOT District 7 Contact: Mwilson@dot.ga.gov). LaVista Road is classified as a minor arterial. Please see Zoning Code 5.4.3 and Land Development Code 14-190 for infrastructure improvements. Required right of way dedication of 40 feet from centerline or such that all public infrastructure is within right of way, whichever greater. Required: 6-foot sidewalk and 4-foot bike lane OR a 10-foot multiuse path (preferred), curb and gutter raised to current standards, 10 foot landscape strip (see Zoning 5.4.3 for options), pedestrian scale street lighting (contact: hefowler@dekalbcountyga.gov). Only one access point allowed on LaVista Road. I cannot read the site plan, but I would have the Fire Marshall take a look at your interior street widths. All interior streets must be private. No poles can remain within the limits of the sidewalk or multiuse path. Intersection and stopping sight distance must be met for all access points based on AASHTO.
- N2.** No Comment
- N3.** Bouldercrest overlay District Tier Corr 1. Infrastructure requirements of the overlay district trump the zoning and land development code. Overlay trumps Zoning trumps Land Development. When silent, the next code on the list applies. Overlay code requirements should be verified with the appropriate planning staff assigned to that overlay district. Bouldercrest Road is classified as a major arterial. Please see Zoning Code 5.4.3 and Land Development Code 14-190 for infrastructure improvements. Required right of way dedication of 50 feet from centerline or such that all public infrastructure is within right of way, whichever greater. Required: 6-foot sidewalk and 4-foot bike lane OR a 10-foot multiuse path (preferred), curb and gutter raised to current standards, 10-foot landscape strip (see Zoning 5.4.3 for options), pedestrian scale street lighting (contact: hefowler@dekalbcountyga.gov). No poles can remain within the limits of the sidewalk or multiuse path. Intersection and stopping sight distance must be met for all access points based on AASHTO.
- N4-5.** Clairmont Road is SR 155. GDOT review and approval required prior to land development permit. (GDOT District 7 Contact: Mwilson@dot.ga.gov). Clairmont Road is classified as a major arterial. Required right of way dedication of 50 feet from centerline or such that all public infrastructure is within right of way, whichever greater. Required: 6-foot sidewalk and 4-foot bike lane OR a 10-foot multiuse path (preferred), curb and gutter raised to current standards, 10-foot landscape strip (see Zoning 5.4.3 for options), pedestrian scale street lighting (contact: hefowler@dekalbcountyga.gov). Only one access point allowed at the traffic signal. Northern driveway ties to the existing traffic signal. Signal will need to be fully upgraded to accommodate the new vehicular phase and pedestrian phases. Developer responsible for all GDOT required traffic studies, plans and permits. No poles can remain within the limits of the sidewalk or multiuse path. Intersection and stopping sight distance must be met for all access points based on AASHTO.
- N6.** No comment.
- N7.** Second Avenue is classified as a collector road. Please see Zoning Code 5.4.3 and Land Development Code 14-190 for infrastructure improvements. Required right of way dedication of 35 feet from centerline or such that all public infrastructure is within right of way, whichever greater. Required: 6-foot sidewalk and 4-foot bike lane OR a 10-foot multiuse path (preferred), curb and gutter raised to current standards, 10-foot landscape strip (see Zoning 5.4.3 for options), pedestrian scale street lighting (contact: hefowler@dekalbcountyga.gov). Traffic study required. Developer needs to watch access management requirements in Land Development Code Section 14-200 (6). No poles can remain within the limits of the sidewalk or multiuse path. Intersection and stopping sight distance must be met for all access points based on AASHTO. Make functional pedestrian and bicycle connections between the property destinations and the public right of way.
- N8.** North DeKalb Mall DRI. Lawrenceville Hwy is SR 8. GDOT review and approval required prior to land development permits. Both Lawrenceville Hwy and North Druid Hills are classified as major arterials. Please see Zoning Code 5.4.3 and Land Development Code 14-190 for infrastructure improvements. Required right of way dedication of 40 feet from centerline or such that all public infrastructure is within right of way, whichever greater. Required: 6-foot sidewalk and 4-foot bike lane OR a 10-foot multiuse path (preferred), curb and gutter raised to current standards, 10-foot landscape strip (see Zoning 5.4.3 for options), pedestrian scale street lighting (contact: hefowler@dekalbcountyga.gov). Contribute \$500,000 towards a future project to add a left turn lane at the

DEKALB COUNTY GOVERNMENT PLANNING DEPARTMENT DISTRIBUTION FORM

The following areas below may warrant comments from the Development Division. Please respond accordingly as the issues relate to the proposed request and the site plan enclosed as it relates to Chapter 14. You may address applicable disciplines.

DEVELOPMENT ANALYSIS:

- **Storm Water Management**

Compliance with the Georgia Stormwater Management Manual, DeKalb County Code of Ordinances 14-40 for Stormwater Management and 14-42 for Storm Water Quality Control **(sections have been amended recently; please request the amended chapter)**, to include Runoff Reduction Volume where applicable is required as a condition of land development permit approval. Use Volume Three of the G.S.M.M. for best maintenance practices. Use the NOAA Atlas 14 Point Precipitation Data set specific to the site. Recommend Low Impact Development features/ Green Infrastructure be included in the proposed site design to protect as much as practicable the statewaters and special flood hazard areas.

- **Flood Hazard Area/Wetlands**

The presence of FEMA Flood Hazard Area **was** indicated in the County G.I.S. mapping records for the site; and should be noted in the plans at the time of any land development permit application. **Encroachment of flood hazard areas require compliance with Article IV of Chapter 14 and FEMA floodplain regulations**

- **Landscaping/Tree Preservation**

Landscaping and tree preservation plans for any building, or parking lot must comply with DeKalb County Code of Ordinances 14-39 as well as Chapter 27 Article 5 and are subject to approval from the County Arborist.

- **Tributary Buffer**

State water buffer **was** reflected in the G.I.S. records for the site. **Typical state waters buffer have a 75' undisturbed stream buffer and land development within the undisturbed creek buffer is prohibited without a variance per DeKalb County Code of Ordinances 14-44.1.**

According to studies conducted by the Institute of Traffic Engineers (ITE) 6/7TH Edition (whichever is applicable), churches generate an average of fifteen (15) vehicle trip end (VTE) per 1,000 square feet of floor area, with an eight (8%) percent peak hour factor. Based on the above formula, the _____ square foot place of worship building would generate _____ vehicle trip ends, with approximately _____ peak hour vehicle trip ends.

Single Family residence, on the other hand, would generate ten (10) VTE's per day per dwelling unit, with a ten (10%) percent peak hour factor. Based on the above referenced formula, the _____ (Single Family Residential) District designation which allows a maximum of _____ units per acres, and the given fact that the project site is approximately _____ acres in land area, _____ daily vehicle trip end, and _____ peak hour vehicle trip end would be generated with residential development of the parcel.

COMMENTS:

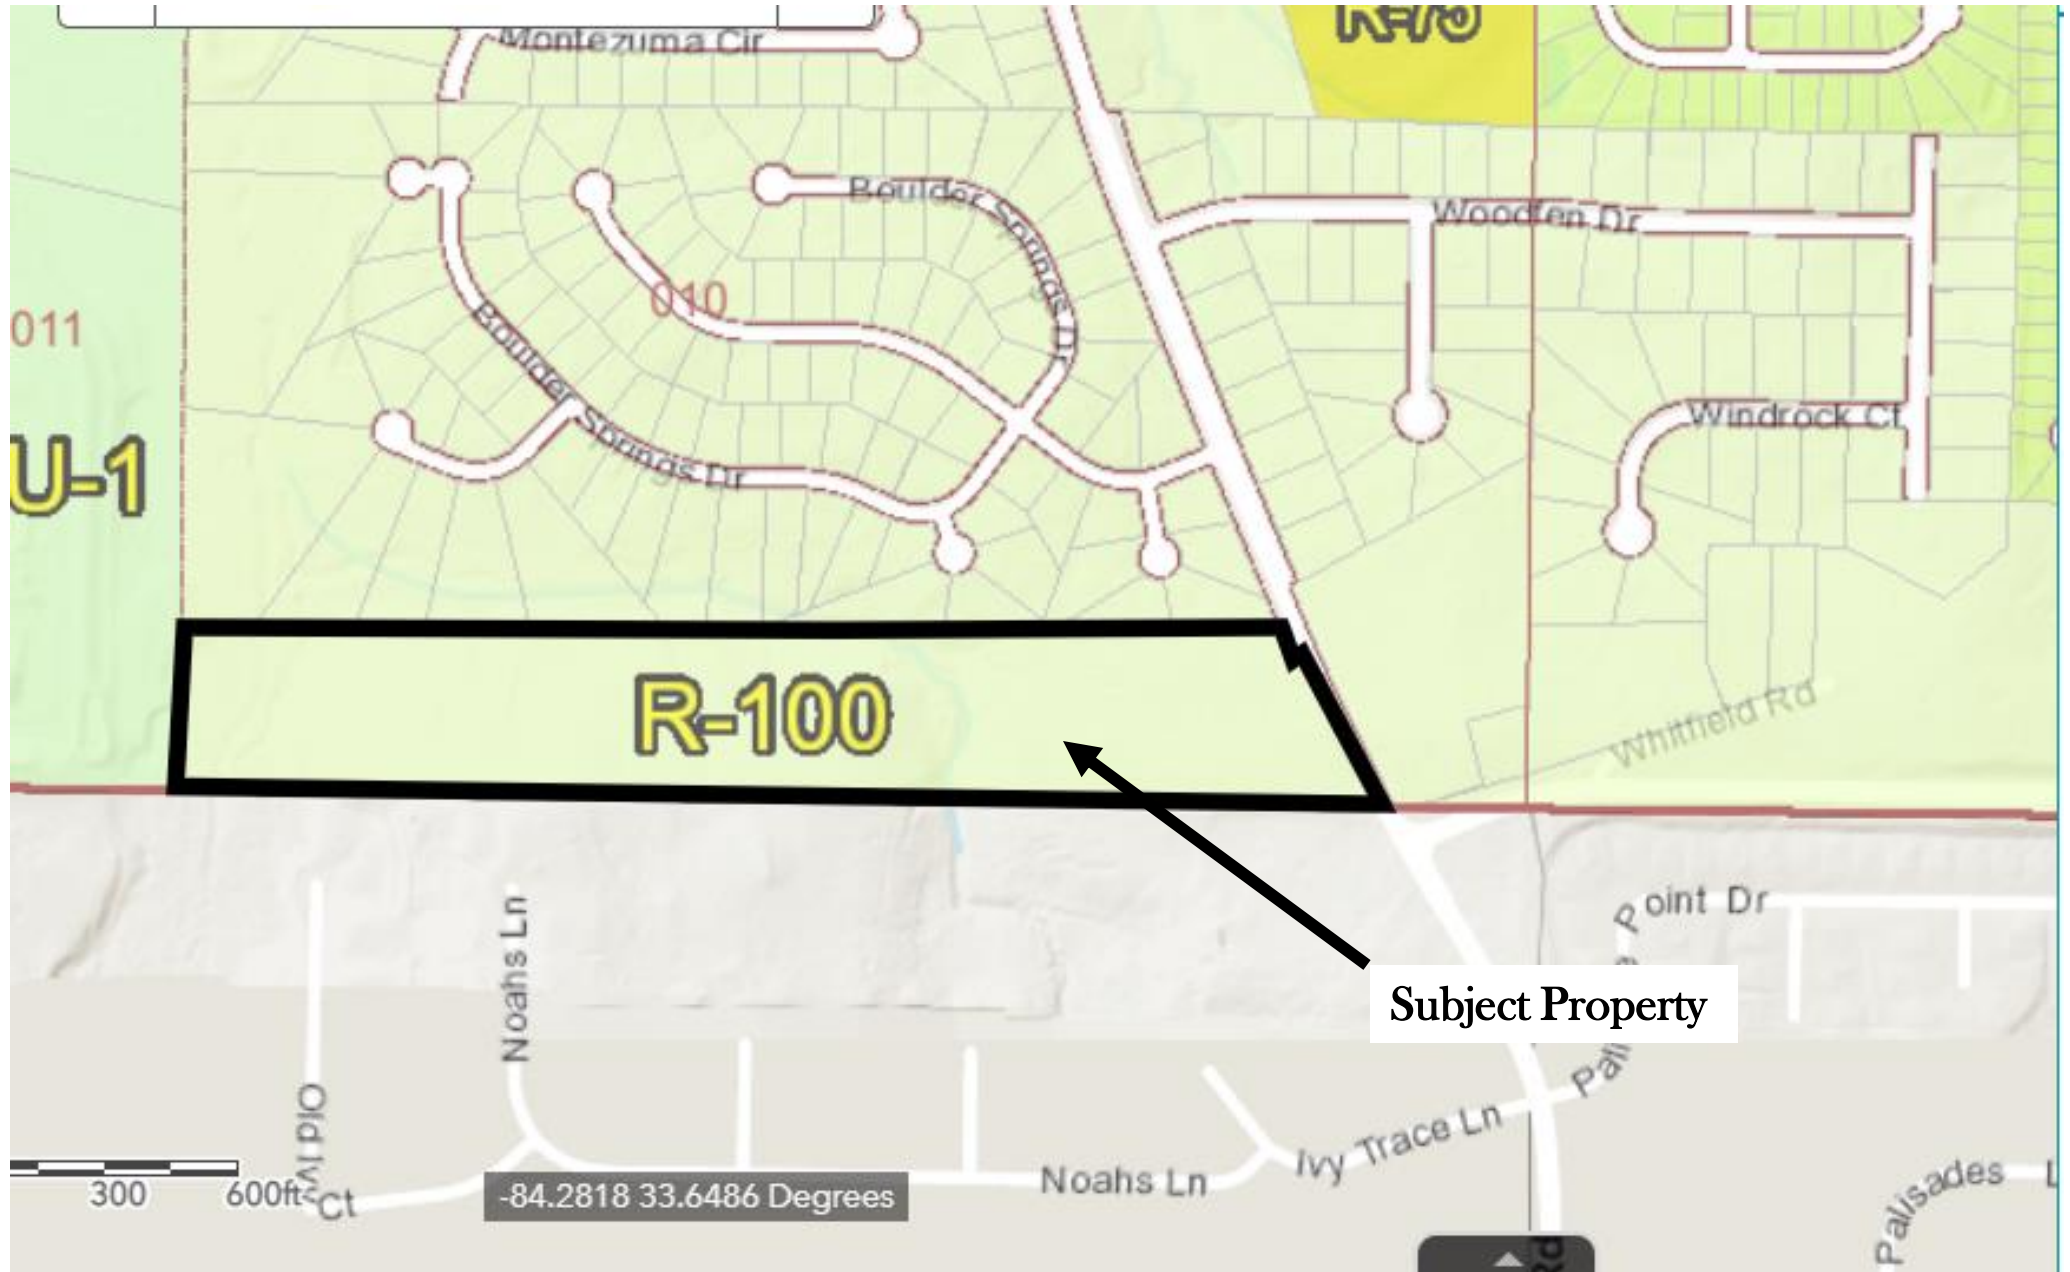

No traffic engineering concerns at this time.

REZONING APPLICATION CHECKLIST

Submit 4 printed, collated sets of the complete application (no staples, no binders) and a PDF version on a flash drive

_____ 1. Schedule a mandatory **Pre-Application Conference** with Planning & Sustainability staff by appointment. Obtain **Pre-Application form** (to be completed in pre-application meeting). Please call 404-371-2155 for appointment.

_____ 2. Hold a **Pre-Submittal Community Meeting** with surrounding neighborhood associations and residents. Provide documentation of the meeting (**meeting notice and sign in sheets**). Letter(s) from homeowners association(s) may also be provided.

_____ 3. Submit **Application** (Submit 4 printed, collated sets and a PDF version on a flash drive. Please assemble materials in the following order.)

_____ **A. Application form** with name and address of applicant and owner, and address of subject property;

_____ **B. Pre-submittal community meeting notice and sign-in sheet** and other documentation of meeting, if any;

_____ **C. Letter of application and impact analysis**

1. **Letter of application** identifying a) the proposed zoning classification, b) the reason for the rezoning or special use or modification request, c) the existing and proposed use of the property, d) detailed characteristics of the proposed use (e.g. floor area, height of building(s), number of units, mix of unit types, number of employees, manner and hours of operation), d)(optional) statement of conditions discussed with the neighborhood or community, if any.

2. **Impact analysis** of the anticipated impact of the proposed use and rezoning on the surrounding properties in response to the standards and factors specified in Article 7.3 of the DeKalb County Zoning Ordinance, as attached. If a Major Modification, please include previously approved conditions and Board of Commissioner meeting minutes.

_____ **D. Authorization Form**, if applicant is not the owner. Must be signed by all owners of the subject property and notarized. Authorization must contain the mailing address and phone number of any applicant or agent who is authorized to represent the owner(s) of the subject property. Please include warranty deed, if property ownership is less than 2 years.

_____ **E. Campaign disclosure statement** (required by State law).

_____ **F. Legal boundary survey** of the subject property, (showing boundaries, structures, and improvements), prepared and sealed within the last year by a professional engineer or land surveyor registered in the State of Georgia. *(If survey shows property on opposite sides of a public street right-of-way, file a separate application for each property.)*

_____ **G. Site Plan**, printed to scale, folded, of any existing and or proposed development/redevelopment. For projects larger than 1 acre, site plan should be at least 1:50 scale. The site plan must include the following:

_____ a. complete boundaries of subject property;

_____ b. dimensioned access points and vehicular circulation drives;

_____ c. location of all existing and proposed buildings, structures, setbacks and parking;

_____ d. location of 100 year floodplain and any streams;

_____ e. notation of the total acreage or square footage of the subject property;

_____ f. landscaping, tree removal and replacement, buffer(s); and

_____ g. site plan notes of building square footages, heights, density calculations, lot coverage of impervious surfaces, parking ratios, open space calculations, and other applicable district standards.

_____ **H. Reduced Site Plan**, reduced to 8.5" x 11".

_____ **I. Written Legal Description** of metes and bounds of the subject property (can be printed on site plan or survey).

_____ **J. Building Form Information**. Elevation (line drawing or rendering), or details of proposed materials, in compliance with Article 5 of the Zoning Ordinance.

_____ **K. Completed, signed Pre-application Form** (Provided at pre-application meeting.)

INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED

DEPARTMENT OF PLANNING & SUSTAINABILITY

Comments: __. _Applicant will need to justify RSM zoning in area abutting and surrounded by R-100 zoning. Applicant will need to comply with RSM requirements, including min. lot size of 5,000 sf for single-family detached conventional lots, and min. 2,000 square feet for single-family cottage lots. Single-family cottage lots must be oriented to a courtyard at least 2000 sf in size with max. height of 1.5 stories and max floor area of 1,200 sf and max building footprint of 800 sf. Applicant must also show compliance with Bouldercrest Overlay District and Article 5 requirements including building materials, open space (20%), transitional buffers (20 ft wide buffer along north and west property line); streetscape requirements (sidewalk/street trees/street lights), max. building height, fence/wall requirements, min. of 3 trees per lot, must also provide density bonuses for densities above 4 units per acre (max density of 8 units per acre with bonuses). If providing enhanced open space as a density bonus, must comply with enhanced open space criteria in Article 5 relating to type of open space, size of open space, and open space amenities.

Also street facing-garage setback and size requirements, building material requirements. Please note Tier 5 of the BOD controls the front, rear, and side-yard requirements. Please note for Corridor 1 of Tier 5 there are specific setback and design requirements including the following: “New residential developments along Corridor 1 (Bouldercrest Road) must not have any vertical improvements (buildings, walls over 3 ft., etc.) within 100 feet of the corridor right-of-way or setbacks of existing adjacent homes—whichever is less. The building facing the corridor must be articulated like the building's front, including continuation of the same materials. All homes must carry the design and materials of the front to all sides visible from the street. b. Sidewalks (8 ft. width minimum) must be installed with an 8 ft. wide landscape strip. Landscape strip must be planted with grass and groundcovers. Street trees must also be planted, but varieties and spacing must reflect existing conditions—use similar species and place trees to continue existing appearance (do not introduce formal structure into an informal area, etc.)”_The applicant is encouraged to discuss possible transportation improvements that may be required (if the rezoning is approved by the Board of Commissioners) with the county Transportation Department, may want to verify if comply with minimum number of access drives to Bouldercrest Road based on proposed 100 units. The applicant is encourage to contact Land Development Division of Public Works regarding required stormwater management, floodplain, and stream buffer issues. This property also falls within the Soapstone Historic District, please contact David Cullison, Historic Preservation Planner, to ascertain requirements of this Historic Overlay District.

Article 5.7.6 prefers for townhomes to be accessed from the rear with front facades facing courtyard, and by providing rear access to the units or designing an alternative location for pedestrian paths or sidewalks. Please review 5.7.5 and 5.7.6 regarding building materials, garage widths and setbacks, fenestration, etc. Please clarify if townhomes are fee-simple lots or condo ownership. Also the entire project must comply with Article 5 streetscape requiriements regarding sidewalk width, number of street trees, and landscape width as well as

DEPARTMENT OF PLANNING & SUSTAINABILITY

street lights.

This only a preliminary review and is not a complete list of zoning requirements, a final and complete review will be done upon official submission of a rezoning application and concept plan.

I. STATEMENT OF INTENT

The Applicant, PMZ Developers, LLC., is seeking to rezone +/- 22.14 acres of land located at 4101 Bouldercrest Road, Ellenwood, Georgia (the “Subject Property”). The Applicant is seeking to rezone the Subject Property from R-100 to RSM to allow a fee simple development consisting of 42 townhomes and 58 single family-detached homes. The proposal is consistent with the Subject Property’s Suburban future land use designation. The Subject Property is located both within the Bouldercrest Overlay District and the Soapstone Historic District and the proposal is in conformity with the requirements of each.

PARKING SUMMARY	
PARKING REQUIREMENTS:	2 SPACES/UNIT
TOTAL PARKING REQUIRED:	200 SPACES
TOTAL PARKING PROVIDED:	400 SPACES (4 SPACES/UNIT)

This document is submitted both as a Statement of Intent and Impact Analysis with regard to this Application, a preservation of the Applicant’s constitutional rights, and the Impact Analysis.

A surveyed plat and conceptual site plan of the Subject Property controlled by the Applicant has been filed contemporaneously with the Application, along with other required materials.

II. IMPACT ANALYSIS

(a) The existing land uses and zoning classification of nearby property;

The Subject Property is located on Bouldercrest Road and is currently zoned R-100, with a land use designation of SUB. Zoning classifications of surrounding properties include M-1, R-75, RSM, and R-100. Land uses of surrounding properties include COS and SUB.

(b) The effect on adjacent properties;

The proposed mixed-use building is suitable for the area and will not adversely affect adjacent properties. The proposed project will be an asset to the greater community by adding a mixture of dwelling units.

(c) Whether the subject property has a reasonable economic use as currently zoned;

The Subject Property does not have a reasonable economic use as currently zoned. The parcel is quite long and narrow and is to be established as an infill development.

(d) Whether the proposed zoning will be a use that is suitable in view of the use and development of adjacent and nearby property;

The proposed RSM zoning will be a use that is suitable in view of the use and development of adjacent and nearby property. The proposal is consistent with the Suburban future land use designation, as well as with the overwhelmingly residential nature of the surrounding properties.

(e) Whether the proposed zoning will adversely affect the existing use or usability of adjacent or nearby property;

The proposed zoning will not negatively impact the existing use or usability of adjacent or nearby property. The proposed 100 homes will increase housing options in the area, and therefore will be an asset to the greater community.

- (f) *Whether the zoning proposal is in conformity with the policies and intent of the land use plan;*

The proposed live/work/retail building is in conformity with the policies and intent of the Suburban future land use.

- (g) *Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools; and*

To the Applicant's knowledge, the proposed use will not cause any excessive or burdensome use on the existing streets, transportation facilities, utilities, or schools in the area.

- (h) *Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the zoning proposal.*

To the Applicant's knowledge, there are no other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the zoning proposal.

III. CONCLUSION

For the foregoing reasons, the Applicant respectfully requests that the Rezoning Application at issue be approved. The Applicant also invites and welcomes any comments from Staff or other officials of DeKalb County so that such recommendations or input might be incorporated as conditions of approval of this Application. Please note that the Applicant's Notice of Constitutional Allegations and Preservation of Constitutional Rights has been submitted with this Application and are attached hereto and by this reference incorporated herein.

This 21st day of February 2022.

Respectfully submitted,

Michèle Battle /DLB

Michèle L. Battle, Esq.
Attorney For Applicant

NOTICE OF CONSTITUTIONAL ALLEGATIONS AND PRESERVATION OF CONSTITUTIONAL RIGHTS

The portions of the DeKalb County Zoning Ordinance, facially and as applied to the Subject Property, which restrict or classify or may restrict or classify the Subject Property so as to prohibit its development as proposed by the Applicant are or would be unconstitutional in that they would destroy the Applicant's property rights without first paying fair, adequate and just compensation for such rights, in violation of the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States and Article I, Section I, Paragraph I of the Constitution of the State of Georgia of 1983, Article I, Section III, Paragraph I of the Constitution of the State of Georgia of 1983, and would be in violation of the Commerce Clause, Article I, Section 8, Clause 3 of the Constitution of the United States.

The application of the DeKalb County Zoning Ordinance to the Subject Property which restricts its use to any classification other than that proposed by the Applicant is unconstitutional, illegal, null and void, constituting a taking of Applicant's Property in violation of the Just Compensation Clause of the Fifth Amendment to the Constitution of the United States, Article I, Section I, Paragraph I, and Article I, Section III, Paragraph I of the Constitution of the State of Georgia of 1983, and the Equal Protection and Due Process Clauses of the Fourteenth Amendment to the Constitution of the United States denying the Applicant an economically viable use of its land while not substantially advancing legitimate state interests.

A denial of this Application would constitute an arbitrary irrational abuse of discretion and unreasonable use of the zoning power because they bear no substantial relationship to the public health, safety, morality or general welfare of the public and substantially harm the Applicant in violation of the due process and equal protection rights guaranteed by the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States, and Article I, Section I, Paragraph I and Article I, Section III, Paragraph 1 of the Constitution of the State of Georgia.

A refusal by the DeKalb County Board of Commissioners to grant the Special Land Use Permit as requested by the Applicant would be unconstitutional and discriminate in an arbitrary, capricious and unreasonable manner between the Applicant and owners of similarly situated property in violation of Article I, Section I, Paragraph II of the Constitution of the State of Georgia of 1983 and the Equal Protection Clause of the Fourteenth Amendment to the Constitution of the United States. Any granting of the Special Land Use Permit subject to conditions which are different from the conditions requested by the Applicant, to the extent such different conditions would have the effect of further restricting Applicant's utilization of the property, would also constitute an arbitrary, capricious and discriminatory act in zoning the Subject Property to an unconstitutional classification and would likewise violate each of the provisions of the State and Federal Constitutions set forth hereinabove.

A refusal to grant the Special Land Use Permit in question would be unjustified from a fact-based standpoint and instead would result only from constituent opposition, which would be an unlawful delegation of authority in violation of Article IX, Section II, Paragraph IV of the Georgia Constitution.

A refusal to approve the Special Land Use Permit in question would be invalid inasmuch as it would be denied pursuant to an ordinance which is not in compliance with the Zoning Procedures Law, O.C.G.A Section 36-66/1 et seq., due to the manner in which the Ordinance as a whole and its map(s) have been adopted.

The existing zoning classification on the Subject Property is unconstitutional as it applies to the Subject Property. This notice is being given to comply with the provisions of O.C.G.A. Section 36-11-1 to afford the County an opportunity to revise the Property to a constitutional classification. If action is not taken by the County to rectify this unconstitutional zoning classification within a reasonable time, the Applicant is hereby placing the County on notice that it may elect to file a claim in the Superior Court of DeKalb County demanding just and adequate compensation under Georgia law for the taking of the Subject Property, diminution of value of the Subject Property, attorney's fees and other damages arising out of the unlawful deprivation of the Applicant's property rights.

DISCLOSURE OF CAMPAIGN CONTRIBUTION

In accordance with the Conflict of Interest in Zoning Act, OCGA Chapter 36-67A, the following questions must be answered.

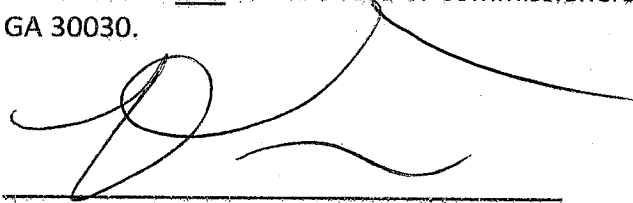

Have you, the applicant, made \$250.00 or more in campaign contribution to a local government official within two years immediately preceding the filing of this application?

Yes _____ No ✓ *

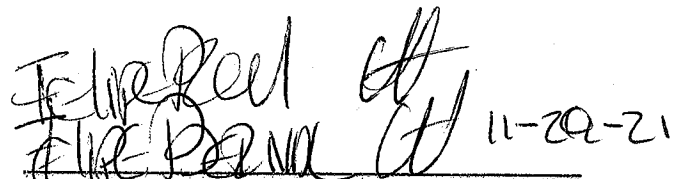

If the answer is yes, you must file a disclosure report with the governing authority of DeKalb County showing:

1. The name and official position of the local government official to whom the campaign contribution was made.
2. The dollar amount and description of each campaign contribution made during the two years immediately preceding the filing of this application and the date of each such contribution.

The disclosure must be filed within 10 days after the application is first filed and must be submitted to the C.E.O. and to the Board of Commissioners of DeKalb County, 1300 Commerce Drive, Decatur, GA 30030.

4101 Bouldercrest Road Ellenwood, GA – Trip Generation Memo February 16, 2022

Project Description

A 100-unit residential development is proposed to be built at 4101 Bouldercrest Rd in Ellenwood, GA. A trip generation analysis was requested and is provided below.

Figure 1: Site Aerial

Roadway Facilities

Bouldercrest Rd SE is a two-lane undivided roadway running primarily north to south with a posted speed limit of 45 mph. The roadway is functionally classified by GDOT as a Minor Collector.

Trip Generation and Distribution

A trip generation for the proposed development was created using the Institute of Traffic Engineers (ITE) Trip Generation Manual 11th Edition, 2021. A summary of the trip generation can be found below in Table 1.

Table 1: Trip Generation Summary

Land Use Information	Project Trips			Equation Used ¹	In / Out Distribution
	Total	Inbound	Outbound		
210 - Single-Family Detached Housing				58	Dwelling Unit
Daily	611	306	305	$\ln(T) = 0.92\ln(X) + 2.68$	50% / 50%
AM Peak Hour	45	12	33	$\ln(T) = 0.91\ln(X) + 0.12$	26% / 74%
PM Peak Hour	60	38	22	$\ln(T) = 0.94\ln(X) + 0.27$	63% / 37%
215 - Single-Family Attached Housing				42	Dwelling Unit
Daily	270	135	135	$T = 7.62(X) - 50.48$	50% / 50%
AM Peak Hour	16	5	11	$T = 0.52(X) - 5.70$	31% / 69%
PM Peak Hour	21	12	9	$T = 0.60(X) - 3.93$	57% / 43%
Total Trip Generation					
Daily	881	441	440	210 -Single-Family Detached Housing	
AM Peak Hour	61	17	44	215 -Single-Family Attached Housing	
PM Peak Hour	81	50	31		

Note: ¹ Where: T = Trips; X = Density by Variable

The proposed development is anticipated to generate 881 daily vehicle trips (441 inbound, 440 outbound) with 61 AM peak hour vehicle trips (17 inbound, 44 outbound), and 81 PM peak hour trips (50 inbound, 31 outbound).
