#### **RECOMMENDATION:**

COMMUNITY COUNCIL: (October 12, 2022) Deferral. (June 8, 2022) Full Cycle Deferral. (April 13, 2022) Denial.

PLANNING COMMISSION: (November 1, 2022) Full Cycle Deferral. (July 12, 2022) Two-Cycle Deferral. (May 3, 2022) Full Cycle Deferral.

PLANNING STAFF: Full Cycle Deferral.

STAFF ANALYSIS: The Applicant submitted a request to amend their rezoning application and site plan from RSM (Residential Small Lot Mix) to RNC (Residential Neighborhood Conservation) on October 18, 2022 (see attached) after the publication of the November legal ad. Since a change to the zoning classification is considered a major modification, it must be deferred full cycle based on Section 7.2.2.B (3-5) of the Zoning Ordinance as follows: 3. No major change to an application may be accepted later than the required deadline for advertising in the legal organ or a newspaper of general circulation within the county. There shall be no refund of application fees after the planning department has accepted an application. 4. The following shall constitute a major change to an application that shall result in deferral and/or re-advertising of the application: a. The movement of any building or structure adjacent to an exterior boundary line, closer to the boundary line of the property; b. Any increase in the number of dwelling units or any increase in the total amount of floor space of any nonresidential building; c. Any decrease in the size of residential units; d. Any increase in the number of curb cuts; e. Any decrease in the buffer requirements; f. Any increase in the height of any building or structure; g. Any change in the proportion of floor space devoted to different authorized uses; h. Any change in the zoning classification requested; or i. Any change in the land use plan classification that increases the density of the proposed use. 5. A

change to a site plan or proposed condition of zoning associated with an application, which change has been accepted and allowed to be part of the application, may be deferred by the board of commissioners for a full-cycle review if the board of commissioners determines such review is reasonably necessary as a result of the change. The amended application shall be treated as if it were a new application, for the purposes of publication, review, notice and hearings, as required under this article, including review by the community council and planning commission. An amendment to an application shall not change the original filing date of that application. An amended application shall not require a new application fee. However, in the case of a deferral requested by the applicant, the applicant shall pay a required re-advertising fee. Therefore, it is the recommendation of the Planning & Sustainability Department that the major modification proposal that was received after the November legal ad publication be "Deferred, Full Cycle to the January 2023 zoning agenda".

PLANNING COMMISSION VOTE: (November 1, 2022) Full Cycle Deferral 7-0-0. Vivian Moore moved, Jon West seconded for a full cycle deferral to the January 2023 zoning agenda, per Staff recommendation. (July 12, 2022) Two-cycle deferral 7-0-0. Vivian Moore moved, LaSonya Osler seconded for a two-cycle deferral to the November 2022 zoning agenda, per Staff recommendation. (May 3, 2022) Full Cycle Deferral 7-0-0. Vivian Moore moved, LaSonya Osler seconded for a Full Cycle Deferral to the July 2022 zoning agenda, per Staff recommendation.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: (October 2022) Full Cycle Deferral 5-1-0. Applicant indicated they would be submitting an amended application to the RNC (Residential Neighborhood Conservation) district. The Council recommended Full Cycle Deferral to allow the applicant time to redesign the plan to address the following: 1. Potential School Overcrowding; 2. Traffic impacts; 3. Potential street racing issues along the proposed long narrow road connecting the single-family detached and townhome portions of the project; 4. Potential flooding impacts.; 5. Conceptual elevations of the proposed single-family detached units; 6. Emergency vehicle access; and, 7. Provide open space and parks where children can play. (June 2022) Full Cycle Deferral 7-0-0. Recommendation for full-cycle deferral is in response to applicant request for deferral to re-think the proposal and revise the site plan. (April 2022) Denial 7-1-0. CC-3 Board members thought that there would be negative storm water drainage within the site; that the density allowed by RSM would be too high and would generate negative impacts on the public infrastructure; and that the development would displace deer and other wildlife that would invade existing developed properties.

The Applicant submitted a request to amend their rezoning application and site plan from RSM (Residential Small Lot Mix) to RNC (Residential Neighborhood Conservation) on October 18, 2022 (see attached) after the publication of the November legal ad.

Since a change to the zoning classification is considered a major modification, it must be deferred full cycle based on Section 7.2.2.B (3-5) of the Zoning Ordinance as follows:

- 3. No major change to an application may be accepted later than the required deadline for advertising in the legal organ or a newspaper of general circulation within the county. There shall be no refund of application fees after the planning department has accepted an application.
- 4. The following shall constitute a major change to an application that shall result in deferral and/or re-advertising of the application:
  - a. The movement of any building or structure adjacent to an exterior boundary line, closer to the boundary line of the property;
  - b. Any increase in the number of dwelling units or any increase in the total amount of floor space of any nonresidential building;
  - c. Any decrease in the size of residential units;
  - d. Any increase in the number of curb cuts;
  - e. Any decrease in the buffer requirements;
  - f. Any increase in the height of any building or structure;
  - g. Any change in the proportion of floor space devoted to different authorized uses;
  - h. Any change in the zoning classification requested; or
  - i. Any change in the land use plan classification that increases the density of the proposed use.
- 5. A change to a site plan or proposed condition of zoning associated with an application, which change has been accepted and allowed to be part of the application, may be deferred by the board of commissioners for a full-cycle review if the board of commissioners determines such review is reasonably necessary as a result of the change. The amended application shall be treated as if it were a new application, for the purposes of publication, review, notice and hearings, as required under this article, including review by the community council and planning commission. An amendment to an application shall not change the original filing date of that application. An amended application shall not require a new application fee. However, in the case of a deferral requested by the applicant, the applicant shall pay a required re-advertising fee.

Therefore, it is the recommendation of the Planning & Sustainability Department that the major modification proposal that was received after the November legal ad publication be "Deferred, Full Cycle".

This document is submitted both as a Statement of Intent and Impact Analysis with regard to this Application, a preservation of the Applicant's constitutional rights, and the Impact Analysis.

A surveyed plat and conceptual site plan of the Subject Property controlled by the Applicant has been filed contemporaneously with the Application, along with other required materials.

#### **II. IMPACT ANALYSIS**

(a) The existing land uses and zoning classification of nearby property;

The Subject Property is located on Bouldercrest Road and is currently zoned R-100, with a land use designation of SUB. Zoning classifications of surrounding properties include M-1, R-75, RSM, and R-100. Land uses of surrounding properties include COS and SUB.

*(b) The effect on adjacent properties;* 

The proposed mixed-use building is suitable for the area and will not adversely affect adjacent properties. The proposed project will be an asset to the greater community by adding a mixture of dwelling units.

(c) Whether the subject property has a reasonable economic use as currently zoned;

The Subject Property does not have a reasonable economic use as currently zoned. The parcel is quite long and narrow and is to be established as an infill development.

(d) Whether the proposed zoning will be a use that is suitable in view of the use and development of adjacent and nearby property;

The proposed RSM zoning will be a use that is suitable in view of the use and development of adjacent and nearby property. The proposal is consistent with the Suburban future land use designation, as well as with the overwhelmingly residential nature of the surrounding properties.

(e) Whether the proposed zoning will adversely affect the existing use or usability of adjacent or nearby property;

The proposed zoning will not negatively impact the existing use or usability of adjacent or nearby property. The proposed 100 homes will increase housing options in the area, and therefore will be an asset to the greater community.

(f) Whether the zoning proposal is in conformity with the policies and intent of the land use plan;

The proposed live/work/retail building is in conformity with the policies and intent of the Suburban future land use.

(g) Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools; and

To the Applicant's knowledge, the proposed use will not cause any excessive or burdensome use on the existing streets, transportation facilities, utilities, or schools in the area.

(h) Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the zoning proposal.

To the Applicant's knowledge, there are no other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the zoning proposal.

#### **III. CONCLUSION**

For the foregoing reasons, the Applicant respectfully requests that the Rezoning Application at issue be approved. The Applicant also invites and welcomes any comments from Staff or other officials of DeKalb County so that such recommendations or input might be incorporated as conditions of approval of this Application. Please note that the Applicant's Notice of Constitutional Allegations and Preservation of Constitutional Rights has been submitted with this Application and are attached hereto and by this reference incorporated herein.

This 21st day of February 2022.

Respectfully submitted,

Michele Battle /DLB

#### NOTICE OF CONSTITUTIONAL ALLEGATIONS AND PRESERVATION OF

#### **CONSTITUTIONAL RIGHTS**

The portions of the DeKalb County Zoning Ordinance, facially and as applied to the Subject Property, which restrict or classify or may restrict or classify the Subject Property so as to prohibit its development as proposed by the Applicant are or would be unconstitutional in that they would destroy the Applicant's property rights without first paying fair, adequate and just compensation for such rights, in violation of the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States and Article I, Section I, Paragraph I of the Constitution of the State of Georgia of 1983, Article I, Section III, Paragraph I of the Constitution of the State of Georgia of 1983, and would be in violation of the Commerce Clause, Article I, Section 8, Clause 3 of the Constitution of the United States.

The application of the DeKalb County Zoning Ordinance to the Subject Property which restricts its use to any classification other than that proposed by the Applicant is unconstitutional, illegal, null and void, constituting a taking of Applicant's Property in violation of the Just Compensation Clause of the Fifth Amendment to the Constitution of the United States, Article I, Section I, Paragraph I, and Article I, Section III, Paragraph I of the Constitution of the State of Georgia of 1983, and the Equal Protection and Due Process Clauses of the Fourteenth Amendment to the Constitution of the United States denying the Applicant an economically viable use of its land while not substantially advancing legitimate state interests.

A denial of this Application would constitute an arbitrary irrational abuse of discretion and unreasonable use of the zoning power because they bear no substantial relationship to the public health, safety, morality or general welfare of the public and substantially harm the Applicant in violation of the due process and equal protection rights guaranteed by the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States, and Article I, Section I, Paragraph I and Article I, Section III, Paragraph 1 of the Constitution of the State of Georgia.

A refusal by the DeKalb County Board of Commissioners to grant the Special Land Use Permit as requested by the Applicant would be unconstitutional and discriminate in an arbitrary, capricious and unreasonable manner between the Applicant and owners of similarly situated property in violation of Article I, Section I, Paragraph II of the Constitution of the State of Georgia of 1983 and the Equal Protection Clause of the Fourteenth Amendment to the Constitution of the United States. Any granting of the Special Land Use Permit subject to conditions which are different from the conditions requested by the Applicant, to the extent such different conditions would have the effect of further restricting Applicant's utilization of the property, would also constitute an arbitrary, capricious and discriminatory act in zoning the Subject Property to an unconstitutional classification and would likewise violate each of the provisions of the State and Federal Constitutions set forth hereinabove.

A refusal to grant the Special Land Use Permit in question would be unjustified from a fact-based standpoint and instead would result only from constituent opposition, which would be an unlawful delegation of authority in violation of Article IX, Section II, Paragraph IV of the Georgia Constitution.

A refusal to approve the Special Land Use Permit in question would be invalid inasmuch as it would be denied pursuant to an ordinance which is not in compliance with the Zoning Procedures Law, O.C.G.A Section 36-66/1 et seq., due to the manner in which the Ordinance as a whole and its map(s) have been adopted.

The existing zoning classification on the Subject Property is unconstitutional as it applies to the Subject Property. This notice is being given to comply with the provisions of O.C.G.A. Section 36-11-1 to afford the County an opportunity to revise the Property to a constitutional classification. If action is not taken by the County to rectify this unconstitutional zoning classification within a reasonable time, the Applicant is hereby placing the County on notice that it may elect to file a claim in the Superior Court of DeKalb County demanding just and adequate compensation under Georgia law for the taking of the Subject Property, diminution of value of the Subject Property, attorney's fees and other damages arising out of the unlawful deprivation of the Applicant's property rights.
