**PURPOSE:**

Application of Bimor, LLC c/o Battle Law, P.C. to request a Major Modification to zoning conditions pursuant to CZ-00043 to allow the construction of eight (8) single-family attached townhomes in the RSM (Residential Small Lot) zoning district. The property is located on the north side of Covington Highway and the west side of Wellington Walk Place, at 7006 Covington Highway, Lithonia, Georgia. The property has approximately 265 feet of frontage along Wellington Walk Place and 150 feet of frontage along Covington Highway and contains 1.09 acres.

**RECOMMENDATION:**

**COMMUNITY COUNCIL:** (June 12, 2023) Approval. (Apr. 3, 2023) Deferral. (Feb. 6, 2023) Approval.

**PLANNING COMMISSION:** (July 11, 2023) Pending. (May 2, 2023) Full Cycle Deferral. (March 7, 2023) Full Cycle Deferral.

**PLANNING STAFF:** Approval with Conditions.

**STAFF ANALYSIS:** The applicant requests a major modification of zoning conditions of CZ-00043 applicable to the Wellington Walk Subdivision to allow for the construction of seven (7) single-family, attached townhome units in addition to the eighty-two (82) units that were approved by the Board of Commissioners on May 09, 2000. As part of that application, the subdivision was conditionally rezoned Traditional Neighborhood Development (TND) and C-1 (Local Commercial) and a portion of the parent parcel was designated for neighborhood shopping development along Covington Highway. The conditional TND zoning was converted to conditional RSM when the new *Zoning Ordinance* was adopted in 2015. In 2017, two (2) acres of the 3.13 acres was conditionally rezoned to Neighborhood Shopping (NS) for a Family Dollar store. The subject property is the remaining portion of the original parent tract. The existing character area of the subject parcel is Suburban (SUB) and supports the proposed townhome use (*Comprehensive Plan*, pg. 41). The proposed use would be consistent and compatible with the existing townhome uses within the Wellington Walk Subdivision. The applicant originally proposed a total of eight (8) dwelling units with the original submittal of the application. A series of regulatory design changes led to the elimination of one (1) of the eight (8) proposed units. The revised site plan proposes a total of seven (7) new units, which results in eighty-nine (89) units overall in the Wellington Walk Subdivision. The new conceptual site plan shows a configuration that is consistent with development pattern of the original townhomes throughout the rest of the existing subdivision to the north. One notable exception is that

although the site plan mentions that the townhomes are to be sold as fee-simple units, no individual lot lines are shown and the townhomes are currently portrayed as townhome-style condominiums, which are permitted but will be enforced differently with respect to certain building standards such as setbacks, lot coverage, lot/unit width, etc. Correspondence with the applicant confirmed that the proposed dwelling units would be standard fee simple townhomes. The change to standard fee simple townhomes on individual lots would likely meet minimum requirements and only require minimal revisions to the site plan; the largest of which would be increasing the unit width to the required 25 feet in the RSM Zoning District for the fee simple configuration. The new site plan demonstrates compliance with density requirements. Proposed community amenities such as enhanced open space (2 unit bonus per acre), sidewalk extensions (0.8 unit bonus per acre), and public art installations (0.8 unit bonus per acre) provide for density bonuses that increase the base maximum density from four (4) units per acre to 7.6 units per acre. With the property comprising 0.965 acres after proposed right-of-way dedication, the seven (7) units would have a proposed density of 7.2 units per acre, meeting the requirement with the proposed bonuses. The portion of Wellington Park Place that traverses through the subject property is private and will remain as a private road, although it will be required to be improved to public street standards and be in compliance with sidewalks, landscaping, and Americans with Disabilities Act (ADA) requirements. An easement allowing access through the private portion of Wellington Walk Place to the existing subdivision to the north and the Family Dollar to the east already exists as of the time of this analysis. Stormwater management will be addressed via an underground system. Any portions of the development that do not comprise the fee-simple lots shall be maintained by an HOA, including the proposed pocket park, stormwater detention facilities, and the private street. Although the plan is still conceptual at this time, the proposal is consistent with the character of the existing area and appears to comply with zoning and other agency requirements. Therefore, after a review of Chapter 27-7.3.5 and 7.3.10, the Planning & Sustainability Department recommends “Approval of the request for major modification to the conditions of CZ-00043”. See attached conditions.

1. 10.19 acres of the Subject Property will be rezoned TND, with 7.06 acres to contain no more than 82 single-family attached town homes, and 3.13 acres designated as neighborhood shopping, developed substantially in accordance with the Site Plan dated November 15, 1999, prepared by East Metro Surveying & Engineers, Inc, which is being contemporaneously filed with the Planning Department.
  - A. The adoption of the 2015 DeKalb County Zoning Ordinance has resulted in the conversion of the TND zoning district to the RSM zoning district. Any further references to TND in these conditions shall be replaced by RSM for practical purposes. Where current RSM district requirements conflict with these conditions, these conditions shall prevail.
  - B. No more than seven (7) additional single-family attached town homes shall be constructed on approximately 1.06 acres of land previously designated as neighborhood shopping on the November 1999 Site Plan, in general accordance with the Site Plan dated June 12, 2023, prepared by Planners & Engineers Collaborative.
2. Two (2) acres of the Subject Property will be rezoned C-1 and developed substantially in accordance with the Site Plan referenced to in Condition #1.
3. Underground utilities will be utilized.
4. A 20' strip along the western, northern, and eastern boundary of the town home portion of the Subject Property will be reserved as common/open area with existing trees to remain in accordance with the Site Plan referenced in Condition #1.
5. A five-foot (5') sidewalk with a five-foot (5') landscape strip shall be installed on all streets within the TND portion of the Subject Property in accordance with the Site Plan referenced in Condition #1.
  - A. The proposed sidewalk/landscape strip along Wellington Walk Place connecting Covington Highway with the completed townhouse development per the November 1999 Site Plan shall match the dimensions of the completed sidewalk/landscape strip immediately adjacent to the north.
6. All parking for the TND portion of the Subject Property shall be off-street (a parking pad for two (2) automobiles shall be constructed in front of every town home) and a minimum of ten feet (10') shall be maintained between parking and residential buildings in accordance with the Site Plan referenced in Condition #1.
7. A six-foot (6') shadowbox fence shall be installed along the northern border of the Subject Property.
8. The development of the NS portion of the Subject Property shall include access from the town home project to Covington Highway. The portion of Wellington Walk Place included on the June 2023 site plan shall be a private street built to public street standards. An access easement for this portion of Wellington Walk Place that connects with other public streets/all other properties formed from the original Subject Property shall be provided and shall exist in perpetuity.
9. No liquor shall be served on the portion of the Subject Property to be designated as C-1.
10. There shall be a mandatory homeowners association. A separate homeowners association shall be created for the proposed development shown on the June 2023 site plan.
11. The protective covenants established for the town home portion of the Subject Property shall run with the land.
12. Front yards of the townhome project shall be sodded prior to occupancy.
13. The entrance to the subdivision shall be landscaped and monument signage used for its identification.

14. Streetlights will be installed in the subdivision.

15. Developer to provide accel/decel lane on left side of Phillips Road.

**Staff Recommendation:** Approval with conditions.

The applicant requests a major modification of zoning conditions of CZ-00043 applicable to the Wellington Walk Subdivision to allow for the construction of seven (7) single-family, attached townhome units in addition to the eighty-two (82) units that were approved by the Board of Commissioners on May 09, 2000. As part of that application, the subdivision was conditionally rezoned Traditional Neighborhood Development (TND) and C-1 (Local Commercial) and a portion of the parent parcel was designated for neighborhood shopping development along Covington Highway. The conditional TND zoning was converted to conditional RSM when the new *Zoning Ordinance* was adopted in 2015. In 2017, two (2) acres of the 3.13 acres was conditionally rezoned to Neighborhood Shopping (NS) for a Family Dollar store. The subject property is the remaining portion of the original parent tract.

The existing character area of the subject parcel is Suburban (SUB) and supports the proposed townhome use (*Comprehensive Plan*, pg. 41). The proposed use would be consistent and compatible with the existing townhome uses within the Wellington Walk Subdivision.

The applicant originally proposed a total of eight (8) dwelling units with the original submittal of the application. A series of regulatory design changes led to the elimination of one (1) of the eight (8) proposed units. The revised site

plan proposes a total of seven (7) new units, which results in eighty-nine (89) units overall in the Wellington Walk Subdivision.

The new conceptual site plan shows a configuration that is consistent with development pattern of the original townhomes throughout the rest of the existing subdivision to the north. One notable exception is that although the site plan mentions that the townhomes are to be sold as fee-simple units, no individual lot lines are shown and the townhomes are currently portrayed as townhome-style condominiums, which are permitted but will be enforced differently with respect to certain building standards such as setbacks, lot coverage, lot/unit width, etc. Correspondence with the applicant confirmed that the proposed dwelling units would be standard fee simple townhomes. The change to standard fee simple townhomes on individual lots would likely meet minimum requirements and only require minimal revisions to the site plan; the largest of which would be increasing the unit width to the required 25 feet in the RSM Zoning District for the fee simple configuration.

The new site plan demonstrates compliance with density requirements. Proposed community amenities such as enhanced open space (2 unit bonus per acre), sidewalk extensions (0.8 unit bonus per acre), and public art installations (0.8 unit bonus per acre) provide for density bonuses that increase the base maximum density from four (4) units per acre to 7.6 units per acre. With the property comprising 0.965 acres after proposed right-of-way dedication, the seven (7) units would have a proposed density of 7.2 units per acre, meeting the requirement with the proposed bonuses.

The portion of Wellington Park Place that traverses through the subject property is private and will remain as a private road, although it will be required to be improved to public street standards and be in compliance with sidewalks, landscaping, and Americans with Disabilities Act (ADA) requirements. An easement allowing access through the private portion of Wellington Walk Place to the existing subdivision to the north and the Family Dollar to the east already exists as of the time of this analysis. Stormwater management will be addressed via an underground system. Any portions of the development that do not comprise the fee-simple lots shall be maintained by an HOA, including the proposed pocket park, stormwater detention facilities, and the private street.

Although the plan is still conceptual at this time, the proposal is consistent with the character of the existing area and appears to comply with zoning and other agency requirements. Therefore, after a review of Chapter 27-7.3.5 and 7.3.10, the Planning & Sustainability Department recommends *Approval* of the request for major modification to the conditions of CZ-00043.

Re: Rezone Application Review

General Comments:

DeKalb County Health Regulations prohibit use of on-site sewage disposal systems for

- multiple dwellings
- food service establishments
- hotels and motels
- commercial laundries
- funeral homes
- schools
- nursing care facilities
- personal care homes with more than six (6) clients
- child or adult day care facilities with more than six (6) clients
- residential facilities containing food service establishments

If proposal will use on-site sewage disposal, please contact the Land Use Section (404) 508-7900.

Any proposal, which will alter wastewater flow to an on-site sewage disposal system, must be reviewed by this office prior to construction.

This office must approve any proposed food service operation or swimming pool prior to starting construction.

Public health recommends the inclusion of sidewalks to continue a preexisting sidewalk network or begin a new sidewalk network. Sidewalks can provide safe and convenient pedestrian access to a community-oriented facility and access to adjacent facilities and neighborhoods.

For a public transportation route, there shall be a 5ft. sidewalk with a buffer between the sidewalk and the road. There shall be enough space next to sidewalk for bus shelter's concrete pad installation.

Since DeKalb County is classified as a Zone 1 radon county, this office recommends the use of radon resistant construction.

## DEKALB COUNTY GOVERNMENT PLANNING DEPARTMENT DISTRIBUTION FORM

The following areas below may warrant comments from the Development Division. Please respond accordingly as the issues relate to the proposed request and the site plan enclosed as it relates to Chapter 14. You may address applicable disciplines.

### DEVELOPMENT ANALYSIS:

- **Storm Water Management**

- (1) Compliance with the Georgia Stormwater Management Manual, DeKalb County Code of Ordinances 14-40 for Stormwater Management and 14-42 for Storm Water Quality Control (those sections have been amended recently, and available in Municode), to include Runoff Reduction Volume where applicable is required as a condition of land development permit approval. Use Volume Three of the G.S.M.M. for best maintenance practices. Use the NOAA Atlas 14 Point Precipitation Data set specific to the site. Recommend Low Impact Development features/ Green Infrastructure be included in the proposed site design to protect as much as practicable the statewaters and special flood hazard areas.
- (2) The county codes require the hydrology study to model the existing conditions as wooded
- (3) Runoff Reduction Volume shall be provided unless technical justification is provided regarding the unfeasibility. Strongly recommend investigating the site and identify location where RRV can be provided and re-design/revise the layout to comply with the RRV requirement.

- **Flood Hazard Area/Wetlands**

The presence of FEMA Flood Hazard Area was not in the County G.I.S. mapping records for the site; and should be noted in the plans at the time of any land development permit application. Encroachment of flood hazard areas require compliance with Article IV of Chapter 14 and FEMA floodplain regulations

- **Landscaping/Tree Preservation**

Landscaping and tree preservation plans for any building, or parking lot must comply with DeKalb County Code of Ordinances 14-39 as well as Chapter 27 Article 5 and are subject to approval from the County Arborist.

- **Tributary Buffer**

State water buffer was not reflected in the G.I.S. records for the site. Typical state waters buffer have a 75' undisturbed stream buffer and land development within the undisturbed creek buffer is prohibited without a variance per DeKalb County Code of Ordinances 14-44.1.

Please provide additional information relating to the following statement.

According to studies conducted by the Institute of Traffic Engineers (ITE) 6/7<sup>TH</sup> Edition (whichever is applicable), churches generate an average of fifteen (15) vehicle trip end (VTE) per 1,000 square feet of floor area, with an eight (8%) percent peak hour factor. Based on the above formula, the \_\_\_\_\_ square foot place of worship building would generate \_\_\_\_\_ vehicle trip ends, with approximately \_\_\_\_\_ peak hour vehicle trip ends.

Single Family residence, on the other hand, would generate ten (10) VTE's per day per dwelling unit, with a ten (10%) percent peak hour factor. Based on the above referenced formula, the \_\_\_\_\_ (Single Family Residential) District designation which allows a maximum of \_\_\_\_\_ units per acres, and the given fact that the project site is approximately \_\_\_\_\_ acres in land area, \_\_\_\_\_ daily vehicle trip end, and \_\_\_\_\_ peak hour vehicle trip end would be generated with residential development of the parcel.

COMMENTS:

Did not see any traffic engineering concerns at this time.

### REZONING APPLICATION CHECKLIST

Submit 4 printed, collated sets of the complete application (no staples, no binders) and a PDF version on a flash drive

\_\_\_\_\_ 1. Schedule a mandatory **Pre-Application Conference** with Planning & Sustainability staff by appointment. Obtain **Pre-Application form** (to be completed in pre-application meeting). Please call 404-371-2155 for appointment.

\_\_\_\_\_ 2. Hold a **Pre-Submittal Community Meeting** with surrounding neighborhood associations and residents. Provide documentation of the meeting (**meeting notice and sign in sheets**). Letter(s) from homeowners association(s) may also be provided.

\_\_\_\_\_ 3. Submit **Application** (Submit 4 printed, collated sets and a PDF version on a flash drive. Please assemble materials in the following order.)

\_\_\_\_\_ **A. Application form** with name and address of applicant and owner, and address of subject property;

\_\_\_\_\_ **B. Pre-submittal community meeting notice and sign-in sheet** and other documentation of meeting, if any;

\_\_\_\_\_ **C. Letter of application and impact analysis**

1. **Letter of application** identifying a) the proposed zoning classification, b) the reason for the rezoning or special use or modification request, c) the existing and proposed use of the property, d) detailed characteristics of the proposed use ( e.g. floor area, height of building(s), number of units, mix of unit types, number of employees, manner and hours of operation), d)(optional) statement of conditions discussed with the neighborhood or community, if any.

2. **Impact analysis** of the anticipated impact of the proposed use and rezoning on the surrounding properties in response to the standards and factors specified in Article 7.3 of the DeKalb County Zoning Ordinance, as attached. If a Major Modification, please include previously approved conditions and Board of Commissioner meeting minutes.

\_\_\_\_\_ **D. Authorization Form**, if applicant is not the owner. Must be signed by all owners of the subject property and notarized. Authorization must contain the mailing address and phone number of any applicant or agent who is authorized to represent the owner(s) of the subject property. Please include warranty deed, if property ownership is less than 2 years.

\_\_\_\_\_ **E. Campaign disclosure statement** (required by State law).

\_\_\_\_\_ **F. Legal boundary survey** of the subject property, (showing boundaries, structures, and improvements), prepared and sealed within the last year by a professional engineer or land surveyor registered in the State of Georgia. *(If survey shows property on opposite sides of a public street right-of-way, file a separate application for each property.)*

\_\_\_\_\_ **G. Site Plan**, printed to scale, folded, of any existing and or proposed development/redevelopment. For projects larger than 1 acre, site plan should be at least 1:50 scale. The site plan must include the following:

- \_\_\_\_\_ a. complete boundaries of subject property;
- \_\_\_\_\_ b. dimensioned access points and vehicular circulation drives;
- \_\_\_\_\_ c. location of all existing and proposed buildings, structures, setbacks and parking;
- \_\_\_\_\_ d. location of 100 year floodplain and any streams;
- \_\_\_\_\_ e. notation of the total acreage or square footage of the subject property;
- \_\_\_\_\_ f. landscaping, tree removal and replacement, buffer(s); and
- \_\_\_\_\_ g. site plan notes of building square footages, heights, density calculations, lot coverage of impervious surfaces, parking ratios, open space calculations, and other applicable district standards.

\_\_\_\_\_ **H. Reduced Site Plan**, reduced to 8.5" x 11".

\_\_\_\_\_ **I. Written Legal Description** of metes and bounds of the subject property (can be printed on site plan or survey).

\_\_\_\_\_ **J. Building Form Information**. Elevation (line drawing or rendering), or details of proposed materials, in compliance with Article 5 of the Zoning Ordinance.

\_\_\_\_\_ **K. Completed, signed Pre-application Form** (Provided at pre-application meeting.)

## **I. LETTER OF INTENT**

BIMOR LLC (the “Applicant”) is seeking to develop on +/- 1.09 acres of land being Tax Parcel No. 1610401004 having frontage on 7006 Covington Highway (the “Subject Property”) with eight (8) townhomes. The Applicant is seeking a Rezoning of the Subject Property from NS to RSM.

While the DeKalb County GIS map shows that the property is already zoned RSM, case number CZ-00043 shows that the Subject Property was last rezoned to TND (now NS) and has not been changed since. In that case, Kathryn Zickert sought “to rezone property located at the northwest intersection of Covington Highway and Phillips Road from R-100 to TND and C-1.” The application was approved “conditioned on a site plan for eighty-two (82) attached single family townhomes on 7.06 acres, neighborhood shopping on 3.13 acres and two acres designated as C-1.” Given this condition and the current zoning of property at the corner of Covington Highway and Phillips Road, the Subject Property of this application was rezoned from R-100 to TND (now NS). There is no other zoning case after CZ-00043.

Despite this zoning history, DeKalb County’s GIS map shows that the Subject Property is zoned RSM. The Applicant contends that this is in error and that a rezoning is required.

If the DeKalb County Department of Planning and Sustainability finds that the Subject Property is already zoned RSM, then this application should convert to a Major Modification of Conditions to increase the number of permitted townhomes from eighty-two (82) to ninety (90) to allow for these eight (8) new townhomes.

This document serves as a statement of intent, analysis of the criteria under the DeKalb County Zoning Ordinance and contains notice of constitutional allegations as a reservation of the Applicant’s rights.

## **II. DEKALB COUNTY REZONING CRITERIA**

Under the DeKalb County Code of Ordinances the following criteria “shall govern the review of all proposed amendments to the official zoning map:”

- A. Whether the zoning proposal is in conformity with the policy and intent of the comprehensive plan;

The zoning proposal is in conformity with the policy and intent of the comprehensive plan. The future land use on the Subject Property is Suburban, which explicitly lists RSM as a permitted district and townhomes as a permitted use. This zoning proposal would continue the pattern of development in the area by extending the already existing townhome neighborhood by eight (8) units. So, the zoning proposal would not disrupt any existing pattern of development. Therefore, the zoning proposal is in conformity with the policy and intent of the comprehensive plan.

- B. Whether the zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby property of properties;

## Battle Law

The zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby properties. The adjacent properties to the west and north are developed for residential uses with those to the north being townhomes. To the east, the property is developed for retail. The zoning proposal will permit a use that matches the residential nature of the properties to the west and to the north and will extend the existing townhome use. Therefore, the zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby properties.

- C. Whether the property to be affected by the zoning proposal has a reasonable economic use as currently zoned;

The Subject Property does not have a reasonable economic use as currently zoned.

- D. Whether the zoning proposal will adversely affect the existing use or usability of adjacent or nearby property or properties;

The zoning proposal will not adversely affect the existing use or usability of adjacent or nearby properties. The zoning proposal will continue the pattern of development in the area. The new townhomes will not adversely affect the existing townhomes in any way. Furthermore, the new townhomes will only positively impact the existing adjacent retail uses by providing new, nearby customers to help those businesses. Therefore, the zoning proposal will not adversely affect the existing use or usability of adjacent or nearby properties.

- E. Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the zoning proposal;

The Applicant is not aware of any other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the zoning proposal.

- F. Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools; and

The zoning proposal will not result in a use which will or could cause excessive or burdensome use of existing streets, transportation facilities, utilities, or schools. The zoning proposal contemplates a maximum of eight (8) townhome units. The addition of only eight (8) will at best cause very minimal strain to the existing streets, transportation facilities, utilities, or schools. Therefore, the zoning proposal will not result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools.

- G. Whether the zoning proposal adversely impacts the environment or surrounding resources.

## Battle Law

The zoning proposal will not adversely impact the environment or surrounding resources. The Subject Property is mostly clear already, so little to no trees will need to be cut down to accommodate this zoning proposal. Additionally, there are no streams in the area to be affected by the zoning proposal. Therefore, the zoning proposal will not adversely impact the environment or surrounding resources.

### **III. CONCLUSION**

For the foregoing reasons, the Applicant hereby requests that the application for a Rezoning from NS to RSM be approved. The Applicant welcomes any questions and feedback from the planning staff.

### **IV. NOTICE OF CONSTITUTIONAL ALLEGATIONS AND PRESERVATION OF CONSTITUTIONAL RIGHTS**

The portions of the DeKalb County Zoning Ordinance, facially and as applied to the Subject Property, which restrict or classify or may restrict or classify the Subject Property so as to prohibit its development as proposed by the Applicant are or would be unconstitutional in that they would destroy the Applicant's property rights without first paying fair, adequate and just compensation for such rights, in violation of the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States and Article I, Section I, Paragraph I of the Constitution of the State of Georgia of 1983, Article I, Section III, Paragraph I of the Constitution of the State of Georgia of 1983, and would be in violation of the Commerce Clause, Article I, Section 8, Clause 3 of the Constitution of the United States.

The application of the DeKalb County Zoning Ordinance to the Subject Property which restricts its use to any classification other than that proposed by the Applicant is unconstitutional, illegal, null and void, constituting a taking of Applicant's Property in violation of the Just Compensation Clause of the Fifth Amendment to the Constitution of the United States, Article I, Section I, Paragraph I, and Article I, Section III, Paragraph I of the Constitution of the State of Georgia of 1983, and the Equal Protection and Due Process Clauses of the Fourteenth Amendment to the Constitution of the United States denying the Applicant an economically viable use of its land while not substantially advancing legitimate state interests.

A denial of this Application would constitute an arbitrary irrational abuse of discretion and unreasonable use of the zoning power because they bear no substantial relationship to the public health, safety, morality or general welfare of the public and substantially harm the Applicant in violation of the due process and equal protection rights guaranteed by the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States, and Article I, Section I, Paragraph I and Article I, Section III, Paragraph 1 of the Constitution of the State of Georgia.

A refusal by the DeKalb County Board of Commissioners to amend the land use and/or rezone the Subject Property to the classification as requested by the Applicant would be unconstitutional and discriminate in an arbitrary, capricious and unreasonable manner between the Applicant and owners of similarly situated property in violation of Article I, Section I, Paragraph II of the

## Battle Law

Constitution of the State of Georgia of 1983 and the Equal Protection Clause of the Fourteenth Amendment to the Constitution of the United States. Any Rezoning of the Property subject to conditions which are different from the conditions requested by the Applicant, to the extent such different conditions would have the effect of further restricting Applicant's utilization of the property, would also constitute an arbitrary, capricious and discriminatory act in zoning the Subject Property to an unconstitutional classification and would likewise violate each of the provisions of the State and Federal Constitutions set forth hereinabove.

A refusal to allow the land use amendment and/or Rezoning in questions would be unjustified from a fact-based standpoint and instead would result only from constituent opposition, which would be an unlawful delegation of authority in violation of Article IX, Section II, Paragraph IV of the Georgia Constitution.

A refusal to allow the land use amendment and/or Rezoning in question would be invalid inasmuch as it would be denied pursuant to an ordinance which is not in compliance with the Zoning Procedures Law, O.C.G.A Section 36-66/1 et seq., due to the manner in which the Ordinance as a whole and its map(s) have been adopted.

The existing land use designation and/or zoning classification on the Subject Property is unconstitutional as it applies to the Subject Property. This notice is being given to comply with the provisions of O.C.G.A. Section 36-11-1 to afford the County an opportunity to revise the Property to a constitutional classification. If action is not taken by the County to rectify this unconstitutional land use designation and/or zoning classification within a reasonable time, the Applicant is hereby placing the County on notice that it may elect to file a claim in the Superior Court of Fulton County demanding just and adequate compensation under Georgia law for the taking of the Subject Property, diminution of value of the Subject Property, attorney's fees and other damages arising out of the unlawful deprivation of the Applicant's property rights.

**PHONE NUMBER** (404) 371 - 2155

Deferred from the 3/29/00 zoning hearing and the 4/25/00 BOC meeting for decision only.

**PURPOSE:**

CZ-00043

Application of Kathryn Zickert to rezone property located at the northwest intersection of Covington Highway and Phillips Road from R-100 to TND (conditional) and C-1. The property has frontage of 778 feet on Covington Highway and 623 feet on Phillips Road and contains 12.19 acres. The application is conditioned on a site plan for 82 attached single family townhomes on 7.06 acres, neighborhood shopping on 3.13 acres and two acres designated as C-1 plus a list of 11 conditions.

**SUBJECT PROPERTY** Parcel-ID #: 16-104-1-2 & 4**RECOMMENDATION(S):****PLANNING DEPARTMENT**

Approval with conditions. (Revised 4/27/00). This proposal is appropriate for this intersection given the uses and zoning across Covington Highway and Phillips Road. The property to the west is zoned R-DT, a quasi-multifamily type of zoning. The TND has the required 10 acres. Staff recommends approval based on the following:

1. For 82 single family townhomes, 3.13 acres of neighborhood shopping and two acres of C-1 based on the site plan.
2. Traffic improvements as required by Public Works and GA DOT.
3. Townhomes to have a minimum square footage of 1,200 square feet.
4. Eleven conditions submitted by the applicant.

**PLANNING COMMISSION:**

Deferral for full cycle.

**FOR USE BY COMMISSION OFFICE/CLERK ONLY**

---

**ACTION:**

MOTION was made by Commissioner Davis, seconded by Commissioner Boyer, and passed 5-1-0-0, to approve the rezoning application of Kathryn Zickert with the exception of No. 4. Kathryn Zickert submitted 14 conditions to be made a part of this application and it was read into the record by Commissioner Davis. The Board asked that Item 15 be added which states "Create the new lane south on Phillips Road." A copy of conditions are on file the Clerk's Office. Commissioner Yates opposed.

ZONING HEARING - MAIN AUDITORIUM - 7:30 P. M. CON'T.1. Application of Sidney D. Cobb, Con't:

C) Covington  
Hwy.  
Phillips  
Rd.

PLANNING DEPARTMENT RECOMMENDATION: Approval.  
The request is consistent with recommendations of the Comprehensive Plan for residential land use along this area of Covington Highway. The proposal also establishes a residential precedent for development on this improved frontage.

PLANNING COMMISSION RECOMMENDATION: Approval.

DECISION:

MOTION was made by Commissioner Manning, seconded by Commissioner Williams, and unanimously passed, to approve the application.

Snapfinger  
Wds. Dr.

Application of R. B. Weeks & Associates, Inc., to rezone property located on the west side of Wesley Chapel Road, 1,300 north of Snapfinger Woods Drive, from R-75 to R-DT. The property has frontage of 300' and contains 7.512 acres.

Mr. R. B. Weeks, 280 Northern Avenue, Avondale, presented the application. He stated he had nothing new to add to his presentation made at the Planning Commission meeting.

Opposition: Mr. Roger Frobe, 1949 Copperfield Circle, Decatur, 30035, represented Easterwood Subdivision, and several other subdivisions in the immediate area. They are opposed to the impact this would have on Towers High School which is already overcrowded, the increased traffic on Wesley Chapel Road, the possible extension of Emerald Lake Drive to Wesley Chapel, and increased sewer problems, particularly with R-DT development. They are for progress but they do not feel the application is appropriate for the already developed R-75 community it will abut.

PLANNING DEPARTMENT RECOMMENDATION: Approval with conditions. This property is located between a riding stable on the north and developing C-1 acreage on the south. The C-1 to the south has been cleared leaving little or no buffer protection to subject tract. Staff therefore considers this property inappropriate for R-75 development due to area land use and zoning. The two conditions recommended with the approval are as follows:

1. Street shall be cul-de-sac.
2. Pedestrian access is provided to Snapfinger Way for children to walk to Canby Lane Elementary School.

PLANNING COMMISSION RECOMMENDATION: Approval.
