Application of Elizabeth D. Scott requesting to rezone a property from R-75 (Residential Medium Lot-75) zoning district to O-I (Office Institutional) zoning district to allow for a mixed-use development, at 3837 Redan Road.

PETITION NO: N12-2023-0594 Z-23-1246466

PROPOSED USE: Mixed-use development.

LOCATION: 3837 Redan Road, Decatur, Georgia 30032.

PARCEL NO. : 15-221-03-001

PURPOSE:

Application of Elizabeth D. Scott requesting to rezone a property from R-75 (Residential Medium Lot-75) zoning district to O-I (Office Institutional) zoning district to allow for a mixed-use development. The property is located at 3837 Redan Road in Decatur, Georgia and is also within the Indian Creek Overlay District.

RECOMMENDATION:

COMMUNITY COUNCIL: Approval.

PLANNING COMMISSION: Pending.

PLANNING STAFF: Approval.

STAFF ANALYSIS: The applicant, Elizabeth Scott, is seeking to rezone 3837 Redan Road from the R-75 (Residential Medium Lot-75) Zoning District to the O-I (Office Institutional) Zoning District. The applicant owns the adjacent parcel, 3851 Redan Road, which is zoned O-I (Office Institutional). Both properties are located in the Indian Creek Overlay District. The owner anticipates redeveloping 3851 Redan Road for a mixed-use development. The rezone request is to alleviate the R-75 zoning classification requirements of a 50-foot transitional buffer between R-75 and O-I zoning districts. Currently, both the subject site and 3851 Redan Road are vacant lots abutting I-285 and are adjacent to two (2) single family residences (3859 & 3865 Redan Road) both of which are also zoned O-I. The subject site 3837 Redan Road will remain undisturbed indefinitely while the applicant awaits further direction from the Georgia Department of Transportation (GDOT). GDOT is in the process of purchasing a rear portion of the subject site for future I-285 express lane development. The development will be in two (2) phases. Phase one (1) will begin on the adjacent property 3851 Redan Road including a mixed-use development of a 3-story building with eight (8) loft apartments – six (6) of which are twostory lofts that comprise the 2nd and 3rd floor, three (3) ground floor retail units, and a rooftop terrace. The applicant has stated “the rental units will house traveling medical professionals including, nurses, doctors, and their assistants, physical, occupational, speech therapists and their assistants, respiratory therapists and their assistants, surgical technicians, etc.” The applicant also included to join a housing list associated with Electric Owl Studios as a long-term rental option for movie production professionals since the Studio is located within 0.5 miles of the subject site. Phase two (2) of the development remains indefinite as the proposal will depend on how much land is acquired by GDOT. The applicant has stated the subject site will remain as is (vacant) until there is more communication with GDOT. The requested rezoning to O-I is consistent with the *Comprehensive*

Plan and Zoning Ordinance. 3837 Redan Road is located in the Town Center (TC) future land use character area, which includes OI as a permissible zoning district (pg. 25) and encourages residential mixed-use projects (pg. 33). The subject site is also located in the Indian Creek Master Active Living Plan Small Area Plan (MALP) as well as the Indian Creek Overlay. A mixed-use development is a permitted use within OI zoning districts and is not prohibited within the Indian Creek Overlay, so long as the three (3) retail spaces are not prohibited uses in *Section 3.41.6 B. Principle Uses and Structures.* While the TC generally promotes mixed-use development, reduced automobile travel; walkability; and increased transit usage, the small area plan provides more targeted recommendations. “The master goal is to improve the integration of physical activity and other healthy behaviors into daily commutes, routines, and the built environment” (Indian Creek MALP Pg. 8). The MALP promotes development with an emphasis on mixed-use, inter-connected streets, multimodal accessibility, and increased public space (pg.8). The proposal meets these goals and objectives of the character area, MALP, and overlay district. The County Transportation Department has provided infrastructure requirements relating to right-of-way expansion, sidewalks, landscape strips and street lighting (see attached). It was also noted that the applicant shall coordinate with the GDOT Major Mobility Investment Program (MMIP) Express Lanes project prior to permitting. The proposed rezone request appears to be an adequate request for the future development of 3851 Redan Road. Staff has completed a pre-cursory review of the site plan associated with 3851 Redan Road mixed-use development which addresses applicable building requirements of the Indian Creek Overlay. No variances will be sought at this time. Therefore, based on review of Section 7.3.5., the Planning & Sustainability Department recommends “Approval”.

PLANNING COMMISSION VOTE: Pending.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: Approval 6-0-3.

The applicant, Elizabeth Scott, is seeking to rezone 3837 Redan Road from the R-75 (Residential Medium Lot-75) Zoning District to the O-I (Office Institutional) Zoning District. The applicant owns the adjacent parcel, 3851 Redan Road, which is zoned O-I (Office Institutional). Both properties are located in the Indian Creek Overlay District. The owner anticipates redeveloping 3851 Redan Road for a mixed-use development. The rezone request is to alleviate the R-75 zoning classification requirements of a 50-foot transitional buffer between R-75 and O-I zoning districts. Currently, both the subject site and 3851 Redan Road are vacant lots abutting I-285 and are adjacent to two (2) single family residences (3859 & 3865 Redan Road) both of which are also zoned O-I. The subject site 3837 Redan Road will remain undisturbed indefinitely while the applicant awaits further direction from the Georgia Department of Transportation (GDOT). GDOT is in the process of purchasing a rear portion of the subject site for future I-285 express lane development.

The development will be in two (2) phases. Phase one (1) will begin on the adjacent property 3851 Redan Road including a mixed-use development of a 3-story building with eight (8) loft apartments – six (6) of which are two-story lofts that comprise the 2nd and 3rd floor, three (3) ground floor retail units, and a rooftop terrace. The applicant has stated “the rental units will house traveling medical professionals including, nurses, doctors, and their assistants, physical, occupational, speech therapists and their assistants, respiratory therapists and their assistants, surgical technicians, etc.” The applicant also included to join a housing list associated with Electric Owl Studios as a long-

term rental option for movie production professionals since the Studio is located within 0.5 miles of the subject site. Phase two (2) of the development remains indefinite as the proposal will depend on how much land is acquired by GDOT. The applicant has stated the subject site will remain as is (vacant) until there is more communication with GDOT.

The requested rezoning to O-I is consistent with the *Comprehensive Plan* and *Zoning Ordinance*. 3837 Redan Road is located in the Town Center (TC) future land use character area, which includes OI as a permissible zoning district (pg. 25) and encourages residential mixed-use projects (pg. 33). The subject site is also located in the Indian Creek Master Active Living Plan Small Area Plan (MALP) as well as the Indian Creek Overlay. The MALP promotes development with an emphasis on mixed-use, inter-connected streets, multimodal accessibility, and increased public space (pg.8). The proposal meets these goals and objectives of the character area, MALP, and overlay district. The County Transportation Department has provided infrastructure requirements relating to right-of-way expansion, sidewalks, landscape strips and street lighting (see attached). It was also noted that the applicant shall coordinate with the GDOT Major Mobility Investment Program (MMIP) Express Lanes project prior to permitting.

The proposed rezone request appears to be an adequate request for the future development of 3851 Redan Road. Staff has completed a pre-cursory review of the site plan associated with 3851 Redan Road mixed-use development which addresses applicable building requirements of the Indian Creek Overlay. No variances will be sought at this time.

Therefore, based on review of Section 7.3.5., the Planning & Sustainability Department recommends approval.

IMPACT ANALYSIS

(Please respond to the following standards and factors on a separate sheet.)

Section 27-7.3.5. The following standards and factors are found to be relevant to the exercise of the county's zoning powers and shall govern the review of all proposed amendments to the Official Zoning Map:

- A. Whether the zoning proposal is in conformity with the policy and intent of the Comprehensive Plan.
- B. Whether the zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby properties.
- C. Whether the property to be affected by the zoning proposal has a reasonable economic use as currently zoned.
- D. Whether the zoning proposal will adversely affect the existing use or usability of adjacent or nearby properties.
- E. Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the zoning proposal.
- F. Whether the zoning proposal will adversely affect historic building, sites, districts, or archaeological resources.
- G. Whether the zoning proposal will result in a use which will or could cause excessive or burdensome use of existing streets, transportation facilities, utilities, or schools.
- H. Whether the zoning proposal adversely impacts the environment or surrounding natural resources.

Comments: _Will need to demonstrate compliance with impact criteria A through H on rezoning application relating to how proposed use and zoning are compatible with surrounding area and goals of the Town Center (TC) future character area. Will need to show compliance with Indian Creek Overlay District standards including but not limited to max building height, minimum/maximum building setbacks from property lines, minimum and maximum number of parking spaces, sidewalks along Redan Road and public road frontages, landscape strips with street trees, minimum amount of open space, minimum amount of non-residential uses, etc. Please see Sec 3.41.7, 3.41.8, 3.41.13, and 3.41.14 of the Indian Creek Overlay District as well as the relevant sections of Article 5 including but not limited to building materials, open space, sidewalks and streetscape, and building form. Please also review relevant O-I zoning requirements of article 2 including minimum apartment building size and maximum lot coverage (Table 2.17).

This only a preliminary review and is not a complete list of zoning requirements, a final and complete review will be done upon official submission of a rezoning application and concept plan.

April 28, 2023

Dear Sirs:

I am the owner of 3837 Redan Rd, and I am applying to the Board of Commissioners to rezone the property from an R75 category to an Office and Institution (O&I) category. In addition, I own the property at 3851 Redan Rd, adjacent to 3837, which currently holds an O&I zoning. Every property within 100 feet of the proposed property is zoned O&I or multi family.

I am making this request so I may develop lot 3851 to a mixed-use development without the extreme setback requirements that are mandatory for R75 zoning. Both properties will eventually be developed to mixed-use projects, but in two separate phases. Lot 3837 will remain undisturbed particularly due to the Georgia Department of Transportation (GDOT) buying the rear of the lot for future I285 express lane development.

Once 3837 is available to develop, it will also become a mixed-use development – an exact replica or greater/lesser mixed-use development as 3851 Redan Rd depending on the amount of land GDOT acquires. The number of units proposed for 3851 is eight living spaces and three retail spaces with a roof top deck. It will have three floors with all retail on the first floor and two living spaces, and the second floor will have two story loft units which will comprise the 2nd and 3rd floors.

Because the proposed property is not being developed currently, there is no further information regarding number of employees, and manner and hours of operation.

Regards,

Elizabeth Scott

Impact Analysis

- A. The zoning proposal is compliant with the overall plan of the Indian Creek District. According to the overlay, the <Indian Creek> District is envisioned to be a premier regional recreation destination with accessory restaurant, retail and office space. Transit oriented development (TOD) is encouraged in this area to increase MARTA ridership and mixed-use development around the Indian Creek MARTA station. The O&I zoning for the proposed property will allow for a planned mixed-use development on lot encompassing living, eating, and retail spaces with an outdoor gym for anyone in the community to utilize.
- B. The current zoning proposal is in concurrence with the zoning of properties within 10-100 feet of 3837 Redan Rd. The proposed property is zoned R-75 and all other surrounding properties are either zoned O&I or MR1.
- C. The current zoning is R-75 which will allow for only one property to be developed with no economic value to the community. By rezoning to O&I, the property will allow for mixed use development with office or retail, eating, and multiple living spaces which will have more of an economic impact on the community.
- D. The zoning proposal will positively improve the existing use of usability of the adjacent or nearby properties, because they are currently zoned O&I or MR1. Whereas the proposed property is zoned R-75 and is limited to one residential property.
- E. There are no other existing or changing conditions affecting the use and development of the property.
- F. There are no historic building sites, districts or archaeological resources in the area.
- G. The proposal will not cause excessive or burdensome use of existing streets, transportation facilities, utilities, or schools. There are no schools in the immediate area and the walkability aspect of the community is encouraged due to the close proximity of Indian Creek Transit and other new developments in the area. The zoning proposal may open up an existing road (Old Redan Rd) that was once in use but was cut off by I-285 and has since been covered with dirt, grass, shrubbery. This road can provide access to the rear of the property.
- H. The zoning proposal will not adversely impact the environment. I-285 runs parallel to the rear of the property and this owner will request a tree line buffer be left between the lot and the highway.

RE: Proposed rezoning project at 3837 Redan Rd., Decatur, 30032

Dear Property Owner,

I would like for you to join my Zoom Video Meeting on Saturday, April 15, 2023 from 11:00 am -12:00 pm to discuss the proposed rezoning for the property located at 3837 Redan Rd, Decatur, 30032. I am seeking to rezone the property to complement the zoning of the adjacent lot to allow for a mixed-use development with 8 loft apartments and 3 retail units that will be located on lot 3851 Redan Rd.

Below, are the meeting instructions. There are multiple ways for you to join the meeting, including via computer, cell phone, or tablet with or without video. If you are unable to make it but would like to learn more, please feel free to contact me at 404-542-7384 or email me at Lenestry@aol.com, and I will send you a summary of the meeting.

Please contact me if you have questions regarding the meeting.

Re: Rezone Application Review

General Comments:

DeKalb County Health Regulations prohibit use of on-site sewage disposal systems for

- multiple dwellings
- food service establishments
- hotels and motels
- commercial laundries
- funeral homes
- schools
- nursing care facilities
- personal care homes with more than six (6) clients
- child or adult day care facilities with more than six (6) clients
- residential facilities containing food service establishments

If proposal will use on-site sewage disposal, please contact the Land Use Section (404) 508-7900.

Any proposal, which will alter wastewater flow to an on-site sewage disposal system, must be reviewed by this office prior to construction.

This office must approve any proposed food service operation or swimming pool prior to starting construction.

Public health recommends the inclusion of sidewalks to continue a preexisting sidewalk network or begin a new sidewalk network. Sidewalks can provide safe and convenient pedestrian access to a community-oriented facility and access to adjacent facilities and neighborhoods.

For a public transportation route, there shall be a 5ft. sidewalk with a buffer between the sidewalk and the road. There shall be enough space next to sidewalk for bus shelter's concrete pad installation.

Since DeKalb County is classified as a Zone 1 radon county, this office recommends the use of radon resistant construction.

Zoning Comments June 2023

NOTE: County records indicate Shepherds Lane has an existing 60-foot ROW (not 40-feet) and LaVista Road has a 70-foot ROW (not 60 feet). Verify "ROW", as this will greatly impact lot yield.

N1. 1481 LaVista Road LaVista Rd is SR 236. GDOT review and approval required prior to permitting. (mwilson@dot.ga.gov). LaVista Road is classified as a minor arterial. Requires a right of way dedication of 40 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 5-foot landscape strip with 6-foot sidewalk with 4-foot bike lanes OR (preferred) 10-foot multi-use path. A variance is required to not install the bike facilities. Street Lighting required. (hefowler@dekalbcountyga.gov) No poles may remain within the limits of the path/sidewalk. (See Zoning Code 5.4.3 and Land Development Code 14-190 for infrastructure requirements.)

NOTE: County records indicate Shepherds Lane has an existing 60-foot ROW (not 40 feet) and LaVista Road has a 70-foot ROW (not 60 feet). Verify ROW as this will greatly impact lot yield.

Tract A: Driveway must be located on the southern property line, as shown on zoning plans.

Shepherds Lane is classified as a local road. Requires a right of way dedication of 27.5 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 5-foot landscape strip with a 5-foot sidewalk. Requires pedestrian scale streetlights. (hefowler@dekalbcountyga.gov). (See Zoning Code 5.4.3 and Land Development Code 14-190 for infrastructure requirements.)

N2. 1890 Wee Kirk Road. No Comments.

N3. 4746 Flat Shoals Road. Property does not front public property- no comment. Interior roads private.

N4. 2998 LaVista Road. LaVista Rd is SR 236. GDOT review and approval required prior to permitting. (mwilson@dot.ga.gov). LaVista Road is classified as a minor arterial. If the owner is widening to the south, they are required to install curb and gutter and sidewalk on the southern right of way of LaVista Rd. Sidewalk width is to match the current GDOT project under construction. Left turn lane is required, as shown on zoning plan. Add right turn channelization island on the northern ingress/egress access point. Requires a right of way dedication of 40 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 5-foot landscape strip with 6-foot sidewalk with 4-foot bike lanes OR (preferred) 10-foot multi-use path. A variance is required to not install the bike facilities. Street Lighting required. (hefowler@dekalbcountyga.gov) No poles may remain within the limits of the path/sidewalk. (See Zoning Code 5.4.3 and Land Development Code 14-190 for infrastructure requirements.) Eliminate parking spots on interior speed table.

N5. 3401 Rainbow Drive. Rainbow Drive and Columbia Drive are both classified as minor arterials. Requires a right of way dedication of 40 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 5-foot landscape strip with 6-foot sidewalk with 4-foot bike lanes OR (preferred) 10-foot multi-use path. Street Lighting required. (hefowler@dekalbcountyga.gov) No poles may remain within the limits of the path/sidewalk. (See Zoning Code 5.4.3 and Land Development Code 14-190 for infrastructure requirements.) Ensure there is pedestrian connectivity between the proposed development and the public sidewalk infrastructure. Ensure that the access points meet the minimum sight distance standards per AASHTO. Note required confirming sight distance on plans at Land Disturbance Permit phase.

N6. 928 Fairwind Court. No Comments.

N7. 3355, 3375, and 3395 Northeast Expressway. I-85 Frontage requires GDOT review and approval required prior to permitting. (mwilson@dot.ga.gov). Woodcock Blvd is classified as a local road. Requires a right of way dedication of 27.5 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 5-foot landscape strip with a 6-foot sidewalk. Street Lighting required. (hefowler@dekalbcountyga.gov) No poles may remain within the limits of the path. (See Zoning Code 5.4.3 and Land Development Code 14-190 for infrastructure requirements.). Provide necessary construction easements and right of way for the connection to the future Peachtree Creek Greenway.

N8. 3070 Clifton Springs Road. No Comments.

N9. 1193 Sherrington Drive. No Comments.

N10 & N11. 5646 Covington Highway. Covington Hwy is SR 12 and a major arterial. GDOT review and approval required prior to permitting. (mwilson@dot.ga.gov). Requires a right of way dedication of 50 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 5-foot landscape strip with a 10-foot multi-use path. Street Lighting required. (hefowler@dekalbcountyga.gov) No poles may remain within the limits of the path. (See Zoning Code 5.4.3 and Land Development Code 14-190 for infrastructure requirements.) Young Rd is classified as a collector road. Requires a right of way dedication of 35 from centerline OR such that all public infrastructure is within right of way, whichever greater. Please note that the multiuse path on the plan is not entirely on right of way. Requires a 5-foot landscape strip with a 10-foot multi-use path. No poles may remain within the limits of the path. Requires pedestrian scale streetlights. (hefowler@dekalbcountyga.gov). Ensure that the access points meet the minimum sight distance standards per AASHTO. Note required confirming sight distance on plans at Land Disturbance Permit phase.

N12. 3837 Redan Road. Must coordinate with the GDOT MMIP Express Lanes project prior to permitting. Project manager Tim Matthews TMatthews@dot.ga.gov. Redan Road is classified as a local road. Requires a right of way dedication of 27.5 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 5-foot landscape strip with a 6-foot sidewalk. Street Lighting required. (hefowler@dekalbcountyga.gov) No poles may remain within the limits of the sidewalk. (See Zoning Code 5.4.3 and Land Development Code 14-190 for infrastructure requirements.). Ensure that the access points meet the minimum sight distance standards per AASHTO. Note required confirming sight distance on plans at Land Disturbance Permit phase. Please provide a copy of the deed where the Old Redan Right of Way was abandoned to the property owner as County records show that this is right of way. This issue of ownership should be resolved prior to any zoning actions by the county.
