

**Public Hearing:** YES ☒ NO ☐

**Department:** Planning & Sustainability

**SUBJECT:**

**COMMISSION DISTRICT(S):** All Districts

Application of the Director of Planning & Sustainability for text amendments to the *Zoning Ordinance*, Chapter 27, to create Section 5.7.9 to consolidate regulations specific to cottage housing development; to amend Article 2 (Residential Zoning Districts: Dimensional Requirements) for the facilitation of cottage housing development in various zoning districts; to amend Section 5.7.5 (Detached Houses) related to cottage housing development, and to revise other applicable sections of the *Zoning Ordinance* to accommodate cottage housing development.

**PETITION NO:** D1-2022-2270 TA-22-1246101

**PROPOSED USE:** To create Section 5.7.9 in Chapter 7 of the DeKalb County Zoning Ordinance.

**LOCATION:** County-wide.

**PARCEL NO. :** N/A

**INFO. CONTACT:** Brandon White, Planning Manager

**PHONE NUMBER:** 404-371-2155

**PURPOSE:**

Application of the Director of Planning & Sustainability for text amendments to the *Zoning Ordinance*, Chapter 27, to create Section 5.7.9 to consolidate regulations specific to cottage housing development; to amend Article 2 (Residential Zoning Districts: Dimensional Requirements) for the facilitation of cottage housing development in various zoning districts; to amend Section 5.7.5 (Detached Houses) related to cottage housing development, and to revise other applicable sections of the *Zoning Ordinance* to accommodate cottage housing development. This text amendment is County-wide.

**RECOMMENDATION:**

**COMMUNITY COUNCIL:** (August 2023) CC-1: Approval w/condition; CC-2: Deferral; CC-3: Approval; CC-4: Approval w/conditions; CC-5: No Quorum. (Apr. 2023) CC-1: Approval w/conditions; CC-2: Deferral; CC-3: Deferral; CC-4: Approval; CC-5: Approval. (Feb. 2023) CC-1: Deferral; CC-2: No Vote; CC-3: No Vote; CC-4: Deferral; CC-5: No Vote. (Oct. 2022) C-1: Deferral; CC-2: No Vote; CC-3: Deferral; CC-4: No Vote; CC-5: No Vote.

**PLANNING COMMISSION:** (Sep. 12, 2023) Pending (March 7, 2023) Two-Cycle Deferral. (Nov. 1, 2022) Full Cycle Deferral.

**PLANNING STAFF:** Board Discretion.

**STAFF ANALYSIS:** See attached staff report.

**PLANNING COMMISSION VOTE:** (September 12, 2023) Pending. (May 2, 2023) Two-Cycle Deferral 8-0-0. Jan Costello moved, Edward Patton seconded for a 2-cycle deferral to the Sept. 2023 zoning agenda, per Staff recommendation. (March 7, 2023) Two-Cycle Deferral 9-0-0. Jana Johnson moved, April Atkins seconded for a Two-Cycle Deferral to the July 2023 zoning agenda, per Staff recommendation. (November 1, 2022) Full Cycle Deferral 8-0-0. Jon West moved, Jan Costello seconded for a full cycle deferral to the January 2023 zoning agenda.

**COMMUNITY COUNCIL VOTE/RECOMMENDATION: (August 2023) CC-1: Approval with one (1) condition 6-0-1.** Approved with the condition that the minimum house size change from 200 square feet to 600 square feet. CC-1 felt that 200 feet was simply too small and that it (as well as a 400 square foot home) would create an anomaly on the market. The issue was that if the cottage homes fell out of favor with the buying market, then the real small homes would become an albatross and sit vacant. A 600 foot or larger home would be more marketable to a potential buyer and would have cross market appeal. There is not even a 200 or 400 square foot apartment that anyone could think of that would show any relative market demand for living spaces this small. As we discussed in the prior CC meeting, a 200 square foot area is a one car garage. A 400 square foot area is a two-car garage. The group feels that those areas are just too small. **CC-2: Deferral 7-0-0.** Community Council 2 voted for deferral with the following conditions: 1) They would like to see a final version before Planning Commission on Sept 12, 2023 and 2) Page numbers should be added. They also had the following comment: It is insulting to have a document that is red lined and missing page numbers and expect volunteers to review and give comment; **CC-3: Approval 7-0-0; CC-4: Approval w/condition 10-0-0.** Approval with conditions to define small tree diameter and to add native plantings as a requirement for new planting in cottage developments; **CC-5: No Quorum;** Members present voted for deferral for further review and discussion of regulations pertaining to cottage houses developments. **(April 2023) CC-1: Approval w/conditions 5-0-0.** Condition #1: Cottage Housing development is not permitted in districts RE through R-75; Condition #2: DeKalb County Planning and Sustainability Zoning Staff shall create a new Cottage Housing Zoning Classification; **CC-2: Deferral 8-0-0; CC-3: Deferral 6-0-0.** Deferral to allow amendment to be finalized and further vetted; **CC-4: Approval 10-0-0; CC-5: Approval 9-0-0.** **(Feb. 2023) CC-1: Deferral 8-0-0; CC-2: No vote,** discussion only; **CC-3: No vote.** The motion to approve, failed due to a tied vote. Discussion included the appropriateness of allowing cottages by right in R-75 and R-85 districts and their potential impact on adjacent single-family subdivision and the need for affordable housing. **CC-4: Deferral 11-0-0; CC-5: No vote.** The motion for approval failed 4-6-0. There was no substitute motion. **(Oct. 2022) CC-1: Deferral 6-0-0.** CC-1 voted to defer until a text amendment is provided; **CC-2: No Vote.** CC-2 recommended that a joint public meeting be arranged to include all community council boards, the Planning Department to discuss proposed amendment changes; **CC-3: Deferral 6-0-0.** CC-3 voted to defer to allow the request to be more fully vetted with specific proposed changes to the zoning ordinance regarding cottages; **CC-4: No vote; CC-5: No vote.**

**Planning Commission Hearing Date: September 12, 2023**  
**Board of Commissioners Hearing Date: September 28, 2023**

### TEXT AMENDMENT ANALYSIS

**AGENDA NO.:** 2022-2270    **ZONING CASE NO.:** TA-22-1246101    **COMMISSION DISTRICTS:** All

**APPLICANT:** Department of Planning & Sustainability

\*\*\*\*\*

**SECTIONS OF ZONING ORDINANCE AFFECTED BY AMENDMENTS:** CHAPTER 27-ZONING ORDINANCE, TO CREATE SECTION 5.7.9 TO CONSOLIDATE REGULATIONS SPECIFIC TO COTTAGE HOUSING DEVELOPMENT; TO AMEND ARTICLE 2 (RESIDENTIAL ZONING DISTRICTS: DIMENSIONAL REQUIREMENTS) FOR THE FACILITATION OF COTTAGE HOUSING DEVELOPMENT IN VARIOUS ZONING DISTRICTS; TO AMEND SECTION 5.7.5 (DETACHED HOUSES) RELATED TO COTTAGE HOUSING DEVELOPMENT; AND TO REVISE OTHER APPLICABLE SECTIONS OF THE *ZONING ORDINANCE* TO ACCOMMODATE COTTAGE HOUSING DEVELOPMENT.

\*\*\*\*\*

#### **REASON FOR REQUEST:**

The *Zoning Ordinance* authorizes *cottage dwelling units* and *cottage development* by-right in the following zoning districts: R-60 (Residential Small Lot-60); MR-1 (Medium Density Residential-1); MR-2 (Medium Density Residential-2); HR-1,2,3 (High Density Residential-1, 2, & 3); and RNC (Residential Neighborhood Conservation). The cottage dwelling unit is characterized as small (800-1,200 square feet) and cottage development is categorized by the arrangement of dwelling units around a common open space instead of a linear arrangement along a residential street.

Given the housing challenges that we presently face (cost, availability, affordability, changing preferences, demographic changes, etc.), Commissioner Terry (Super District 6) initiated exploration of cottage dwelling units and cottage development as a potential public policy solution.

Affected sections of the *Zoning Ordinance* include, but may not be limited to:

1. Section 2.2.1. Dimensional requirements.
  - a. Table 2.2 Residential Zoning Districts Dimensional Requirements
2. Section 2.11.2. Dimensional requirements.
  - a. Table 2.4 Medium and High-Density Residential Zoning Districts Dimensional Requirements
3. Section 2.11.1. Medium and high-density ranges.
  - a. Table 2.4 Summary of Density Ranges for Medium and High Density Residential Zoning Districts
4. Section 2.18.3. Mixed-Use dimensional requirements.
  - a. Table 2.17 Mixed-Use Zoning Districts Dimensional Requirements
5. Section 5.7.5. Detached houses
- 6. Section 5.7.9. Cottage Development (NEW)**
7. Section 6.1.3. Parking regulations, off-street parking spaces.
8. Section 6.1.4. Off-street parking ratios.

8/4/2023

\*\*\*

*By amending Article III, Section 27-5.4.4 (A) of Chapter 27, Article V, of the Code of DeKalb County, as revised 1988, as follows:*

#### Sec. 5.4.4. Site and parking area landscaping.

- A. *Single-family residential lots.* Each single-family residential lot on which new development occurs shall be planted with a minimum of three (3) new trees, with the exception of cottages which shall be planted with a minimum of one (1) new 2.5" tree or alternatively three (3) new small 1.0" trees. Street trees along the lot frontage shall count towards this requirement and for cottages, trees planted in common areas shall count toward this requirement so long as the average of trees per unit is met for the overall development. The species and specifications for

the trees to be planted in compliance with this requirement shall meet the requirements of a list approved by the county arborist.

\*\*\*

~~By amending Article III, Section 27-5.7.5 of Chapter 27, Article V, of the Code of DeKalb County, as revised 1988, as follows:~~

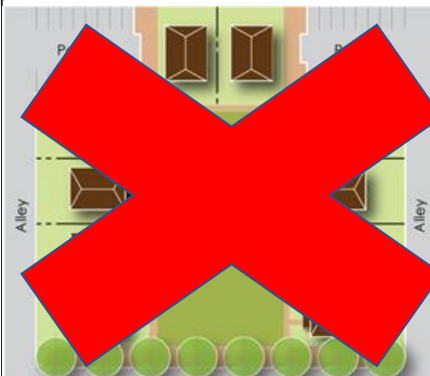

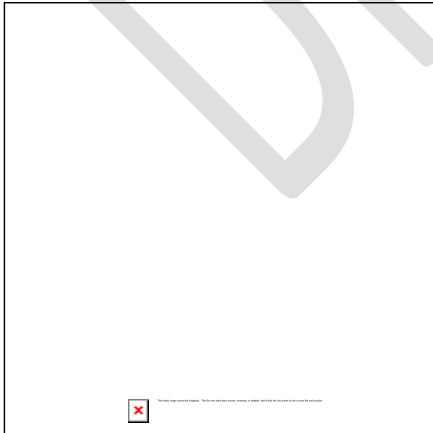

**Section 27-5.7.5. – Detached houses.**

Sec. 5.7.5. - Detached houses.

A. This section shall apply to the following housing types:

1. *Conventional single-family detached.* A development with one (1) dwelling unit per lot of record with private yards on all four (4) sides.
- ~~2. *Single family cottage.* A development with one (1) or one and one-half (1.5) story small detached dwelling units arranged whereby cluster around a commonly shared open space and each dwelling unit is located on a separate lot with private rear, side, and front yards.~~
- ~~3.2. *Urban single-family detached.* A development with single-family detached dwelling units located on small lots. Urban single-family (Urban-SF) residential buildings share similar configurations to townhouse developments; however, they are detached and may have lot lines that coincide with the building envelope, provided that a yard area is provided in the dimensions required by the zoning district.~~

B. Dimensional and use requirements. Minimum lot size, width, and setbacks shall meet the dimensional requirements set forth for the applicable base zoning district in article 2.

*Cottage housing orientation*

## C. Orientation.

1. Lots along the perimeter of a development of single family detached residences shall be oriented so that dwellings front internal local streets instead of a thoroughfare. Lots with rear yards abutting a thoroughfare shall provide a ten-foot no access easement and: a twenty-foot landscape strip, a six-foot-high decorative fence, or a five-foot-high landscaped berm to screen the rear view of houses from the thoroughfare.

~~2. Single family cottage lots shall be oriented toward the enhanced open space.~~

32. Street frontage requirements in section 14-258 of the Code shall not apply to individual lots within an ~~cottage or~~ urban type residential development provided the overall site complies with minimum street frontage requirements and an alley or private drive provides access directly to a public street.

## D. Each dwelling unit shall be metered for water individually.

## E. An easement for water and sewer shall be required and subject to the approval of the watershed division of the public works department.

## F. Access driveway, internal private drive and alley standards.

1. ~~Single family cottage or~~ Urban residences shall have vehicular access from the rear of the property from an alley or similar private drive, or may have an off-street parking area located on the side or rear of the development. Such parking area may not occupy more than thirty (30) feet of frontage and be located no more than two hundred (200) feet from the unit's entrance. The alley shall be at least twenty (20) feet in width and meet the standards of International Fire Code (IFC) 503, unless another width is approved by the director for one-way direction only.
2. Single-family detached residences may share a driveway serving two (2) lots, provided that the width of the driveway at the street shall not exceed the width requirements established in chapter 14 of the Code, and that the driveway width not increase for the first ten (10) feet of drive.

## G. Urban single-family dwellings may gain access through private drives that meet the standards of section 5.6.7C.4.

## H. Driveways shall not exceed ten (10) feet between garage door and sidewalk.

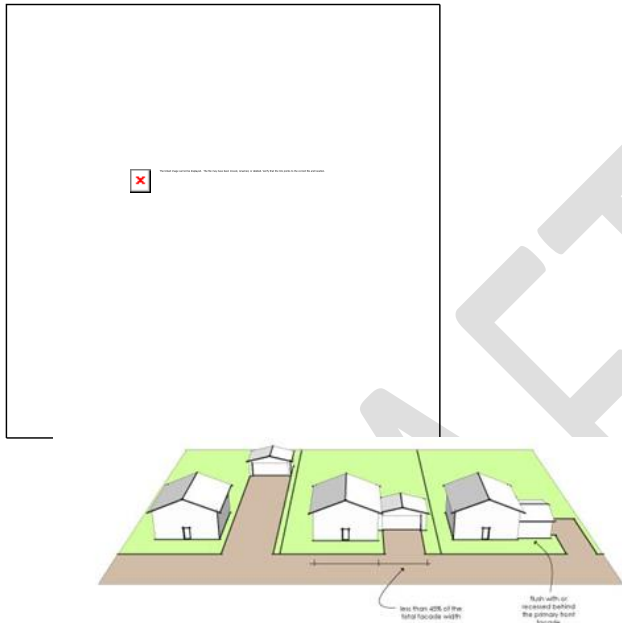

I. ~~Maximum size.~~

- ~~1. Conventional, single-family, detached residences shall follow the size requirements set forth in article 2.~~
- ~~2. Single family cottages shall not exceed a building footprint of eight hundred (800) square feet and gross floor area of twelve hundred (1,200) square feet. Single family, detached cottages, which are restricted to seniors ages 55 and older, shall not exceed a building footprint and gross floor area of twelve hundred (1,200) square feet.~~

## J. Architectural variability.

1. Residential subdivisions of three (3) or more lots intended for conventional single-family detached residences shall include distinctly different front façade designs within each phase of the development. [This section shall not apply to cottages.](#) "Distinctly different" shall mean that each front façade must differ from adjacent buildings' front façades in at least four (4) of the following six (6) ways:
  - a. The use of different primary exterior materials;
  - b. Variation in the width or height of the front façade by four (4) feet or more;
  - c. Variation of the type, placement or size of windows and doors on the front façades;
  - d. Variations in rooflines, including the use of dormers and changes in the orientation of rooflines;
  - e. Variation in the location and proportion of front porches; and
  - f. Variation in the location or proportion of garages and garage doors.
2. No conventional single-family detached residence shall be of the same front façade design as any other conventional single-family detached residence along the same block face within eight (8) lots of the subject residence. Mirror images of the same configuration are not permitted on the same block face.
3. No single front façade design may be used for more than twenty-five (25) percent of the total units of any single phase of a conventional single-family detached residence subdivision.
- K. Porches and stoops. Any porch shall have minimum dimensions of four (4) feet by eight (8) feet for porches, and any stoop shall have minimum dimensions of four (4) feet by four (4) feet. Porches and stoops shall be no closer than two (2) feet from a utility easement.
- L. Façades. Any conventional single-family detached residence with a front façade width of forty (40) feet or more shall incorporate wall offsets in the form of projections or recesses in the front façade plane. Wall offsets shall have a minimum depth or projection of two (2) feet so that no single wall plane exceeds twenty-five (25) feet in width.
- M. Roof and overhangs. Conventional single-family detached residences shall incorporate the following standards:
  1. Roofs covering the main body of the structure shall be symmetrical gables, hip-style, or mono-pitch (shed) style.
  2. Mono-pitch roofs shall have a minimum pitch of 4:12, and all other roofs covering the main body of a detached house shall have a minimum roof pitch of 6:12.
  3. Overhanging eaves shall extend at least twelve (12) inches beyond the exterior wall.
  4. To the maximum extent practicable, all roof vents, pipes, antennas, satellite dishes, and other roof penetrations and equipment (except chimneys) shall be located on the rear façades or configured to have a minimal visual impact as seen from an adjacent street.
- N. Garages. The following standards shall apply:

1. Street-facing garage façades shall not comprise more than forty-five (45) percent of the total width of the conventional single family detached residence's front façade. Street-facing garages shall be at least two (2) feet behind the primary front façade plane of a conventional single-family detached residence.

#### Acceptable garage configurations

- O. ~~Enhanced open space.~~
  1. ~~Clubhouse/pool amenity areas, greens, playgrounds, pocket parks, neighborhood parks, or detention facilities designed to serve as amenities shall meet dimensional requirements in the base zoning district (article 2) and the standards of article 5, division 5, open space standards.~~
  2. ~~Cottage residential development enhanced open space.~~
    - a. ~~Single family cottages shall be clustered around an enhanced open space green that is a minimum of three thousand (3,000) square feet or four hundred (400) square feet per cottage served by the enhanced open space, whichever is greater.~~
    - b. ~~The enhanced open space green shall have a minimum dimension of twenty (20) feet on each side.~~
    - c. ~~At least two (2) sides of the enhanced open space green shall have cottages along its perimeter.~~

\*\*\*

*By amending Article III, Section 27-5.7.5 of Chapter 27, Article V, of the Code of DeKalb County, as revised 1988, as follows:*

#### **Section 27-5.7.9. – Single-Family Cottage Development.**

- A. The purpose single-family cottage development design is to:
1. Encourage a stronger sense of community and security among nearby neighbors, while preserving personal privacy;
  2. Promote a variety of housing choices to meet the needs of a population diverse in age, income, household composition and individual needs; especially small households (one to three-person households);
  3. Encourage affordability, innovation and variety in housing design and site development while ensuring compatibility with surrounding land uses;
  4. Encourage the creation of more usable open space for residents of the development through flexibility in density and lot standards;
  5. Maximize resident- and pedestrian-oriented outdoor spaces, and minimize impact of automobile traffic and parking.
- B. This section shall apply to this housing type: *Single-family cottage. A development with small, detached dwelling units that are one (1), one and one-half (1.5) and/or two (2) stories arranged whereby they cluster around an enhanced ~~commonly shared~~ open space and each dwelling unit is located on a separate lot with private rear, side, and front yards with a mandatory homeowners' association that maintains the common shared space and other common elements ("Cottage Development" also referred to as a "single family cottage development").*
- C. Minimum lot size, width, and setbacks shall meet the dimensional requirements set forth for the applicable base zoning district in article 2. Cottage developments shall have a minimum of 4 units and a minimum overall ~~parcel~~ cluster size of 8,000 SF. Building separation between cottages shall be at least 10 feet. The maximum number of dwelling units per acre is determined by the Character Area.
1. The maximum number of dwelling units per cluster is 12. Developments may have additional clusters, centered on additional enhanced open spaces.
  2. Separation distance between buildings may be decreased to 6 feet if the common area space is increased by an equivalent or greater amount.

Formatted: Indent: Left: 0.5", First line: 0"

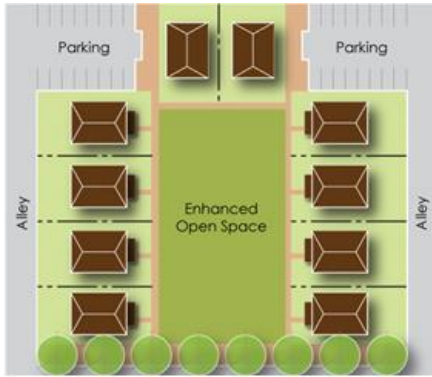

Figure 5.7.9A

- D. *Single-family cottage lots shall be oriented toward the enhanced open space. Street frontage requirements in section 14-258 of the Code shall not apply to individual lots within a cottage development provided the overall site complies with minimum street frontage requirements and an alley or private drive provides access from parking area(s) directly to a public street.*
- E. *Cottages may be individually metered or treated as an apartment complex on a single meter but with submetering required.*
- F. *Single-family cottage shall have vehicular access from the rear of the property from an alley or similar private drive, or may have an off-street parking area located on the side or rear of the development. Such parking area may not occupy more than thirty (30) feet of frontage and be located no more than two hundred (200) feet from the unit's entrance. The alley shall be at least twenty (20) feet in width and meet the standards of International Fire Code (IFC) 503, unless another width is approved by the director for one-way direction only.*
- G. *Single-family cottages shall not exceed twelve hundred (1,200) square feet, heated living area.*
- H. *Porches and stoops. Cottages facing the greenspace must have porches at least 4' by 8' facing the green space. If the building is less than 8' wide, the porch must span the width of the façade. Porches on the exterior of the development may have porches with a minimum of 4'x 4' (unless they face the street, where they must have porches 4'x 8'). Any porch shall have minimum dimensions of four (4) feet by eight (8) feet for porches, and any stoop shall have minimum dimensions of and four (4) feet by four (4) feet. Porches and stoops shall be no closer than two (2) feet from a utility easement.*

1. Additional Porch Requirements on single family cottages:

Formatted: Font: (Default) Times New Roman, 12 pt

- a. Location. Every dwelling shall have a covered entry porch oriented toward the common open space or street. This porch shall be open on at least two sides and shall not be enclosed.
  - i. ~~Exception: Live work units may have covered entry porches located off of an access alley or private drive.~~
- b. Size. The covered porch shall be greater than 70 square feet in area, with a minimum of dimension of 6 feet in depth.
  - i. Exception: Dwellings less than 700 square feet in size may have a porch greater than 50 square feet in area and 5 feet minimum dimension.
- ~~e. Use. Front Porches are intended as supplementary living space, not storage space, as well as shelter from the weather for entering and exiting the dwelling; therefore, overnight storage of bicycles, triecycles shall not be allowed.~~
- c.d. Back and side, wrap porches allowed and encouraged.

I. *Façades. Any ~~conventional~~ single-family detached residence with a front façade width of forty (40) feet or more shall incorporate wall offsets in the form of projections or recesses in the front façade plane. Wall offsets shall have a minimum depth or projection of two (2) feet so that no single wall plane exceeds twenty-five (25) feet in width.*

1. ~~Street-Facing~~ Facades for cottages.

- a. All street-facing facades of dwellings shall avoid blank walls or appear to “turn their backs” to the street. Such facades shall include one or more of the following:
    - i. Porch minimum size 4x8; or
    - ii. Porch with a door minimum 4x8
- With one or more of the following:
- iii. Windows, including bay windows;
  - iv. Dormers;
  - v. Changes in exterior siding material or paint color;
  - vi. Building modulation/articulation with a depth measuring at least one foot

Formatted: Highlight

Formatted: Indent: Left: 0", Hanging: 0.33", No bullets or numbering

~~vi. 2.~~

J. *Cottage residential development enhanced open space.*

- a. *Single-family cottages shall be clustered around an enhanced open space green that is a minimum of three thousand (2,500~~3,000~~) square feet or four hundred (400) square feet per cottage served by the enhanced open space, whichever is greater.*

- b. *The enhanced open space green shall have a minimum dimension of twenty (20) feet on each side.*
- c. *At least two (2) sides of the enhanced open space green shall have cottages along its perimeter.*
- d. Buildings serving all residents in the cottage development may be included in the required area.
- e. Parking areas, yard setbacks, spaces between buildings of 15 feet or less in width, private open space, and driveways do not qualify as common open space.
- f. Proximity to Enhanced ~~Common~~ Open Space. At least 75 percent of the dwelling units of a cottage development shall abut an enhanced common open space; and all of the dwelling units shall be within 60 feet walking distance measured from the nearest entrance of the dwelling along the shortest safe walking route to the nearest point of the common open space.

Formatted: Indent: Left: 0", First line: 0"

KL. Additional Single Family Cottage Development Elements:

1. Community Buildings and Elements.
  - a. Every cottage development cluster shall contain a communal area that has at least two of the following elements shared and managed by residents of the cluster:
    - i. Barbeque, pizza oven, ~~campfire circle~~, or outdoor terrace;
    - ii. Picnic table(s) and or shelter;
    - iii. Heated commons building, with optional bathroom and kitchenette, built to single family residential standards
    - iv. Kitchen garden, ~~or~~ flower garden, or productive urban landscape.
    - ~~iv-v.~~ Other community element as approved by Director of Planning.
2. Fences. Fences are not required, if they are installed they must meet the following requirements:
  - a. Fence height requirements:
    - i. Front yard: maximum 24 inch ~~height-recommended;~~
    - ii. Side yard: maximum 36 inches height when located from property line to face of dwelling, and maximum 72 inches for open slat fences only behind the face of dwelling;
    - iii. Rear yard: maximum 72 inches for open slat fences only. Other fence types are limited to 36 inches.
    - iv. Street Facing: maximum 36 inch;
  - b. Allowed materials include: wood, metal (not including chain link), vinyl or fiberglass.
  - c. Hedges shall be limited to the same height requirements.
3. Pedestrian Network. Single Family Cottage Developments shall provide a network of pedestrian pathways, including sidewalks along at least one side of streets, mid-block walkways, and shared local streets and access alleyways.

8/4/2023

Connections to the wider neighborhood shall be made where appropriate and allowed. All such pathways shall be accessible by the general public, except that walkways into and through the cottage development clusters may be limited to residents and their guests.

4. Maintenance. The applicant shall prove to the County, based upon review by the planning director, that there will be a suitable legally binding system in place, such as homeowner or condominium association agreements, to ensure proper maintenance and funding of shared facilities, such as storm water facilities and detention ponds, shared parking areas, common open spaces, alleys and other improvements.

5. Lighting. All developments shall comply with Section 27-5.6.1 Outdoor lighting.

*By amending Article III, Section 27-5.4.4 (A) of Chapter 27, Article V, of the Code of DeKalb County, as revised 1988, as follows:*

#### **Sec. 9.1.3. Definitions.**

Dwelling unit, single-family cottage: detached dwelling units that are one (1) to two (2) stories (not to exceed twenty-two (22) feet); no greater than 1,200 square feet; arranged or clustered around a

8/4/2023

commonly shared open space; and each dwelling unit is located on a separate lot with private rear, side, and front yards.

Productive Urban Landscape is a landscape that integrates some elements of traditional landscaping (like organized planting patterns and areas to sit, eat, and play), and creatively incorporates elements of the natural world (like biodiversity, pollinator habitats, etc) and plants that provide us with food (like vegetables, berries, and fruit trees).

Cluster- Enhanced green space with associated cottages, landscape, parking, alleys/drives, water quality features and other related features.
