**Application of Druniece Jackson for a Special Land Use Permit (SLUP) allow for a child daycare facility for up to six (6) individuals in the R-75 (Residential Medium Lot-75) zoning district, at 4106 Creek Court.**

**PETITION NO:** N10-2025-0633 SLUP-25-1247526

**PROPOSED USE:** Child daycare facility, for up to six (6).

**LOCATION:** 4106 Creek Court, Stone Mountain, Georgia 30083

**PARCEL NO. :** 15 222 01 022

**INFO. CONTACT:** Adam Chappell, Sr. Planner, AICP

**PHONE NUMBER:** 404-371-2155

**PURPOSE:**

Application of Druniece Jackson for a Special Land Use Permit (SLUP) allow for a child daycare facility for up to six (6) individuals in the R-75 (Residential Medium Lot-75) zoning district.

**RECOMMENDATION:**

**COMMUNITY COUNCIL:** (June 2025) Deferral.

**PLANNING COMMISSION:** (July 8, 2025) Approval with conditions.

**PLANNING STAFF:** (July 2025 BOC) Approval with Conditions.

**STAFF ANALYSIS:** The subject property is improved with a single-family detached dwelling that was constructed circa 1963. The applicant, Druniece Jackson, requests a Special Land Use Permit (SLUP) to allow for a child daycare facility for up to six (6) individuals to operate on the subject property. The applicant's letter of intent submitted with their application describes their proposal as an "in-home preschool" for children aged two-and-a-half (2 ½) to five (5) years. Hours of operation would be limited to Monday through Friday during typical business hours and the use will take place within the existing dwelling. The proposed use by the applicant falls under the definition of a child daycare facility, which is defined in Section 9.1.3. of the *Zoning Ordinance* as: *"An establishment operated by any person with or without compensation providing for the care, supervision, and protection of six (6) or fewer children who are under the age of eighteen (18) years for less than twenty-four (24) hours per day, without transfer of legal custody. For the purpose of computing the number of children within the child day care facility, all children who are related by blood, marriage, adoption or guardianship to the person or persons operating the facility shall be included."* The existing dwelling is served by a driveway that increases in width from the apron located on Creek Court and leads to an enclosed garage, which allows for ample parking as well as sufficient access/egress for visitors. There are no changes proposed to the exterior of the building from view of Creek Court, and there is adequate screening in the form of an opaque fence as well as significant vegetative screening along the eastern and western property lines. The proposed use appears to meet the criteria of both Section 27-7.4.6. and Section 27-7.4.7. (C) of the *Zoning Ordinance*. At the Community Council District 5 meeting held on June 9, 2025, Community Council recommended *Deferral* of the application contingent on the applicant completing required certifications. Staff believes that these requests are independent of the SLUP process with respect to the proposed land use of the property and believes that the proposed use would provide a service that is consistent with the needs of the local community while mitigating potential

nuisances, consistent with Section 27-7.4.6. and Section 27-7.4.7. (C). Therefore, Planning and Sustainability Department recommends “***Approval with the attached conditions***”.

**PLANNING COMMISSION VOTE: (July 8, 2025) Approval with Conditions 8-0-0.** Commissioner Costello moved, Commissioner Cooper seconded for approval with two (2) conditions, per Staff recommendation, with an amendment to condition #1 to change the operating hours to 7:30 a.m. – 6:30 p.m. Commissioner Moore was not present for this vote.

**COMMUNITY COUNCIL VOTE/RECOMMENDATION: (June 2025) Deferral 5-0-1.** Defer the request until the applicant completes the child development learning certification and supplies additional information on the support teacher.

**SLUP-25-1247526 (2025-0633)**  
**Recommended BOC Conditions – July 2025**  
**4106 Creek Court, Stone Mountain, GA 30083**

1. The proposed child daycare facility shall be limited to cumulatively serving no more than six (6) individuals per day.
2. This SLUP shall be non-transferable and shall expire within 24 months of the date of adoption by the Board of Commissioners to allow the governing authority the opportunity to re-review the criteria of Section 27-7.4.6. and Section 27-7.4.7. (C) upon the filing of a new SLUP application for a child daycare facility.

**STAFF RECOMMENDATION: APPROVAL WITH CONDITIONS**

The subject property is improved with a single-family detached dwelling that was constructed circa 1963. The applicant, Druniece Jackson, requests a Special Land Use Permit (SLUP) to allow for a child daycare facility for up to six (6) individuals to operate on the subject property.

The applicant's letter of intent submitted with their application describes their proposal as an "in-home preschool" for children aged two-and-a-half (2 ½) to five (5) years. Hours of operation would be limited to Monday through Friday during typical business hours and the use will take place within the existing dwelling. The proposed use by the applicant falls under the definition of a child daycare facility, which is defined in Section 9.1.3. of the *Zoning Ordinance* as:

*"An establishment operated by any person with or without compensation providing for the care, supervision, and protection of six (6) or fewer children who are under the age of eighteen (18) years for less than twenty-four (24) hours per day, without transfer of legal custody. For the purpose of computing the number of children within the child day care facility, all children who are related by blood, marriage, adoption or guardianship to the person or persons operating the facility shall be included."*

The existing dwelling is served by a driveway that increases in width from the apron located on Creek Court and leads to an enclosed garage, which allows for ample parking as well as sufficient access/egress for visitors. There are no changes proposed to the exterior of the building from view of Creek Court, and there is adequate screening in the form of an opaque fence as well as significant vegetative screening along the eastern and western property lines. The proposed use appears to meet the criteria of both Section 27-7.4.6. and Section 27-7.4.7. (C) of the *Zoning Ordinance*.

At the Community Council District 5 meeting held on June 9, 2025, Community Council recommended *Deferral* of the application contingent on the applicant completing required certifications. Staff believes that these requests are independent of the SLUP process with respect to the proposed land use of the property, and believes that the proposed use would provide

a service that is consistent with the needs of the local community while mitigating potential nuisances, consistent with Section 27-7.4.6. and Section 27-7.4.7. (C). Therefore, Planning and Sustainability Department recommends *Approval with Conditions*:

- 1) The proposed child daycare facility shall be limited to cumulatively serving no more than six (6) individuals per day.
- 2) This SLUP shall be non-transferable and shall expire within 24 months of the date of adoption by the Board of Commissioners to allow the governing authority the opportunity to re-review the criteria of Section 27-7.4.6. and Section 27-7.4.7. General Comments:

DeKalb County Health Regulations prohibit use of on-site sewage disposal systems for

- multiple dwellings
- food service establishments
- hotels and motels
- commercial laundries
- funeral homes
- schools
- nursing care facilities
- personal care homes with more than six (6) clients
- child or adult day care facilities with more than six (6) clients
- residential facilities containing food service establishments

If proposal will use on-site sewage disposal, please contact the Land Use Section (404) 508-7900.

Any proposal, which will alter wastewater flow to an on-site sewage disposal system, must be reviewed by this office prior to construction.

This office must approve any proposed food service operation or swimming pool prior to starting construction.

Public health recommends the inclusion of sidewalks to continue a preexisting sidewalk network or begin a new sidewalk network. Sidewalks can provide safe and convenient pedestrian access to a community-oriented facility and access to adjacent facilities and neighborhoods.

For a public transportation route, there shall be a 5ft. sidewalk with a buffer between the sidewalk and the road. There shall be enough space next to sidewalk for bus shelter's concrete pad installation.

Since DeKalb County is classified as a Zone 1 radon county, this office recommends the use of radon resistant construction.

**Please provide additional information relating to the following statement.**

According to studies conducted by the Institute of Traffic Engineers (ITE) 6/7<sup>th</sup> Edition (whichever is applicable), churches generate an average of fifteen (15) vehicle trip end (VTE) per 1,000 square feet of floor area, with an eight (8%) percent peak hour factor. Based on the above formula, the \_\_\_\_\_ square foot place of worship building would generate \_\_\_\_\_ vehicle trip ends, with approximately \_\_\_\_\_ peak hour vehicle trip ends.

Single Family residence, on the other hand, would generate ten (10) VTE's per day per dwelling unit, with a ten (10%) percent peak hour factor. Based on the above referenced formula, the \_\_\_\_\_ (Single Family Residential) District designation which allows a maximum of \_\_\_\_\_ units per acres, and the given fact that the project site is approximately \_\_\_\_\_ acres in land area, \_\_\_\_\_ daily vehicle trip end, and \_\_\_\_\_ peak hour vehicle trip end would be generated with residential development of the parcel.

COMMENTS: No traffic engineering concerns at this time.

<b>MARTA July 2025 Case Comments</b>
--

**N5-2025-0628      Z-25-1247529      2381 Snapfinger Road, Decatur, GA 30034**

This property is adjacent to MARTA bus routes on nearby Rainbow Rd and Wesley Chappel Rd. Development should include pedestrian connectivity to these routes.

**N4-2025-0627      Z-25-1247528      3803 & 3815 Glenwood Road, Decatur, GA 30032**

MARTA supports this rezoning due to proximity to transit access on Glenwood Rd. The constructed development should include direct pedestrian access to Glenwood Rd to ensure residents can take advantage of transit services and should coordinate with MARTA during design.

**N5-2025-0628      Z-25-1247529      3265 NE Expressway, Chamblee, GA 30341**

MARTA supports this rezoning as this project is located adjacent to MARTA service. However, it is critical that the developer accommodate direct pedestrian access to Northeast Expressway frontage so that residents can access transit service. Developer should coordinate with MARTA to place amenity pad.

Zoning Administrator's  
Planning and Zoning Department  
Stone Mountain /DeKalb County

1300 Commerce Dr  
Decatur, GA, 30030

Dear Zoning Administrator

**Subject: Application for Special Land Use Permit – In-Home Preschool**

I am writing to formally request a special land use permit for my property located at [your property address]. This application is being made in accordance with the zoning regulations governing residential areas, and I seek approval to operate an in-home preschool within my residence.

**a) Proposed Zoning Classification (Special Land Use)**

I am applying for a special land use designation to allow for the operation of a small in-home preschool within the existing residential zoning classification of my property. This request is in line with local zoning regulations for residential areas, and I understand that it falls under the category of special land use due to the nature of the business being conducted from a residential home.

**b) Reason for Rezoning or Special Use Request**

The reason for this request is to establish an in-home preschool, which will serve as an educational facility for young children. The preschool aims to provide a nurturing, educational environment for children aged 2 1/2 to 5 years, preparing them for kindergarten with a focus on play-based learning. The decision to run this preschool from my home is

based on my desire to offer personalized, high-quality early childhood education in a safe, home-like environment.

### **c) Existing and Proposed Use of the Property**

Currently, the property is used as a single-family residential home. The proposed use involves operating a preschool within the home, specifically using the downstairs family room open area, along with one additional room for office purposes. This modification will not significantly alter the structure of the home, as the areas utilized are already part of the existing living space.

### **d) Detailed Characteristics of the Proposed Use**

- **Floor Area:** The preschool will operate primarily in the downstairs family room and one additional room for office use. The total area used for the preschool activities will comfortably accommodate up to six children per day
- **Height of Building(s):** There will be no changes to the height of the building. The existing structure will be maintained in its current form.
- **Number of Units:** The property will continue to function as a single-family residential unit, with the addition of the preschool as a special use.
- **Mix of Unit Types:** As a residential property, no additional units are planned. The in-home preschool will only involve the designated educational space.
- **Number of Employees:** I, as the owner and primary operator of the preschool, will be an employee of the facility. In addition, I will employ one Full-time assistant to help with supervision and instruction as well as another part time employee, depending on enrollment numbers.
- **Manner and Hours of Operation:**

The preschool will operate Monday through Friday with the following schedule:

- **8:00 AM – 5PM:** Class for children aged 2-3 years old (up to 6 children per class).

The preschool will host a total of up to 6 children throughout the day. Activities will focus on play-based learning, early literacy, motor skills development, and social interaction.

The preschool will not disrupt the neighborhood in any way. I am committed to maintaining a quiet, respectful atmosphere, ensuring that traffic and noise levels remain consistent with a typical residential area.

## **Conclusion**

I respectfully request your consideration and approval of this application for a special land use permit to allow the operation of an in-home preschool. I believe this educational service will be a valuable asset to the community, providing local families with high-quality early childhood education while maintaining the character of the residential neighborhood.

Please do not hesitate to contact me if further information or clarification is needed. I look forward to the opportunity to discuss this request further and appreciate your attention to this matter.

Thank you for your time and consideration.

Sincerely,

Druniece Jackson
