

March 1, 2019

TO: All Bidders under Invitation To Bid No. 19-101061

FROM: Department of Purchasing and Contracting, DeKalb County, Georgia

ADDENDUM NO. #1

Invitation to Bid (ITB) No. 19-101061, High Pressure Resilient Wedge Valves, is hereby modified as follows:

1. The bid opening date has been extended to March 7, 2019, 3:00p.m. EST.
2. We have received the following questions pertaining to this ITB. The question and the response are below:

- A. 1. Question: Many of the required forms pertain to contractors and subcontractors, however this bid is for material. We are a manufacturer. Are these forms still a requirement? If so, how do we proceed with filling them out if they are not applicable?

Answer: These forms are a requirement as stated in the ITB. Bidders should complete all forms.

2. Question: Is the bidder expected to dig the holes or just install the valves?

Answer: This procurement is for the purchase of items listed on the price schedule services are not included.

3. Question: If you would accept EZ Valve as an alternate to Team Valve, please let me know and we will bid it.

Answer: Due to the length of time necessary to properly evaluate EZ Valve, it cannot be accepted as an alternative product at this time.

4. Question: What other equals are accepted for the material? DeKalb prefer domestic or import? Do DeKalb County (LSBE) still require a newspaper ad to be advertised in "The Champion" newspaper?

Answer: Hydra Stop may be considered for Insertion Valves 14" and larger. In most cases domestic is preferred over import. No, DeKalb County LSBE does not require a newspaper ad to be advertised in "The Champion" newspaper.

5. Question: Will DeKalb County Water consider the Hydra Stop Insta Valve – Rated high pressure of 250, tested to meet & surpassed all testing standards of C509-515 as an Alternative to the Team Valve that is currently specified?

Answer: Hydra Stop may be considered for Insertion Valves 14" and larger.

3. All other conditions remain in full force effect.
