2. We have received questions pertaining to this Invitation. The questions and their resulting answers appear below:

- A. Question: Point 16: We can have the ground control activation of the Light with FX504.

Answer: Not sure what a FX504 light is but Fleet is asking for the outer boom to be equipped with a factory installed LED work light with a switch at the main control and on the remote control.

- B. Question: Point 17: There is a parking control switch as special option.

Answer: Not sure what the question is but as stated in the bid, "Boom out of stow alarm and light in dash shall be installed to ensure boom is stowed for transport".

- C. Question: Part D: Comply with double motoreducer option.

Answer: Fleet is requesting the crane to have 2 rotate motors for the rotation system.

(Continued)

D. Question: Part E., Point 9: We have bubble on each level without mirror.

Answer: Needs to have a mirror.

E. Question: Part F., 1,2.: The crane is with radio so no sense for the LED on the control station. Do they want a top seat?

Answer: Fleet does need LED lighting at the control station. No top seat is needed.

F. Question: Our standard for fitting is JIC.

Answer: That is fine.

G. Question: Point 9: what do they mean?

Answer: Needs to have the hydraulic hoses that are routed on the crane to be covered with flexible covering, such as a hose protector sleeve or spring guard.

H. Question: Point G. 11: Offer with ADC (automatic dynamic control).

Answer: Item No. 11 is asking for the crane to have a hydraulic oil tank that does not interfere with the crane operation.

I. Question: Part 1:

1. Possible only 8 fixing bolts.
2. Compensator not possible.
3. We can offer inorganic zinc primer for extra corrosion resistance.
4. Extra transparent layer for pain option 95. R1.

Answer: These seem to be statements and not questions but the answer to number 3 is fine.

J. Question: Has the funding been approved for this piece of equipment?

Answer: Yes

K. Question: Is this replacing an in service unit and do you have the previous manufacturer and or pictures?

Answer: Yes, it is replacing the 2009 IHC 7600 Truck with IMT 52/38 Knuckleboom Crane, 20' flat bed, 67" max reach with 22,570 lb. max capacity at 15' radius and boom mounted winch with 2500# pull capacity. Rush was the awarded vendor. No pictures available.

ADDENDUM NO. 2

Invitation to Bid (ITB) No. 20-101410, "Cab & Chassis with 347,000 ft/lbs. Hydraulic Articulating Crane"
(Continued)

- L. Question: Any indication on the quantity of units on this bid?
Answer: Yes, we are seeking to purchase only 1.
- M. Question: How many of these vehicles are currently in the DeKalb Fleet?
Answer: 8
- N. Question: Is there a preferred chassis make for this build?
Answer: Yes, Freightliner since they are the only manufacturer that will put a 12 liter Cummins engine in the truck.
3. It is the responsibility of each bidder to ensure that he is aware of all addenda issued under this ITB. Please sign and return this addendum. You may call Tammy Shew, Procurement Agent, at 404-687-2796 or email at: tgarmon@dekalbcountyga.gov before the bids are due to confirm the number of addenda issued.
4. All other conditions remain in full force and effect.
