TO: All Bidders under Invitation To Bid No. 18-101043

FROM: Department of Purchasing and Contracting, DeKalb County, Georgia

ADDENDUM NO. #3

Invitation to Bid (ITB) No. 18-101043, Welding, Industrial and Miscellaneous Gases, is hereby modified as follows:

1. We have received a question pertaining to this ITB. The question and the response are below:
 - A. Question: Line 31 in question. States: Calibration Gas, UN1956 (gas mixture), High Range Bar 97(California emissions regulation) with Nitrous Oxide (medical gas). 8% Carbon Monoxide, 12% Carbon Dioxide, 3017ppm Nitric Oxide, 3220ppm Propane, Balance Nitrogen. In a 116-liter aluminum cylinder with a C-10 connection. So, in order for me to properly quote line 31 I would need more information. The best and easiest thing would be a picture of the label on the cylinder in use.

Answer:
A picture of the label for the calibration gas used by the County is attached.
2. It is the responsibility of each bidder to ensure that he or she is aware of all addenda issued under this ITB. Please sign and return this addendum. You may call Angel Frazier, Procurement Agent, at (404) 371-0814 before the bids are due to confirm the number of addenda issued.
3. All other conditions remain in full force effect.

Angel Frazier
Procurement Agent
Department of Purchasing and Contracting
