TO: All Bidders under Invitation to Bid (ITB) No. 20-101254
FROM: Department of Purchasing and Contracting, DeKalb County, Georgia

ADDENDUM NO. 1

ITB No. 20-101254 Compressed Natural Gas (Annual Contract with 2 Options to Renew), is hereby amended.

Section A. The following questions were submitted and received pertaining to this ITB; the County's responses are as follows:

1. How many CNG gallons does the County anticipate they will be using outside of their own CNG stations

Response: In 2019 we purchased approximately 260,000 gallons of CNG fuel from an outside source. We anticipate future purchase will be relatively around this number, if not more, due to an increase in our fleet inventory.

2. Will the County be providing any guaranteed annual CNG gallon consumption at a vendor's network of CNG stations

Response: The commodities will be purchased on an as needed basis. Sanitation can not guarantee any amount of future consumption

3. Our fueling stations do not take "Fuel Master," is the County ok with vendor issuing fuel cards that work at stations

Response: Yes
