FROM: Department of Purchasing and Contracting, DeKalb County, Georgia

ADDENDUM NO. 2

ITB No. 19-101107 – Litter Removal Services, is hereby amended.

The following questions were submitted and received pertaining to this ITB; the County's responses are as follows:

Question 1. Does the LSBE participation need to be 20% of each group or 20% of all 3 groups as a whole?

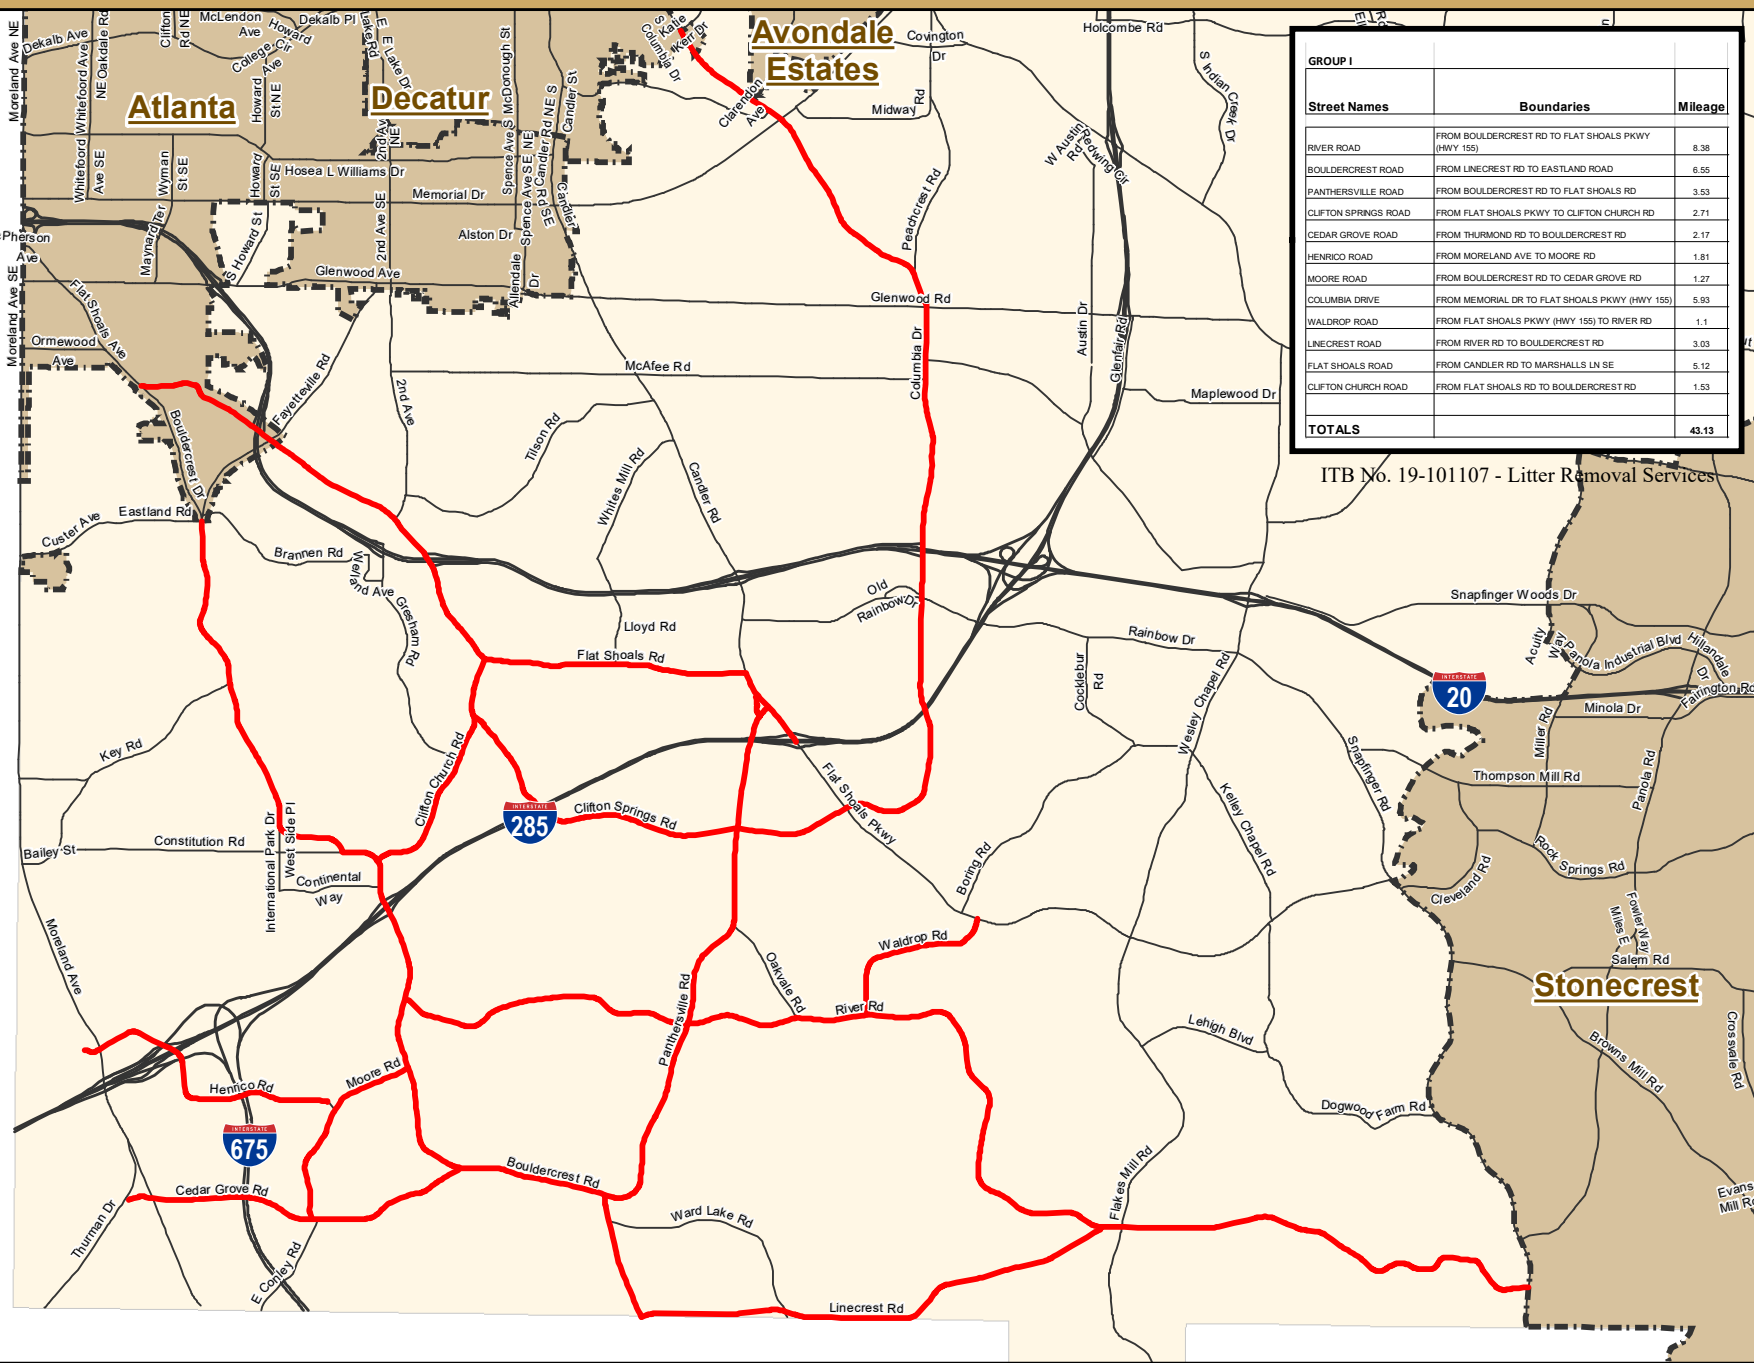

Response: The DeKalb First LSBE Ordinance states that the benchmark is at least 20% of the total contract award will be performed by a valid LSBE unless the prime can demonstrate sufficient good faith efforts.

Question 2. Should the pricing on the "Alternative Service Frequency" page be for the second weekly service only or for both weekly services of each area? For instance, pricing for the once weekly Candler Rd service should be priced in group 2 and then the pricing for the second weekly service be listed in the Alternative Service Frequency chart?

Response: The pricing in the "Alternative Service Frequency" shall be for the service of two (2) times a week for each location. This is in case we chose to increase the service frequency from once a week to twice a week.
