**TO:** All Bidders under **RFQ 22-3003782, Sandy Creek Road Sidewalk Installation**

**FROM:** Department of Purchasing and Contracting, DeKalb County, Georgia

**ADDENDUM NO. # 3**

**Request for Quotes (RFQ) 22-3003782, Sandy Creek Road Sidewalk** is hereby amended as follows:

1. The due date has been extended to Monday, August 22, 2022, no later than 3:00 PM EST.
2. Questions received have been compiled and their resulting answers are indicated below:

A. **Question:** How does the County plan to handle the multiple guy wires on one pole as they are on the way for the sidewalk construction?

**Answer:** There should be sufficient space to avoid conflict with the guy wires. If not, DeKalb County will coordinate relocation with Georgia Power.

B. **Question:** Beyond station 3+45, there are several trees that appear to be on private property. Are those trees coming out? If so, please mark the trees on plan.

**Answer:** The existing right-of-way extends approximately 30 feet from roadway centerline, so it is not anticipated that any trees outside of the right-of-way will need to be removed.

C. **Question:** Do you plan to install the sidewalk without curb? If so, safety will be compromised?

**Answer:** There is an existing granite curb. Raising the curb or replacing it is beyond the scope of this project.

D. **Question:** Will the sidewalk stop abruptly after the driveway?

**Answer:** Yes, for now the sidewall will stop at the driveway.
