SUBJECT: ITB NO.19-101124, “**Hugh Howell Road Sidewalks from Lawrenceville Highway to Tucker Industrial Road**” is hereby modified as follows:

A. We have received questions pertaining to this ITB. The questions and their resulting answers appear below:

1. **Question.** The project is a utility need and construction, why do we need general contractor license? And since its DGOT tailored project will the Prequalified or Qualified letter from GDOT be enough? Will Utility Contractor License be sufficient for the contractor to bid on the project?

Answer. The general contractors license is not required for this project. No, this is not a GDOT funded project. Yes the Utility Contractor License is sufficient.

2. **Question.** Is testing required on this project? If yes who pays to the testing?

Answer. Yes, any testing required will be paid for separately by the County.

3. **Question.** When is this project going to be awarded?

Answer. A specific date has not been identified; however, an award will be made upon approval of the DeKalb County Board of Commissioner (BOC).

4. **Question.** Can we write 10% bid bond instead of stating the dollar amount?

Answer. Follow the directions of the ITB found on pages 23 thru 28.

B. **DELETE** “Bidder’s Unit Price Form”, page 24 in its entirety and **REPLACE** with the attached **Revised Bidder’s Unit Price Form**.
