### ADDENDUM NO. 1

*ITB No. 20-101270 Helicopter Maintenance and Repair Service (Annual Contract With 2 Options To Renew)*, is hereby amended as follows:

**1. We have received questions pertaining to this ITB. The questions and their resulting answers (in italics) appear below:**

A. Question: Hey there I was trying to figure out if this upcoming bid is something that would apply to us or not. Hate to get into the call with you guys only to find out that it is outside of our scope. Anyway we are an engine company that supports the engine types that your helicopter use but I am not sure if this upcoming bid is for complete helicopter maintenance or parts etc. If you can possibly describe the terms a bit more that would help. thanks

Answer: *This is for complete helicopter maintenance. Must have FAA A&P along with IA certifications for all aspects of maintenance repair on the entire helicopter (see stipulations in Scope of Work on Pages 21-27 of the solicitation).*

B. Question: I am curious if there is a more detailed look at the bid coming up 20-101270? I am trying to figure out if this bid is something of the nature of a complete helicopter maint or if this is like engine or dynamic component maint. Any insight is appreciated. Thanks

Answer: *This is for complete helicopter maintenance, not just the engine (see stipulations in Scope of Work on Pages 21-27 of the solicitation).*

C. **Question:** I recently seen the solicitation for Helicopter Maintenance & Repair Services on Bid Sync, but there wasn't much information provided. Can you please tell me a bit more about this bid, I want to find out what type of aircraft this is in regards to as well as the services required?

**Answer:** *Complete helicopter maintenance as stated in the bid regarding two Airbus Helicopters AS350 B2 (see stipulations in Scope of Work on Pages 21-27 of the solicitation).*

D. **Question:** Do you anticipate extending the bid due date?

**Answer:** *No. Not at this current time.*

E. **Question:** What additional details are you willing to provide, if any, beyond what is stated in bid documents concerning how you will identify the winning bid?

**Answer:** *None. The bid documents will be evaluated in accordance to the ITB.*

F. **Question:** Was this bid posted to the nationwide free bid notification website at [www.mygovwatch.com](http://www.mygovwatch.com)?

**Answer:** *No.*

G. **Question:** Other than your own website, where was this bid posted?
