FROM: Department of Purchasing and Contracting, DeKalb County, Georgia

ADDENDUM NO. # 2

Request for Proposals (RFP) No. 21-500571, Towing and Wrecker Services is hereby amended as follows:

1. Questions received have been compiled and their resulting answers are indicated below:

A. **Question:** As a certified LSBE, “South DeKalb Towing, do we meet the LSBE requirements for the Towing Contract?

Answer: If responding as a Prime Contractor, the requirements for an LSBE are the same except for subcontracting 20% LSBE participation.

B. **Question:** Will South DeKalb Towing receive points as a Certified LSBE by bidding without another LSBE?

(Note): This contract does not receive county funds. This contract requires the winning company to collect and remit funds to the county.

Answer: Per Page 32, Attachment D, DeKalb First LSBE Information with Exhibits A -B, it states “Certified Local Small Business Enterprises (LSBEs) located within DeKalb County and prime contractors utilizing LSBEs that are locally-based inside DeKalb County shall receive ten (10) points in the initial evaluation of their response to any Request for Proposal”.

C. **Question:** Do we have to include a copy of the sample contract with the proposal?

Answer: No, the sample County contract is for your review as it is the actual contract executed with successful responder(s). If you have any exceptions to the standard County contract, they must be submitted with your response, as required on Page 7, C., Required Documents Checklist.

D. **Question:** If so, how can I get a copy without the sample stamped on it

Answer: Please see response to Question C.

E. **Question:** There are other forms attached that have sample stamped across them, is it okay to use them like that?

Answer: The documents stamped sample are part of the County contract and will be executed with the successful vendor(s).
