**TO:** All Bidders under Invitation to Bid No. 21-101343

**FROM:** Department of Purchasing and Contracting, DeKalb County, Georgia

**ADDENDUM NO. 1**

Invitation to Bid (ITB) No. 21-101343 for 39 Ft Frameless End Dump Trailer (One-Time Buy) hereby amended as follows:

1. The bid due date has been extended to 3:00 p.m. EST, April 19, 2021.
2. We have received questions pertaining to this ITB. The questions and the responses are provided below:
  - a. **Question:** The bid is titled 39' Frameless end dump trailer. All the bid specs are written around a 39' tipper style trailer, that would be used on a tipper platform. I do not see anywhere on the bid where a hoist is called out for, which would be needed if it was a frameless dump trailer. So, is this unit to be used as a tipper trailer and be dumped on a tipper platform?

**Answer:** This unit will be used as a tipper. East manufacturing refers to the unit as the Genesis frameless dump trailer. The unit is designed to tip by itself out of the rear of the trailer. Please see picture of below.

- b. **Question:** To go along with this, the bid has trailer pictures on pages 30, 31, and 32 which are of an East frameless end dump trailer. This trailer that is pictured has draft arms and a hoist to raise it up in the air to dump it. Is this what is to be bid, because the bid does not call out for these items or match any of the bid specs?

**Answer:** Hopefully the previous picture shows the mechanics of the trailer we are seeking.

- c. **Question:** The bid is calling for a sideswing only tailgate. The pictures in the bid show a tailgate that is both top hinged and sideswing, plus it has a coal door on it. None of this was called out on the bid.

**Answer:** The gate should be top hinged without a coal door. Hence the name for end dump. The door should be like a dump truck door.

- d. **Question:** The bid is calling for a tipper bumper and the pictures do not show a bumper.

**Answer:** There is no need for a tipper bumper that was a typo. The rear bumper should look like the picture below.

3. It is the responsibility of each bidder to ensure that he is aware of all addenda issued under this ITB. Please sign and return this addendum.
