3. We have received questions pertaining to this ITB. The questions and the responses are below:
 - a. Question: I wanted to check and see if this rfp will remain the same as far as irrigation and plumbing scope as one? Most plumbers are not irrigation specialist and most irrigation techs are not plumbers. Also, it said it will require a certified irrigation contractor. Will that also be upheld? My company has been servicing irrigation for over 20 years but are not certified, which most are not. Let me know if there may be some changes in requirements in the future.

Answer: Just to clarify, this is an ITB and not an RFP. The User Department is willing to award to an Irrigation Specialist who is not certified; however, the work must be warranted. Additionally, if possible, the vendor can obtain their irrigation certification within six (6) months of the contract at no additional cost to the County. Plumbers must be certified.
4. It is the responsibility of each bidder to ensure that he is aware of all addenda issued under this ITB. Please sign and return this addendum. You may email Angel Frazier at amfrazier@dekalbcountyga.gov before the bids are due to confirm the number of addenda issued.
5. All other conditions remain in full force and effect.
