**TO:** All Bidders under Invitation to Bid No. 23-101575 Traffic Signal Equipment (Annual Contract with 2 Options to Renew)

**FROM:** Department of Purchasing and Contracting, DeKalb County, Georgia

**ADDENDUM NO. 2**

Invitation to Bid (ITB) **23-101575 Traffic Signal Equipment (Annual Contract with 2 Options to Renew)** is hereby amended as follows:

1. The bid due date is extended to 3:00 p.m. on **Thursday, May 11, 2023**.
2. We received one question pertaining to this ITB. The question and resulting answer are provided below:

**Question:** Regarding **Item No. 315. Wavetronix Radar Detection**, could there be 4 separate line items for the Wavetronix Radar Detection instead of 1, to be broken down by sensor bundle? This way, we could fulfill the GDOT MVDS Specifications 937.1.01.6a, 937.1.01.6b and 937.2.05 of Type A and Type B much like the TSEF contract 48400-197-DOT0002307 with 2 options for a Type A and 2 options for a Type B shown in the image below.

**Answer:** Please see the attached Price Schedule (revised). Bidders must submit the Price Schedule (revised), and adhere to all other ITB requirements, to remain responsive. Bidders who fail to provide pricing on the Price Schedule (revised) will be deemed non-responsive.

3. It is the responsibility of each bidder to ensure that he is aware of all addenda issued under this ITB. Please sign and return this addendum. To confirm the number of addenda issued, please go to our website, [Active ITBs and RFPs | DeKalb County GA](#).
4. All other conditions remain in full force and effect.

Judi Moore  
Procurement Agent  
Department of Purchasing and Contracting

306.	Video Detection System Processor, Type B, requirements per GDOT Specifications.	100	EA.	\$ _____	\$ _____
307.	Video Detection System Processor, Type C, requirements per GDOT Specifications.	100	EA.	\$ _____	\$ _____
308.	Video Detection System Processor, Type D, requirements per GDOT Specifications.	100	EA.	\$ _____	\$ _____
309.	Video Detection System Processor, Type E, requirements per GDOT Specifications (Section 937)	100	EA.	\$ _____	\$ _____
310.	Video Detection System Processor, Type F, requirements per GDOT Specifications.	100	EA.	\$ _____	\$ _____
311.	Video Detection System, Coaxial cable with connections per GDOT Specifications.	100	EA.	\$ _____	\$ _____
312.	Video Detection System, Mounting Bracket Assembly per GDOT Specifications.	100	EA.	\$ _____	\$ _____
313.	Ethernet Communications, Field Switch including all components per GDOT Specifications.	100	EA.	\$ _____	\$ _____
314.	Ethernet Communications-Field Switch (POE-Power Over Ethernet) including all components, per GDOT Specifications.	100	EA.	\$ _____	\$ _____
315.	Wavetronics Radar Detection, 101-0415 – Microwave Vehicle Detection System, Type A, 937.2.05	40	EA.	\$ _____	\$ _____
316.	Wavetronics Radar Detection, SS-255 – Microwave Vehicle Detection System, Type A, 937.2.05	40	EA.	\$ _____	\$ _____
317.	Wavetronics Radar Detection, SS-105V – Microwave Vehicle Detection System, Type B, 937.2.05	40	EA.	\$ _____	\$ _____
318.	Wavetronics Radar Detection, SS-200E – Microwave Vehicle Detection System, Type B, 937.2.05	40	EA.	\$ _____	\$ _____
<b>Grand Total</b>				\$ _____	

(End of Price Schedule (revised))
