

December 20, 2019

TO: ALL BIDDERS UNDER ITB NO. 19-101181

FROM: Department of Purchasing and Contracting, DeKalb County, Georgia

**ADDENDUM NO. 3**

Invitation to Bid (ITB) No. 19-101181 HDPE Pipe Liners is hereby modified as follows:

1. We have received one question pertaining to this ITB. The question and its resulting answer appears below:
  - A. Question: Would the County consider the use of PVC pipe for part of this contract? We offer large diameter pipe in the 21” to 54” inch range and meeting the standards of ASTM F794 & F1803. For new construction we make Direct Bury 75PS (pipe stiffness) pipe. For Casing Pipe, we offer Vylon Slipline Pipe (VSP) that has a flush coupling design (OD/ID of pipe is the same as barrel of pipe) and does not need to be welded.  
  
Answer: Public Works – Roads and Drainage does not use PVC pipe for this project, and the Vylon Slipline Pipe (VSP) does not meet the specifications of the bid.
2. The bid opening date has been extended until Monday, December 30, 2019 at 3:00 p.m.
3. All other conditions remain in full force and effect.
4. It is the responsibility of each bidder to ensure that he/she is aware of all addenda issued under this ITB. Please sign and return this addendum. You may call Kyheem Bristol, Procurement Agent, at 404-371-7063 before the bids are due to confirm the number of addenda issued.
