July 2012
Proposed Substantial Amendment to the 2008-2012
Consolidated Plan, including the 2008 Annual Action Plan
For the Neighborhood Stabilization Program

The purpose of this amendment to revise the original proposed focused areas for the NSP3 program by proposing an expansion to the surrounding areas within the vicinity of Hidden Hills Subdivision. The expansion is due to the insufficiency of NSP eligible foreclosed properties in the original submission of Census Block Groups approved by HUD in March 2011. This new proposed expansion will enable DeKalb County to acquire the number of properties recommended in our original plan in order to meet the deadline for this program.

Upon approval of the expanded areas, our geographical focus for NSP3 will include the original approved areas and the new expanded areas.
