Request for Information No. 17-3003603

On January 23, 2018 the DeKalb County, Georgia (The County) Board of Commissioners (BOC) approved a Resolution to pursue relocation of the Confederate Monument and is seeking proposals from the public to find a permanent location for the Confederate Monument currently located at the historic DeKalb County Courthouse.

I. Request for Information:

The Confederate Monument is located at the historic DeKalb County Courthouse at 101 E. Court Square, Decatur, Georgia. Historical media articles reflect that the Confederate Monument appears to have been erected in 1908 with its construction directed by the A. Evans Camp of Confederate Veterans and the Agnes Lee Chapter of the United Daughters of the Confederacy. Pictures of the monument are attached hereto as Attachment A.

Pursuant to action by the BOC, this RFI is issued to allow responders to propose a permanent location for the monument. The action specifically requires the transfer and relocation or simply relocation as an appropriate measure for the preservation, protection and interpretation of the Confederate Monument and the public safety of the citizens of and visitors to the County and the City of Decatur. State law requires that the location of the Confederate Monument remain visibly displayed to the public.

The County requests responders to provide potential locations for the Confederate Monument using the Information Form attached hereto as Attachment B. Additionally, responders are requested to provide evidence that the owner of the location certifies that approval is given for the monument to be located on the proposed property using the Owner Affidavit attached hereto as Attachment C. Responders who own the proposed location must also complete and submit the Owner Affidavit.

The Governing Authority shall make the final decision on the relocation of the Confederate Monument.
