REQUEST FOR PROPOSAL (RFP) No. 19-500520

FOR

DEVELOPMENT OF COST ALLOCATION PLANS

DEKALB COUNTY, GEORGIA

DeKalb County Government (the County) requests qualified individuals and firms with knowledge of and experience in the development of cost allocation plans to submit proposals for the **Development of Cost Allocation Plans** County-wide in DeKalb County, Georgia.

I. INTRODUCTION

- A. General Information It is the intention of the DeKalb County Government to solicit proposals for professional services for overhead and administrative cost studies for all County Programs from qualified firms that have experience in providing a similar scope of service to government entities of a comparable size. Responders are required to propose a service plan that can be accomplished in accordance with the Statement of Work.
- B. Background DeKalb County is Georgia's third largest county with more than 700,000 residents calling it home. The County consists of a portion of Atlanta, Avondale Estates, Brookhaven, Chamblee, Clarkston, Decatur, Doraville, Dunwoody, Lithonia, Pine Lake, Stonecrest, Stone Mountain, Tucker and several unincorporated areas.
 - The Board of Commissioners serves as the legislative branch of the DeKalb County government. The Board is comprised of seven part-time commissioners, all elected to a four-year term. DeKalb County is divided into five districts with one commissioner serving each district. There are also two "super districts," one on the east end of the county and the other on the west end, each making up about half of the county population. Each super district is served by one commissioner. Therefore, every citizen of DeKalb County is served by two commissioners, one with the super district.
- C. Current Business Environment DeKalb County operates on a January 1 December 31 Fiscal year, and has an annual general fund operating budget of approximately \$1.2 billion with an anticipated SPLOST capital budget of \$38,042,978 for the planned years of 2018 -

2022.

- D. The initial term of this agreement will be for twelve (12) months. The contract may be renewed for four (4) successive one year terms upon the same terms and conditions stated in the contract.
- E. The following Required Documents Checklist includes a list of attachments which **must** be completed and returned with Responder's technical proposal:

II. STATEMENT OF WORK

It is the County's intent to enter into agreement with a firm that can develop Cost Allocation Plans for the County that comprehensively distribute agency wide administrative costs in a well-documented and defensible model. In addition, the Cost Allocation Plans must be based on a model/methodology that can be easily and accurately updated as identified in the following *Scope of Work*.

All proposals must provide appropriate documentation showing that the Responder meets or exceeds the requirements contained herein.

- A. Coordinate and work with County staff to develop the County's Cost Allocation Plan to ensure its development is accurate, inclusive and appropriate to the County's needs.
- B. Meet with County staff and conduct interviews to gain an understanding of the County's practices and operations.
- C. Review the all budgeted and actual expenditures in the County's operating, capital (including the Special Purpose Local Option Sales Tax (SPLOST)), and grants funds

- to identify costs that support all County departments and operations to determine which costs can be allocated to the appropriate budgets.
- D. Develop a full Cost Allocation Model that:
 - Allows additions, revisions or deletions of centralized and overhead costs so that the Cost Allocation Model can be easily adapted to a range of County services.
 - 2. Allows for continual County updates as the organization changes.
 - 3. Allows the user to calculate the estimated cost of providing County services under consideration (scenario and "what if" analysis")
- E. Report on any other matters that come to your attention during your evaluation that the County should consider.
- F. Make a presentation of the Cost Allocation Plan and Model to the County's management group and make any necessary adjustments as requested.
- G. Make presentation, if required, to the County's Board of Commissioners to facilitate their understanding of the Cost Allocation Plan and Model and its implications to the County.
- H. Provide the County with an electronic copy of the final comprehensive Cost Allocation Plan and Model that would include related schedules and cost documentation in a format that can be edited and updated by County staff.
- I. Provide the County with a software application that would enable staff to add, delete or update the final Cost Allocation Plan as needed. The software program shall be Windows Operating System compatible with a Graphical User Interface (GUI). In addition, consultants would provide the necessary training on the software program to selected staff in the Finance and Budget department.
- J. Consult with County staff to defend the Cost Allocation Plan Model in case of audits or other challenges.
- K. Consultant shall clearly define the steps needed to implement the Cost Allocation Model. The Consultant shall work directly with County staff to ensure complete and proper implementation of the Cost Allocation Plan Model.
- L. Option: 2 CFR 225 Cost Principles for State, Local, and Indian Tribal Governments (OMB Circular A-87). The county currently does not have a 2 CFR 225 OMB Circular A-87 intergovernmental cost recovery plan in place. Therefore, the County is requesting as an option a second Cost Allocation Plan to include the following:
 - 1. A study of each program with overhead costs that are borne in whole or in part by the county that are eligible for reimbursement from State and Federal governments and/or other sources.
 - 2. A methodology appropriate for the calculation and allocation of an overhead cost rate in compliance with 2 CFR 225 (OMB Circular A-87).

Prime Contractors who demonstrate sufficient good faith efforts in accordance with the requirements of the ordinance shall be granted two (2) points in their initial evaluation of responses to any Request for Proposal. Pro-rated points shall be granted where a mixture of LSBE-DeKalb and LSBE MSA firms are utilized. Utilization of each firm shall be based upon the terms of the qualified sealed solicitation.

Prime Contractor(s) deemed responsible and remains responsive to an Invitation to Bid (ITB) because they are either a certified LSBE-DeKalb or LSBE-MSA firm or has obtained 20% participation of an LSBE-DeKalb or LSBE-MSA firm, submits the lowest bid price shall be deemed the lowest, responsive and responsible bidder.

Prime Contractor(s) deemed responsible and remains responsive to an Invitation to Bid (ITB) and documented good faith efforts, submits a lower bid price than a Prime Contractor that achieved 20% LSBE participation, or otherwise required benchmark, then the Prime Contractor who actually met the

benchmark will be given the opportunity to match the lowest bid price of the Prime Contractor who only made good faith efforts. Prime Contractor(s) who choose <u>not</u> to match the lowest bid price, then the Prime Contractor who made the good faith efforts will be deemed the lowest, responsive and responsible bidder.

For all qualified sealed solicitations, the Director of Purchasing and Contracting, DeKalb County Government, shall determine if the bidder/proposer has included written documentation showing that at least twenty percent (20%) of the total contract award will be performed by a certified LSBE. This written documentation shall be in the form of a notarized Schedule of LSBE Participation (Attached hereto as "Exhibit A".) For all contracts, a signed letter of intent from all certified LSBEs describing the work, material, equipment and/or services to be performed or provided by the LSBE(s) and the agreed upon percentage shall be due with the bid or proposal documents and included with "Exhibit A". The certified vendor list establishes the group of Certified LSBE's from which the bidder/proposer must solicit subcontractors for LSBE participation. This list can be found on our website http://www.dekalbcountyga.gov/purchasing-contracting/about-purchasing-and-contracting or obtained from the Special Projects LSBE Program team.

Prime Contractors failing to meet the LSBE benchmark must document and demonstrate Good Faith Efforts in accordance with the attached "Checklist for Good Faith Efforts" portion of "Exhibit A." The notarized Schedule of LSBE Participation shall be due and submitted with each bid or proposal. Failure to achieve the LSBE benchmark or demonstrate good faith efforts shall result in a bid or proposal being rejected. Prime Contractors that fail to attend the mandatory LSBE meeting in person or via video conference shall mean that the Prime Contractor has not demonstrated sufficient good faith efforts and its bid or proposal if submitted, shall be deemed non-responsive without any further review.

Upon award, Prime Contractors are required to submit a report detailing LSBE Sub-Contractor usage with each request for payment and not less than on a monthly basis. Prime Contractors shall ensure that all LSBE sub-contractors have been paid within seven (7) days of the Prime's receipt of payment from the County. Failure to provide requested reports/documentation shall constitute a material breach of contract, entitling the County to terminate the Contract for default or pursue other remedies. LSBE subcontractors must confirm payments received from the Prime(s) for each County contract in which they participate.

For eligible bids/proposals valued over \$5,000,000.00, the Mentor-Protégé provision of the Ordinance shall apply. Prime Contractors must agree to become mentors and take on an LSBE protégé in an effort to enhance the potential of future LSBEs. Qualifying projects shall be performed by both Mentor and Protégé through a subcontract between both parties. This requirement is in addition to all other applicable sections of the DeKalb First Ordinance. Please review the ordinance, section 2-214 or contact the LSBE Program Representative for detailed information regarding this initiative.
