I. PURPOSE

DeKalb County Government (the County) requests qualified and experienced firms to submit proposals in response to RFP 20-500541 Meal Services for Seniors (Annual Contract with 2 Options to Renew) for one (1) of two (2) programs: 1) provision of Congregate & Shelf-Stable Meals at four (4) senior centers in DeKalb County OR 2) Home-Delivered & Shelf-Stable Meals to homebound seniors located throughout DeKalb County.

II. INTRODUCTION

A. GENERAL INFORMATION

The DeKalb County Office of Aging (OOA) is the designated County-Based Aging Agency (CBA) for the administration, coordination and implementation of the Older American Act (OAA) programs and services. In this role, the Office of Senior Affairs is responsible for maintaining a coordinated aging services delivery system for the senior residents of DeKalb County, Georgia. Its mission is to ensure the provision of quality services that promote the highest level of independence and quality of life for seniors. The DeKalb County Office of Senior Affairs (OSA) enhances the welfare of the County’s seniors by providing an array of health and social support services that can assist seniors to age in place within their communities for as long as possible. Specifically, OSA ensures the provision and oversight of senior centers, a congregate and home-delivered meal program, transportation services, case management, in-home services and volunteer services.

According to most recent census statistics, there are approximately 103,728 seniors age 60 years and older living in DeKalb County, Georgia. This number represents approximately 14.7% of the county’s total population. DeKalb County has the second largest senior population in the state of Georgia. It is estimated that by the year 2030, one (1) in five (5) people living in the Atlanta metro region will be over the age of 60. As the Atlanta metro population continues to age, the OSA anticipates that there will be an increase in the need at the local level for services that will assist seniors with aging in place in their own homes and communities for as long as possible.

B. OBJECTIVE

The objective of this Request for Proposals (RFP) is to obtain proposals from qualified Responders that will result in one (1) contract award for Congregate & Shelf-Stable Meal Service for Seniors to be served in designated zip codes of the identified four (4) DeKalb County senior centers (30317, 30032, 30041, and 30058) AND one (1) contract award for Home-Delivered & Shelf-Stable Meal Service for Seniors residing within DeKalb County. Provision of these meals will assist with the reduction of hunger and food insecurity among seniors and promote better physical and mental health for older adults living in DeKalb County.

The County does not intend to award both contracts to one (1) Responder, but to two (2) separate Responders. As a result, Responders should only provide a proposal for one (1) of the two (2) programs. If a Responder provides a proposal for both programs, the County will not evaluate both proposals and will determine which proposal will receive
consideration based on the number of proposals received for each program.

Responders must have a minimum of two (2) years of experience cooking and preparing food according to all rules and regulations governing food service as stated by the Georgia Department of Public Health (290-5-14).

All contracts resulting from this RFP are contingent upon the actual availability of funds from the Georgia Department of Human Services (DHS), Division of Aging Services (DAS), and the Atlanta Regional Commission (ARC).

For all qualified sealed solicitations, the Director of Purchasing and Contracting, DeKalb County Government, shall determine if the bidder/Responder has included written documentation showing that at least twenty percent (20%) of the total contract award will be performed by a certified LSBE. This written documentation shall be in the form of a notarized Schedule of LSBE Participation (Attached hereto as “Exhibit 1”). For all contracts, a signed letter of intent from all certified LSBEs describing the work, material, equipment and/or services to be performed or provided by the LSBE(s) and the agreed upon percentage shall be due with the bid or proposal documents and included with “Exhibit 1”. The certified vendor list establishes the group of Certified LSBE’s from which the bidder/Responder must solicit subcontractors for LSBE participation. This list can be found on our website http://www.dekalbcountyga.gov/purchasing-contracting/about-purchasing-and-contracting or obtained from the Special Projects LSBE Program team.

Prime Contractors failing to meet the LSBE benchmark must document and demonstrate Good Faith Efforts in accordance with the attached “Checklist for Good Faith Efforts” portion of “Exhibit 1.” The notarized Schedule of LSBE Participation shall be due and submitted with each bid or proposal. Failure to achieve the LSBE benchmark or demonstrate good faith efforts shall result in a bid or proposal being rejected. Prime Contractors that fail to attend the mandatory LSBE meeting in person or via video conference shall mean that the Prime Contractor has not demonstrated sufficient good faith efforts and its bid or proposal if submitted, shall be deemed non-responsive without any further review.

Upon award, Prime Contractors are required to submit a report detailing LSBE Sub-Contractor usage with each request for payment and not less than on a monthly basis. Prime Contractors shall ensure that all LSBE sub-contractors have been paid within seven (7) days of the Prime’s receipt of payment from the County. Failure to provide requested reports/documentation shall constitute a material breach of contract, entitling the County to terminate the Contract for default or pursue other remedies. LSBE sub-contractors must confirm payments received from the Prime(s) for each County contract they participate in.

For eligible bids/proposals valued over $5,000,000.00, the Mentor-Protégé provision of the Ordinance shall apply. Prime Contractors must agree to become mentors and take on an LSBE protégé in an effort to enhance the potential of future LSBEs. Qualifying projects shall be performed by both Mentor and Protégé through a subcontract between both parties. This requirement is in addition to all other applicable sections of the DeKalb First Ordinance. Please review the ordinance, section 2-214 or contact the LSBE Program Representative for detailed information regarding this initiative.

WITNESSETH: That for and in consideration of the mutual covenants and agreements herein set forth, the County and the Contractor hereby agree as follows:

ARTICLE I. CONTRACT TERM

The Contractor shall commence the Work under this Contract within ten (10) days from the date of the Notice to Proceed (the “Commencement Date”). The Initial Term of this Agreement shall be for twelve (12) calendar months, beginning on the Commencement Date. This is an annual contract with three (3) options to renew. Prior to the expiration of the Initial Term, the parties have the option to renew this agreement for a first annual Renewal Term of twelve (12) calendar months. Prior to the expiration of the first annual Renewal Term, the parties have the option to renew this Agreement for a second annual Renewal Term of twelve (12) calendar months. Prior to the expiration of the second annual Renewal Term, the parties have the option to renew this Agreement for a third annual Renewal Term of twelve (12) calendar months. Without further action by either party, this Agreement will terminate at the end of the Initial Term or at the end of each annual Renewal Term. Each option to renew must be exercised prior to the beginning of each annual Renewal Term and is only effective upon adoption and approval by the DeKalb County Governing Authority and the Contractor in accordance with the terms of this Contract.

ARTICLE II. PAYMENT

Contractor shall be responsible for collecting all payments for food/beverage items from the customers purchasing said items. Payment shall be collected by Contractor at point-of-sale. If the original Contract or Purchase Order Price does not exceed $100,000.00, but the Change Order will make the total Contract Price exceed $100,000.00, then the Change Order will require approval by official action of the Governing Authority. Any other increase of the Contract Price shall be by Change Order adopted and approved by the DeKalb County Governing Authority and the Contractor in accordance with the terms of this Contract.

The Contractor’s services shall include all things, personnel, and materials necessary to accomplish specific projects authorized by the County.

**ARTICLE IV. GENERAL CONDITIONS**

A. **Accuracy of Work** The Contractor shall be responsible for the accuracy of the Work and any error and/or omission made by the Contractor in any phase of the Work under this Agreement.

B. **Additional Work** The County shall in no way be held liable for any work performed under this section which has not first been approved in writing by the County in the manner required by applicable law and/or the terms of this Contract. The County may at any time order changes within the scope of the Work without invalidating the Contract upon seven (7) days written notice to the Contractor. The Contractor shall proceed with the performance of any changes in the Work so ordered by the County unless such change entitles the Contractor to a change in Contract Price, and/or Contract Term, in which event the Contractor shall give the County written notice thereof within fifteen (15) days after the receipt of the ordered change, and the Contractor shall not execute such changes until it receives an executed Change Order from the County. No extra cost or extension of time shall be allowed unless approved by the County and authorized by execution of a Change Order. The parties’ execution of any Change Order constitutes a final settlement of all matters relating to the change in the Work which is the subject of the Change Order. The County shall not be liable for payment for any work performed under this section which has not first been approved in writing by the County in the manner required by applicable law and/or the terms of this Contract.

C. **Ownership of Documents** All documents, including drawings, estimates, specifications, and data are and remain the property of the County. The Contractor agrees that the County may reuse any and all plans, specifications, drawings, estimates, or any other data or documents described herein in its sole discretion without first obtaining permission of the Contractor and without any payment of any monies to the Contractor therefore. However, any reuse of the documents by the County on a different site shall be at its risk and the Contractor shall have no liability where such documents are reused.

D. **Right to Audit** The County shall have the right to audit all books and records, including electronic records, relating or pertaining to this contract or agreement, including but not limited to all
financial and performance related records, property, and equipment purchased in whole or in part with County funds and any documents or materials which support those records, kept under the control of the Contractor, including but not limited to those kept by the Contractor’s employees, agents, assigns, successors and subcontractors. The County also has the right to communicate with Contractor’s employees related to the audited records.

The Contractor shall maintain such books and records, together with such supporting or underlying documents and materials, for the duration of this contract and for seven (7) years after termination or expiration, including any and all renewals thereof. The books and records, together with supporting documents and materials shall be made available, upon request to the County or its designee, during normal business hours at the Contractor’s office or place of business. In the event that no such location is available, then the books, records, and supporting documents shall be made available for audit at a time and location which is convenient for the County.

E. **Successors and Assigns** The Contractor agrees it shall not sublet, assign, transfer, pledge, convey, sell, or otherwise dispose of the whole or any part of this Contract or his right, title, or interest therein to any person, firm, or corporation without the previous written consent of the County. If the County consents to any such assignment or transfer, then the Contractor binds itself, its partners, successors and assigns to all covenants of this Contract. Nothing contained in this Contract shall create, nor be interpreted to create privity, or any other relationship whatsoever, between the County and any person, or entity or than Contractor.

F. **Reviews and Acceptance** Work performed by the Contractor shall be subject to review and acceptance in stages as required by the County. Acceptance shall not relieve the Contractor of its professional obligation to correct, at his own expense, any errors in the Work.

G. **Termination of Agreement** The Contractor understands and agrees that the date of the beginning of Work, rate of progress, and time for completion of the Work are essential conditions of this Contract. The County may, for its own convenience and at its sole option, without cause and without prejudice to any other right or remedy of County, unilaterally elect to terminate the Contract by delivering to the Contractor, at the address listed in the Notices article of this Contract, a written notice of termination specifying the effective date of termination. All notices sent to said address shall be binding upon the Contractor unless said address is changed by the Contractor in writing to the County and has received acknowledgement from the County. Such notice shall be delivered to Contractor at least thirty (30) days prior to the effective date of termination. If Contractor’s services are terminated by the County, the termination will not affect any rights or remedies of the County then existing or which may thereafter accrue against Contractor or its surety. In case of termination of this Contract before completion of the Work, Contractor will be paid only for the portion of the Work satisfactorily performed through the effective date of termination as determined by the County. Neither party shall be entitled to recover lost profits, special, consequential or punitive damages, attorney’s fees or costs from the other party to this Contract for any reason whatsoever. This Contract shall not be deemed to provide any third-party with any remedy, claim, right of action, or other right. The parties’ obligations pursuant to this Section shall survive any acceptance of Work, or termination or expiration of this Contract.

H. **Indemnification Agreement** The Contractor shall be responsible from the execution date or from the time of the beginning of the Work, whichever shall be the earlier, for all injury or damage of any kind resulting from the Work, to persons or property, including employees and property of the County. The Contractor shall exonerate, indemnify, and save harmless the County, its elected officials, officers, employees, agents and servants, hereinafter collectively referred to in this Section as “the County Indemnitees,” from and against all claims or actions based upon or arising out of any damage or injury (including without limitation any injury or death to persons and any damage to property) caused by or sustained in connection with the performance of this Contract or by conditions created thereby or arising out of or any way connected with Work performed under this Contract, as well as
all expenses incidental to the defense of any such claims, litigation, and actions. Furthermore, Contractor shall assume and pay for, without cost to the County Indemnitees, the defense of any and all claims, litigation, and actions suffered through any act or omission of the Contractor, or any Subcontractor, or anyone directly or indirectly employed by or under the supervision of any of them. Notwithstanding any language or provision in this Contract, Contractor shall not be required to indemnify any County Indemnitee against claims, actions, or expenses based upon or arising out of the County Indemnitee’s sole negligence. As between the County Indemnitees and the Contractor as the other party, the Contractor shall assume responsibility and liability for any damage, loss, or injury, including death, of any kind or nature whatever to person or property, resulting from any kind of claim made by Contractor’s employees, agents, vendors, Suppliers or Subcontractors caused by or resulting from the performance of Work under this Contract, or caused by or resulting from any error, omission, or the negligent or intentional act of the Contractor, vendors, Suppliers, or Subcontractors, or any of their officers, agents, servants, or employees. The Contractor shall defend, indemnify, and hold harmless the County Indemnitees from and against any and all claims, loss, damage, charge, or expense to which they or any of them may be put or subjected by reason of any such damage, loss, or injury. The Contractor expressly agrees to provide a full and complete defense against any claims brought or actions filed against the County Indemnitees, where such claim or action involves, in whole or in part, the subject of the indemnity contained in this Contract, whether such claims or actions are rightfully or wrongfully brought or filed. The County has the sole discretion to choose the counsel who will provide the defense. No provision of this Contract and nothing herein shall be construed as creating any individual or personal liability on the part of any elected official, officer, employee, agent or servant of the County, nor shall the Contract be construed as giving any rights or benefits hereunder to anyone other than the parties to this Contract. The parties’ obligations pursuant to this Section shall survive any acceptance of Work, or termination or expiration of this Contract.

I. Insurance

Prior to commencing work, Contractor shall, at its sole expense, procure and maintain insurance of the types and in the amounts described below from insurer(s) authorized to transact business in the state where the work or operations will be performed by Contractor. 1. Certificates of Insurance in companies doing business in Georgia and acceptable to the County covering:
   (a) Statutory Workers’ Compensation Insurance, or proof that Contractor is not required to provide such coverage under State law;

   (c) Commercial General Liability Insurance covering all operations with combined single limit of $1,000,000;
   (d) Comprehensive Automobile Liability Insurance with form coverage for all owned, non-owned and hired vehicles with combined single limit of $1,000,000.
   (e) Umbrella or Excess Insurance. Umbrella or excess insurance is to be provided with General Liability, Auto Liability and Employers Liability scheduled as
underlying policies with limits not less than the following:
$5,000,000 per occurrence
$5,000,000 aggregate

2. Additional Insured Requirement:
   (a) The County, its elected officials, officers, employees and agents, hereinafter
       referred to in this article and in the article entitled “Certificates of Insurance”
       as “the County and its officers” are to be named as additional insured on all
       policies of insurance except worker’s compensation insurance with no cross
       suits exclusion. The County and its officers shall be included as additional
       insureds under commercial general liability and commercial umbrella
       insurance, for liabilities arising out of both the ongoing and completed
       operations of Contractor. Such additional insured coverage shall be endorsed
       to Contractor’s policy by attachment of ISO Additional Insured Endorsement
       forms CG 20 10 10 01 (ongoing operations) and CG 20 37 10 01 (products-
       completed operations), or form(s) providing equivalent coverage.
   (b) All coverages required of the Contractor will be primary over any insurance or
       self-insurance program carried by the County.
   (c) If the Contractor is a joint venture involving two (2) or more entities, then each
       independent entity will satisfy the limits and coverages specified here or the
       joint venture will be a named insured under each respective policy specified.

   amount scheduled in the contract.

4. Certificates of Insurance must be executed in accordance with the following
   provisions:

       of all policies issued in accordance with this Agreement;
   (b) Certificates to contain the location and operations to which the insurance
       applies;
   (c) Certificates to contain Contractor’s protective coverage for any subcontractor’s
       operations;
   (d) Certificates to contain Contractor’s contractual liability insurance coverage;
   (e) Certificates are to be issued to:
       DeKalb County, Georgia
       Director of Purchasing & Contracting
       The Maloof Center, 2nd Floor
       1300 Commerce Drive
       Decatur, Georgia 30030

5. The Contractor shall be wholly responsible for securing certificates of insurance
   coverage as set forth above from all subcontractors who are engaged in this work.

6. The Contractor agrees to carry statutory Workers’ Compensation Insurance and to have
   all subcontractors likewise carry statutory Workers’ Compensation Insurance.

7. Contractor agrees to waive all rights of subrogation and other rights of recovery against
   the County and its officers and shall cause each Subcontractor to waive all rights of
   subrogation for all coverage, excluding Professional E&O.

8. Failure of the County to demand such certificate or other evidence of full compliance
   with these insurance requirements or failure of the County to identify a deficiency from
   evidence provided will not be construed as a waiver of the Contractor’s obligation to
   maintain such coverage. Contractor understands and agrees that the purchase of
   insurance in no way limits the liability of the Contractor.
9. Certificates shall state that the policy or policies shall not expire, be cancelled or altered without at least sixty (60) days prior written notice to the County. Policies and Certificates of Insurance listing the County and its officers as additional insureds (except for workers’ compensation insurance) shall conform to all terms and conditions (including coverage of the indemnification and hold harmless agreement) contained in this Contract.

10. If the County shall so request, the Contractor will furnish the County for its inspection and approval such policies of insurance with all endorsements, or confirmed specimens thereof certified by the insurance company to be true and correct copies. Contractor shall be responsible and have the financial wherewithal to cover any deductibles or retentions included on the certificate of insurance.

J. **Georgia Laws Govern** The laws of the State of Georgia shall govern the construction of this Contract without regard for conflicts of laws. Should any provision of this Contract require judicial interpretation, it is agreed that the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party, by reason of the rule of construction, that a document is to be construed more strictly against the party who itself or through its agent prepared same; it being agreed that the agents of all parties have participated in the preparation hereof, and all parties have had an adequate opportunity to consult with legal counsel. In interpreting this Contract in its entirety, the printed provisions of this Contract, and any additions written or typed hereon, shall be given equal weight, and there shall be no inference by operation of law or otherwise; that any provision of this Contract shall be construed against either party hereto.

K. **Venue** This Agreement shall be deemed to have been made and performed in DeKalb County, Georgia. For the purposes of venue, all suits or causes of action arising out of this Agreement shall be brought in the courts of DeKalb County, Georgia.
