I. **PURPOSE**

DeKalb County Government (the County) requests qualified firms with professional experience in managing a comprehensive Employee Assistance Program (EAP) to include the services contained in this Request for Proposals (RFP), to submit proposals for **RFP 20-500542 Employee Assistance Program (Multiyear Contract)**.

II. **INTRODUCTION**

A. DeKalb County Government has a workforce of approximately 7,000 full-time and part-time employees. The County’s employees are its most valuable resource. Personal issues often diminish an employee’s ability to function at optimum levels, which negatively impacts productivity. Support offered to employees, especially during the earliest and most preventive stages of a problem, can help them remedy a potentially debilitating issue.

When employees are healthier, the cost associated with absenteeism, loss of productivity and health insurance usage is reduced.

A happier workforce is a more productive workforce.

B. The Employee Assistance Professional Association (EAPA) defines "EAP" as a worksite-based program designed to assist: (1) work organizations in addressing productivity issues, and (2) "employee clients" in identifying and resolving personal concerns, including health, marital, family, financial, alcohol, drug, legal, emotional, stress, or other personal issues that may affect job performance.

EAP shall be comprehensive, maintaining best practices in delivering EAP services to DeKalb County employees, their spouse/domestic partner, dependent, or household member, and anticipating and meeting client needs. It must guarantee complete confidentiality, privacy and protection of EAP records, client confidentiality for voluntary self-referral as well as County-initiated referral, except in cases where the threat of violence is a potential hazard to themselves or others. It should also work with the County’s health plans to ensure coordination of benefits.

The program must be designed to include, but not be limited to, diagnostic counseling and, if necessary, referral assistance in the areas of: grief, psychological, alcohol and drug abuse, occupational problems, anger management, domestic/workplace violence, personal, family, and marital problems, legal and financial problems, stress and mental health problems, and compulsive gambling.

The County seeks an EAP that fulfills the EAPA definition and meets all of the criteria outlined in Attachment A, Scope of Services. Services must be offered and delivered via phone, video-based counseling, online chatting, e-mail interactions and face-to-face.

C. The contract shall commence on receipt of acknowledgement of the Notice to Proceed. The initial term of the contract shall be twelve (12) consecutive months. This twelve-month contract may be automatically renewed on an annual basis for four (4) additional twelve-month terms, for a total lifetime term of five years, upon the same terms and conditions, as provided for in the contract. Unless previously terminated, the contract will terminate on
December 31, 2024.

D. The County is requesting proposals for three (3) tiers of pricing based on the number of counseling sessions provided per person, per problem and per contract year with a work/life component. The tier determined to be in the best interests of the County will be awarded. The tiers are as follows:

1. Tier 1 – four (4) counseling sessions.
2. Tier 2 – six (6) counseling sessions.
3. Tier 3 – eight (8) counseling sessions.

E. The following Required Documents Checklist includes a list of attachments which are requested to be completed and returned with Responder’s technical proposal:

DEKALB FIRST LSBE INFORMATION
WITH EXHIBITS 1 – 2

SCHEDULE OF LOCAL SMALL BUSINESS ENTERPRISE PARTICIPATION
OPPORTUNITY TRACKING FORM

The Chief Executive Officer and the Board of Commissioners of DeKalb County believe that it is important to encourage the participation of small and local businesses in the continuing business of County government; and that the participation of these types of businesses in procurement will strengthen the overall economic fabric of DeKalb County, contribute to the County’s economy and tax base, and provide employment to local residents. Therefore, the Chief Executive Officer and the Board of Commissioners have made the success of local small businesses a permanent goal of DeKalb County by implementing the DeKalb First Local Small Business Enterprise Ordinance.

PROVISIONS OF DEKALB FIRST LOCAL SMALL BUSINESS ENTERPRISE (LSBE) ORDINANCE

<table>
<thead>
<tr>
<th>Certification Designation</th>
<th>Request For Proposals (RFP)</th>
</tr>
</thead>
<tbody>
<tr>
<td>LSBE Within DeKalb (LSBE-DeKalb)</td>
<td>Ten (10) Preference Points</td>
</tr>
<tr>
<td>LSBE Outside DeKalb (LSBE-MSA)</td>
<td>Five (5) Preference Points</td>
</tr>
<tr>
<td>Demonstrated GFE</td>
<td>Two (2) Preference Points</td>
</tr>
</tbody>
</table>

Certified Local Small Business Enterprises (LSBEs) located within DeKalb County and prime contractors utilizing LSBEs that are locally-based inside DeKalb County shall receive ten (10) points in the initial evaluation of their response to any Request for Proposal. Certified LSBEs located outside of DeKalb County but within the nine (9) County Metropolitan Statistical Area (MSA) consisting of Cherokee, Clayton, Cobb, Douglas, Fayette, Fulton, Gwinnett, Henry and Rockdale Counties shall receive five (5) points in the initial evaluation of their response to any Request for Proposal. Prime Contractors who demonstrate sufficient good faith efforts in accordance with the requirements of the ordinance shall be granted two (2) points in their initial evaluation of responses to any Request for Proposal. Pro-rated points shall be granted where a mixture of LSBE-DeKalb and LSBE MSA firms are utilized. Utilization of each firm shall be based upon the terms of the qualified sealed solicitation.

Prime Contractor(s) deemed responsible and remains responsive to an Invitation to Bid (ITB) because they are either a certified LSBE-DeKalb or LSBE-MSA firm or has obtained 20% participation of an LSBE-DeKalb or LSBE-MSA firm, submits the lowest bid price shall be deemed the lowest, responsive and responsible bidder.

Prime Contractor(s) deemed responsible and remains responsive to an Invitation to Bid (ITB) and documented good faith efforts, submits a lower bid price than a Prime Contractor that achieved 20%
LSBE participation, or otherwise required benchmark, then the Prime Contractor who actually met the benchmark will be given the opportunity to match the lowest bid price of the Prime Contractor who only made good faith efforts. Prime Contractor(s) who choose not to match the lowest bid price, then the Prime Contractor who made the good faith efforts will be deemed the lowest, responsive and responsible bidder.

For all qualified sealed solicitations, the Director of Purchasing and Contracting, DeKalb County Government, shall determine if the bidder/Responder has included written documentation showing that at least twenty percent (20%) of the total contract award will be performed by a certified LSBE. This written documentation shall be in the form of a notarized Schedule of LSBE Participation (Attached hereto as “Exhibit 1”). For all contracts, a signed letter of intent from all certified LSBEs describing the work, material, equipment and/or services to be performed or provided by the LSBE(s) and the agreed upon percentage shall be due with the bid or proposal documents and included with “Exhibit 1”. The certified vendor list establishes the group of Certified LSBE’s from which the bidder/Responder must solicit subcontractors for LSBE participation. This list can be found on our website http://www.dekalbcountyga.gov/purchasing-contracting/about-purchasing-and-contracting or obtained from the Special Projects LSBE Program team.

Prime Contractors failing to meet the LSBE benchmark must document and demonstrate Good Faith Efforts in accordance with the attached “Checklist for Good Faith Efforts” portion of “Exhibit 1.” The notarized Schedule of LSBE Participation shall be due and submitted with each bid or proposal. Failure to achieve the LSBE benchmark or demonstrate good faith efforts shall result in a bid or proposal being rejected. Prime Contractors that fail to attend the mandatory LSBE meeting in person or via video conference shall mean that the Prime Contractor has not demonstrated sufficient good faith efforts and its bid or proposal if submitted, shall be deemed non-responsive without any further review.

Upon award, Prime Contractors are required to submit a report detailing LSBE Sub-Contractor usage with each request for payment and not less than on a monthly basis. Prime Contractors shall ensure that all LSBE sub-contractors have been paid within seven (7) days of the Prime’s receipt of payment from the County. Failure to provide requested reports/documentation shall constitute a material breach of contract, entitling the County to terminate the Contract for default or pursue other remedies. LSBE sub-contractors must confirm payments received from the Prime(s) for each County contract they participate in.

For eligible bids/proposals valued over $5,000,000.00, the Mentor-Protégé provision of the Ordinance shall apply. Prime Contractors must agree to become mentors and take on an LSBE protégé in an effort to enhance the potential of future LSBEs. Qualifying projects shall be performed by both Mentor and Protégé through a subcontract between both parties. This requirement is in addition to all other applicable sections of the DeKalb First Ordinance. Please review the ordinance, section 2-214 or contact the LSBE Program Representative for detailed information regarding this initiative.

THIS AGREEMENT made as of this ____ day of _____, 20___, (hereinafter called the “execution date”) by and between DEKALB COUNTY, a political subdivision of the State of Georgia (hereinafter referred to as the “County”), and _________________, a corporation organized and existing under the laws of the State of __________, with offices in __________, __________ (hereinafter referred to as “Contractor”), shall constitute the terms and conditions under which the Contractor shall provide _______________________ in DeKalb County, Georgia.

WITNESSETH: That for and in consideration of the mutual covenants and agreements herein set forth, the County and the Contractor hereby agree as follows:

ARTICLE I. CONTRACT TERM

The Contractor shall commence the Work under this Contract within ten (10) days from the acknowledgement of receipt of the Notice to Proceed. ARTICLE II. PAYMENT

As full payment for the faithful performance of this Contract, the County shall pay the Contractor, the Contract Price, which is an amount not to exceed ________________ ($__________), unless changed by written Change Order in accordance with the terms of this Contract. The term “Change Order” includes the term “amendment” and shall mean a written order authorizing a change in the Work, and an adjustment in Contract Price to Contractor or the Contract Term, as adopted and approved by the Contractor and the DeKalb County Governing Authority, or the Chief Executive Officer, if exempted from Governing Authority adoption and approval in accordance with the express terms of this Contract. The Chief Executive Officer or his/her designee shall have the authority to approve and execute a Change Order lowering the Contract Price or increasing the Contract Price up to twenty percent (20%) of the original Contract Price, provided that the total amount of the increase authorized by such Change Order is less than $100,000.00. If the original Contract or Purchase Order Price does not exceed $100,000.00, but the Change Order will make the total Contract Price exceed $100,000.00, then the Change Order will require approval by official action of the Governing Authority. Any other increase of the Contract Price shall be by Change Order adopted and approved by the DeKalb County Governing Authority and the Contractor in accordance with the terms of this
Contract. Amounts paid to the Contractor shall comply with and not exceed Attachment A, the Contractor’s Cost Proposal, consisting of ______ page(s) attached hereto and incorporated herein by reference. Payment is to be made no later than thirty (30) days after submittal of undisputed invoice.

**ARTICLE III. SCOPE OF SERVICES**

The Contractor agrees to provide all ___________ services in accordance with, Attachment A, Scope of Services attached hereto and incorporated herein by reference, the County’s Request for Proposals (RFP) No. 20-500542 for Employee Assistance Program (Multiyear Contract), attached hereto as Appendix I and incorporated herein by reference, and the Contractor’s response thereto, attached hereto as Appendix II and incorporated herein by reference.

The Contractor’s services shall include all things, personnel, and materials necessary to accomplish specific projects authorized by the County.

**ARTICLE IV. GENERAL CONDITIONS**

A. **Accuracy of Work** The Contractor shall be responsible for the accuracy of the Work and any error and/or omission made by the Contractor in any phase of the Work under this Agreement.

B. **Additional Work** The County shall in no way be held liable for any work performed under this section which has not first been approved in writing by the County in the manner required by applicable law and/or the terms of this Contract. The County may at any time order changes within the scope of the Work without invalidating the Contract upon seven (7) days written notice to the Contractor. The Contractor shall proceed with the performance of any changes in the Work so ordered by the County unless such change entitles the Contractor to a change in Contract Price, and/or Contract Term, in which event the Contractor shall give the County written notice thereof within fifteen (15) days after the receipt of the ordered change, and the Contractor shall not execute such changes until it receives an executed Change Order from the County. No extra cost or extension of time shall be allowed unless approved by the County and authorized by execution of a Change Order. The parties’ execution of any Change Order constitutes a final settlement of all matters relating to the change in the Work which is the subject of the Change Order. The County shall not be liable for payment for any work performed under this section which has not first been approved in writing by the County in the manner required by applicable law and/or the terms of this Contract.

C. **Ownership of Documents** All documents, including drawings, estimates, specifications, and data are and remain the property of the County. The Contractor agrees that the County may reuse any
and all plans, specifications, drawings, estimates, or any other data or documents described herein in its sole discretion without first obtaining permission of the Contractor and without any payment of any monies to the Contractor therefore. However, any reuse of the documents by the County on a different site shall be at its risk and the Contractor shall have no liability where such documents are reused.

D. Right to Audit The County shall have the right to audit all books and records, including electronic records, relating or pertaining to this contract or agreement, including but not limited to all financial and performance related records, property, and equipment purchased in whole or in part with County funds and any documents or materials which support those records, kept under the control of the Contractor, including but not limited to those kept by the Contractor’s employees, agents, assigns, successors and subcontractors. The County also has the right to communicate with Contractor’s employees related to the audited records.

The Contractor shall maintain such books and records, together with such supporting or underlying documents and materials, for the duration of this contract and for seven (7) years after termination or expiration, including any and all renewals thereof. The books and records, together with supporting documents and materials shall be made available, upon request to the County or its designee, during normal business hours at the Contractor’s office or place of business. In the event that no such location is available, then the books, records, and supporting documents shall be made available for audit at a time and location which is convenient for the County.

E. Successors and Assigns The Contractor agrees it shall not sublet, assign, transfer, pledge, convey, sell, or otherwise dispose of the whole or any part of this Contract or his right, title, or interest therein to any person, firm, or corporation without the previous written consent of the County. If the County consents to any such assignment or transfer, then the Contractor binds itself, its partners, successors and assigns to all covenants of this Contract. Nothing contained in this Contract shall create, nor be interpreted to create privity, or any other relationship whatsoever, between the County and any person, or entity or than Contractor.

F. Reviews and Acceptance Work performed by the Contractor shall be subject to review and acceptance in stages as required by the County. Acceptance shall not relieve the Contractor of its professional obligation to correct, at his own expense, any errors in the Work.

G. Termination of Agreement The Contractor understands and agrees that the date of the beginning of Work, rate of progress, and time for completion of the Work are essential conditions of this Contract. The County may, for its own convenience and at its sole option, without cause and without prejudice to any other right or remedy of County, elect to terminate the Contract by delivering to the Contractor, at the address listed in the Notices article of this Contract, a written notice of termination specifying the effective date of termination. Such notice shall be delivered to Contractor at least thirty (30) days prior to the effective date of termination. If Contractor’s services are terminated by the County, the termination will not affect any rights or remedies of the County then existing or which may thereafter accrue against Contractor or its surety. In case of termination of this Contract before completion of the Work, Contractor will be paid only for the portion of the Work satisfactorily performed through the effective date of termination as determined by the County. Neither party shall be entitled to recover lost profits, special, consequential or punitive damages, attorney’s fees or costs from the other party to this Contract for any reason whatsoever. This Contract shall not be deemed to provide any third-party with any remedy, claim, right of action, or other right. The parties’ obligations pursuant to this Section shall survive any acceptance of Work, or termination or expiration of this Contract.

H. Indemnification Agreement The Contractor shall be responsible from the execution date or from the time of the beginning of the Work, whichever shall be the earlier, for all injury or damage of any kind resulting from the Work, to persons or property, including employees and property of the County. The Contractor shall exonerate, indemnify, and save harmless the County, its elected officials, officers, employees, agents and servants, hereinafter collectively referred to in this Section as “the
County Indemnitees,” from and against all claims or actions based upon or arising out of any damage or injury (including without limitation any injury or death to persons and any damage to property) caused by or sustained in connection with the performance of this Contract or by conditions created thereby or arising out of or in any way connected with Work performed under this Contract, as well as all expenses incidental to the defense of any such claims, litigation, and actions. Furthermore, Contractor shall assume and pay for, without cost to the County Indemnitees, the defense of any and all claims, litigation, and actions suffered through any act or omission of the Contractor, or any Subcontractor, or anyone directly or indirectly employed by or under the supervision of any of them. Notwithstanding any language or provision in this Contract, Contractor shall not be required to indemnify any County Indemnitee against claims, actions, or expenses based upon or arising out of the County Indemnitee’s sole negligence. As between the County Indemnitees and the Contractor as the other party, the Contractor shall assume responsibility and liability for any damage, loss, or injury, including death, of any kind or nature whatever to person or property, resulting from any claims made by Contractor’s employees, agents, vendors, Suppliers or Subcontractors caused by or resulting from the performance of Work under this Contract, or caused by or resulting from any error, omission, or the negligent or intentional act of the Contractor, vendors, Suppliers, or Subcontractors, or any of their officers, agents, servants, or employees. The Contractor shall defend, indemnify, and hold harmless the County Indemnitees from and against any and all claims, loss, damage, charge, or expense to which they or any of them may be put or subjected by reason of any such damage, loss, or injury. The Contractor expressly agrees to provide a full and complete defense against any claims brought or actions filed against the County Indemnitees, where such claim or action involves, in whole or in part, the subject of the indemnity contained in this Contract, whether such claims or actions are rightfully or wrongfully brought or filed. The County has the sole discretion to choose the counsel who will provide the defense. No provision of this Contract and nothing herein shall be construed as creating any individual or personal liability on the part of any elected official, officer, employee, agent or servant of the County, nor shall the Contract be construed as giving any rights or benefits hereunder to anyone other than the parties to this Contract. The parties’ obligations pursuant to this Section shall survive any acceptance of Work, or termination or expiration of this Contract.
