SCOPE OF WORK

DeKalb County, Georgia (hereinafter referred to as the “County”) is seeking a well-qualified contractor to submit qualifications, and pricing for gutter cleaning services at any of its several park locations located in DeKalb County.

I. SCOPE OF WORK

The general scope of services includes but is not necessarily limited to the provision of labor, material, equipment, supervision, transportation, and other related services needed to perform gutter cleaning services at any of the County’s park locations.

Vendors must provide a price per lineal foot for gutter cleaning and a per manhour cost for any repair work which may be necessary. A designated DeKalb County personnel will contact the awarded vendor to obtain a total price per site which will be based on the per lineal foot and manhour cost, quoted by the vendor on the submitted quote form. The manhour cost should include any transportation or material required to perform any repair work.

It is recommended that the Vendor visit the proposed site locations, specified herein, and become familiar with local conditions, which may affect the work to be performed, the equipment, materials, and labor required. No additional allowances shall be made due to the lack of knowledge of the conditions at any site.

The contractor shall provide and pay for all labor, materials, equipment, tools, transportation and other facilities and services as required for the proper execution and completion of the work as specified herein. Recreational, Parks and Cultural Affairs (RCPA) will provide water and electricity from the point of closest hookup as required. Water hoses or electrical cables will not be provided.

RCPA reserves the right to increase or decrease the number of facilities which may require service during the term of this contract, without affecting the bidder’s quote or the terms and conditions of the RFQ.

II. GUTTER CLEANING AND REPAIR SPECIFICATIONS

1. Clean out all gutters of organic debris, trash, toys or any other obstruction - All roof tops, gutters and downspouts shall be cleaned of trash, leaves or anything that may obstruct free passage of water through each gutter or downspouts. Gutters and downspouts must be cleaned with a vacuum blower or by hand.
2. Clean out any clogged gutter downspouts - Remove all loose obstacles such as rocks, leaves, wood items or any foreign items from all gutters and downspouts.
3. Rake up and bag any debris blown onto the roof or ground below - The contractor shall be responsible for the removal of all trash and debris generated by the contractor from the work site at the cost of the Contractor.
4. All dirt and residue from this work - shall be rinsed off all surfaces including but not limited to rain gutter, fascia’s, soffits, siding, windows & walkways.

5. Caulk/re-nail any observed faulty seams in gutters or loose nails - the contractor shall re-nail all loose or protruding nails on roofing and ridge vents. All nails that are re-nailed or replaced shall be coated with an asphalt sealant. Sealant shall be applied to each nail or re-nail to prevent leaks.

Work may be performed during day or night as approved by the RCPA designee.

All materials and debris shall be removed from the premises at the end of each workday and disposed of in an appropriate manner. Upon completion, the awarded Vendor shall thoroughly clean up all work areas utilized during service.

All services performed shall be subject to inspection by RCPA during and after performance of service. The work shall either be approved or if the work is unsatisfactory the area shall be re-cleaned at vendor expense. RCPA at its discretion shall have the right to reject unsatisfactory services and require correction prior to payment.

The RCPA reserves the right to withhold payment to such extent as may be necessary to protect the County from loss due to work required in the specifications, which is defective, incomplete, or not performed and claims filed.

It is agreed and understood that in the short term, if the Vendor fails to perform the work as specified herein, the RPCA Department (1) will only pay for the amount of service received as determined by the RPCA Department with an appropriate downward adjustment in contract price, and/or (2) may have such work completed by RPCA staff or another vendor.
