Dear Residential Recycling Program Subscriber:

It is a pleasure welcoming you to the DeKalb County Sanitation Division’s single-stream recycling program. We are delighted that you have joined over 93,000 Sanitation Division customers currently subscribed to the program.

We are committed to environmental sustainability, and the single-stream recycling program continues to be a critical component of our environmental stewardship efforts. In light of this, thank you for your commitment to advancing our environmental stewardship goals through your dedication to recycling.

The following outlines other environmental sustainability initiatives:

- Glass recycling program
- Shoe and clothing recycling program
- Customized commercial recycling program
- Electronics recycling program (E-recycling program)
- Compressed natural gas (CNG) public fueling station program

For more information on these initiatives, please visit www.dekalbsanitation.com. Collaboratively, we have made great strides toward sustainability and we are still on that journey.

On behalf of the Sanitation Division’s administrative, collection, processing and disposal teams, we look forward to working with you toward a more sustainable DeKalb in 2018 and beyond. It is always a pleasure serving you.

At your service,

Pauline A. Andrea, M.A.
