PROGRAM STATUS

Description

SPLOST I: In November 2017, DeKalb County voters approved a referendum to implement a one-cent SPLOST (Special Purpose Local Option Sales Tax) program and the first cent was collected April 1, 2018. This one-cent sales tax provided funding exclusively for capital projects in unincorporated DeKalb County in four major categories: roads, public safety, buildings, and parks. The SPLOST was originally projected to generate \$388 million through March of 2024 but has exceeded this estimate. Dekalb County's enabling legislation for SPLOST allowed for unrestricted funding for transportation and public safety projects and imposed a cap of 15 percent for repair of capital assets. These include court buildings, parks, health centers, senior centers and libraries. The county and city governments share the SPLOST revenue on a per capita basis between the unincorporated area and each municipality, excluding Atlanta, in DeKalb. The cities, through intergovernmental agreements executed prior to the referendum's passage, receive their funds directly from the Georgia Department of Revenue.

SPLOST II: In November 2023, DeKalb County voters approved a referendum to implement another one-cent SPLOST (Special Purpose Local Option Sales Tax) program and the first cent was collected April 1, 2024. This one-cent sales tax provides funding exclusively for capital projects in unincorporated DeKalb County in four major categories: public safety, transportation, multi-generational recreation and Community facilities and Capital outlay projects. The SPLOST was originally projected to generate \$496 million through March of 2030.

Program Status

The first three years of SPLOST I collections provided funding for all major categories of projects including, transportation, public safety, and capital improvements. The initial emphasis was on resurfacing, public safety equipment and planning for buildings and parks. Year four saw continued substantial expenditures in the resurfacing category as well as an emphasis on new fire stations and fire station improvements, the completion of repairs at Senior Centers and Health Care facilities and the advancement of Parks and Recreation projects. Year five continued the emphasis on transportation and safety projects as well as needed repairs and upgrades to parks, athletic facilities, libraries and courthouse facilities. As the program completed its last full year of collections, a referendum for a second SPLOST program was approved by voters. Planning and implementation of the SPLOST II program is underway while the program management team continues delivery and completion of SPLOST I projects.

Revenue and Cash Flow

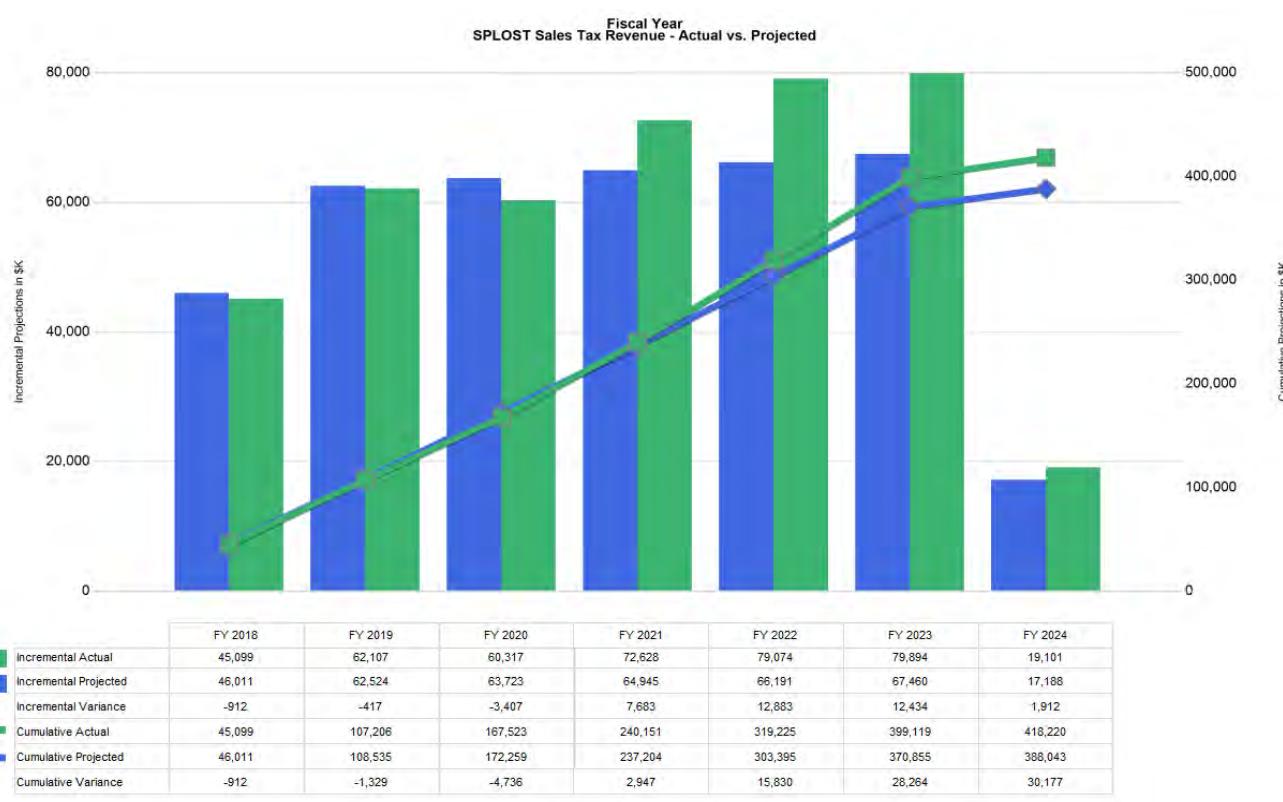

SPLOST I Revenues received through July 2024 are \$443M (including interest earnings, pro rata and city contributions).

SPLOST II Revenues received through July 2024 are \$19.53M (including interest earnings, pro rata and city contributions).

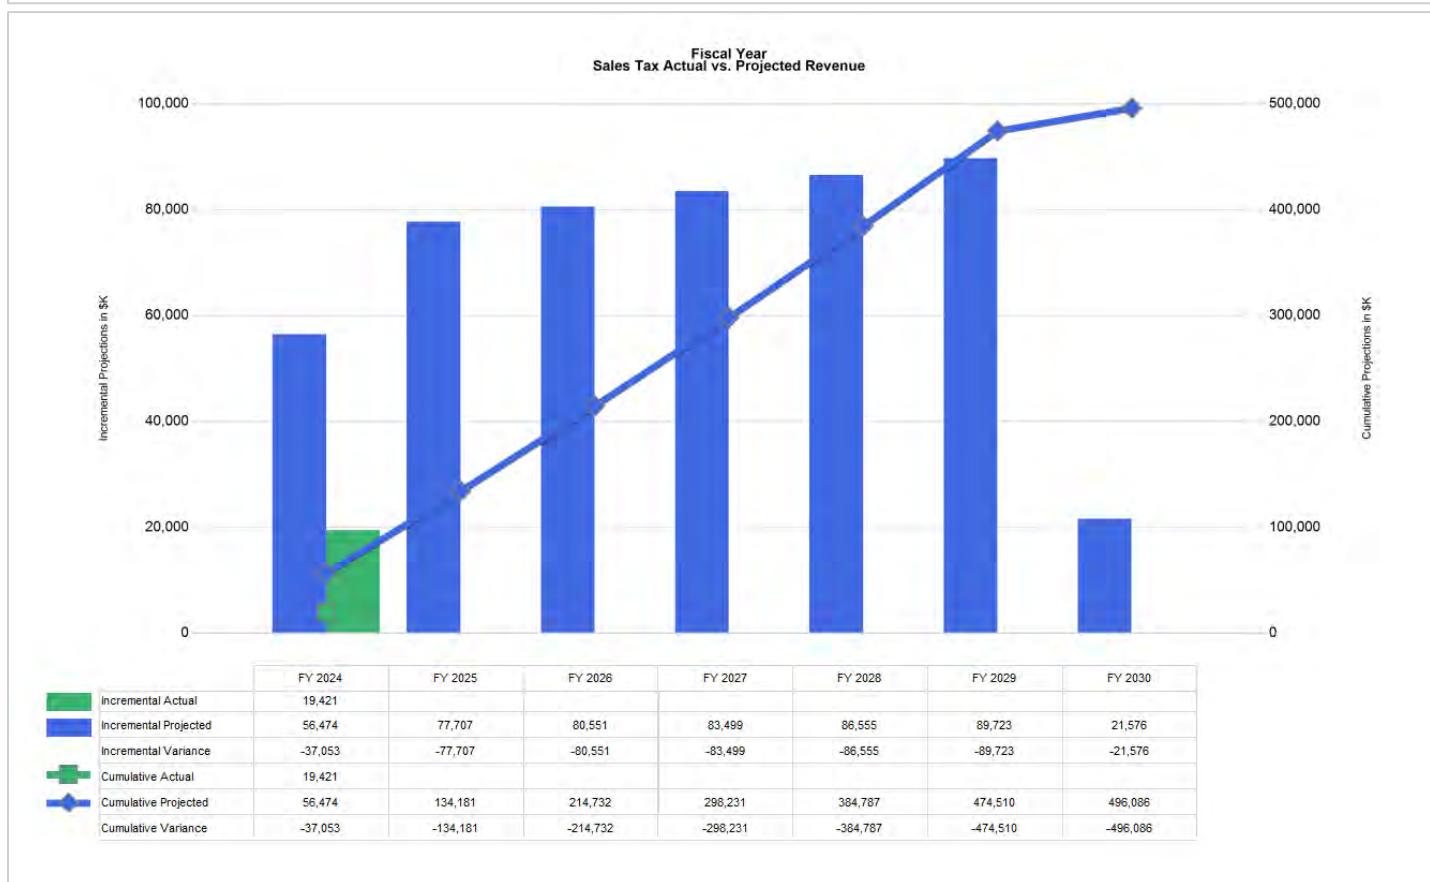

While sales tax revenues continue to exceed original projections, the construction industry is still seeing increased materials prices and delivery schedules which has affected the costs and schedules of SPLOST projects. The program management team continues to monitor the economy closely and maintain a contingency plan to insure the financial health of the program.

These metrics are continually monitored by Finance and Program Management. See program metrics below.

Budget and Cost – Program Elements

The SPLOST I Program Budget remains at \$388M with a pending adjustment to reflect the additional revenue earnings (total sales tax, pro-rata, city contributions and interest to-date = \$443M). Through the end of July 2024, the Board of Commissioners (BOC) has authorized \$327M (with another \$24M pending), or 84% of the total SPLOST I referendum budget. The SPLOST II Program Budget is \$496M and the BOC has authorized \$8.55M.

\$192M of the SPLOST I Program Budget has been expended (\$231M has been invoiced to date on all projects including those with outside funding sources).

Through the end of July 2024, the SPLOST I program has authorized 84% of the total SPLOST referendum budget and \$192M of the overall Total SPLOST Program Budget has been expended (\$231M has been invoiced to-date on all projects including those with outside funding sources). See Appendix G for detailed program financial status.

See Appendices B and C for Agenda Item Status reports detailing BOC Authorizations and Expenditures. See Appendix G for detailed program financial status.

*\$5.8M in authorized SPLOST funding and expenditures shown as "Other" until additional revenue categorical allocations have been authorized.

PROGRAM MANAGEMENT

Summary

Transportation: Construction continues on SPLOST Phase 2 Resurfacing Area A (25 miles) and Area B (25 miles), 2021 LMIG Resurfacing (24 miles), 2022 LMIG Resurfacing (28 miles) and the 2023 LMIG Resurfacing project (25 miles). Bid openings for the 2024 LMIG Resurfacing project and the East Rock Springs Road Roundabout project were held in July. The Cedar Grove Bridge Design-Build project continues. The Redan Road Corridor Scoping Study, the DeKalb Industrial Way at Milscott Drive Traffic Signal and the Briarcliff Road Pedestrian crossing improvements project contracts continue. The South River Trail Phase VI and North Druid Hills Road at CSX Bridge Replacement design proposals are under review. Right-of-way continues on the Glenwood Road Sidewalk project. Design services for multiple transportation projects are ongoing.

Public Safety Facilities and Related Capital Equipment: Fire Station No. 7 is complete. Design of Fire Stations No. 27, No. 16 and No. 5 continues. Phase coordination and site acquisition for two additional new fire stations continues. Design for the relocation of the Bobby Burgess Evidence Storage Facility continues. Development of a phased spending plan to address remaining issues at the Bobby Burgess complex is ongoing.

Repair of Capital Outlay Projects - Park and Recreation: Athletic Field Renovations at Shoal Creek, Truelove and Hamilton Parks are expected to begin this year. The Shoal Creek 2 Park and Oak Creek Park playgrounds were completed. Five additional County Park Playground projects will follow. Design and permitting continues for projects at multiple Athletic and Recreation Facilities which includes the modernizations and upgrades to concession buildings, recreation centers, bathrooms and field houses as well as pavilion, shelter and shade structure improvements.

Repair of Capital Outlay Projects - General Repairs: Security Upgrades at the County Courthouse and construction of the Parking Deck Renovations at the County Courthouse Administrative Complex continue. The Library Restrooms Renovations projects continue. Decatur, Chamblee, Gresham, Lithonia-Davidson Library, Clarkston, Flat Shoals and the Redan-Trott Library Restroom renovations are complete and renovations at Wesley Chapel-William C. Brown Libraries are under way.

Program Management Activities

- 1 The SPLOST project team furthered planning and delivery efforts for several projects including:
- 2 Resurfacing Projects and Bridge Repair/Replacement projects
- 3 Bobby Burgess Building, DeKalb County Courthouse Administrative Complex, and Fire Stations
- 4 Road Operations and Safety and Traffic Calming Improvement Projects
- 5 Sidewalk and multi-use trail projects
- 6 Library Restroom Repair/Replacement Projects
- 7 DeKalb County Park improvements including Athletic Fields, Playgrounds, Shelters, Shade Structures and Facilities, Lighting, and Aquatic and Recreation Facilities
- 8 Stream Bank Restoration / Drainage and Stormwater Improvements

Planned Activities for Next Period

- 1 Continue planning and executing scopes of work presented and approved by the BOC utilizing established protocol.
- 2 Continue/complete construction on active projects.
- 3 Continue to advance project development, design, right-of-way and construction across all program categories.

Issues

1 Economy & Labor SPLOST I revenues exceeded initial projections, but additional concerns continue to be monitored. These include the effects of inflation and rising material costs driven by increased production, labor and transportation costs. In addition, the shortages of materials, long delivery times and local labor shortages are negatively impacting project schedules.

Financial - SPLOST I (2018-2024)

Schedule

Current authorized projects are progressing as planned. See respective project status pages for details.

Public Involvement

The team continues to support public involvement tasks including county-wide town hall meetings, individual board member's district meetings, and citizen's oversight group meetings.

Contract Compliance and LSBE

The total Board of Commissioners SPLOST awards is \$291,935,396 as of July 2024. There were no awards or NTP during the month of July. The SPLOST Local Small Business Enterprise Program (LSBE) participation attainment stands at \$112,264,070 or 38.5% percent. This includes 48 projects (14 LSBE Primes) and 76 subcontractors/LSBEs.

During the month of July 2024, the SPLOST Contract Compliance Officer attended eight (8) Mandatory Prime/ LSBE Zoom meetings with Contracting and Procurement Team in which the Dekalb procurements projects were outlined for open solicitation. The Dekalb County Title VI Policy was presented to the Zoom meeting attendees. There were no SPLOST funded bid solicitation openings during the month of June and no Notices To Proceed projects.

Conducted outreach with weekly updates for the County Contracting and Purchasing Department through Zoom meetings, email, telephone contacts and text to various organizations, businesses, and subcontractors.

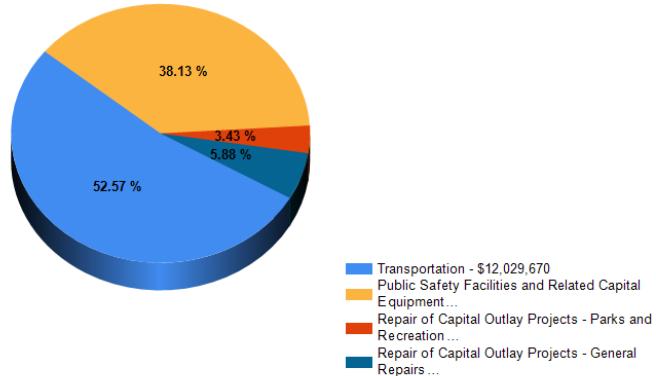

Attended two meetings with SPLOST Team Program Manager, Contracting and Procurement Department and Finance Department to discuss and update the SPLOST Program activity, contract invoices and financial status.

Reviewed and confirmed LSBE listed participation on current awarded contracts. Provide Dekalb SPLOST business opportunities outreach and training on "How to Do Business with Dekalb County Clinic" with the Purchasing Department. Training includes information on the SPLOST Program, Contract Compliance and Title VI Policy for all ^{external} procurement Invitation To Bid (ITBs) and Request For Proposal (RFPs) advertised.

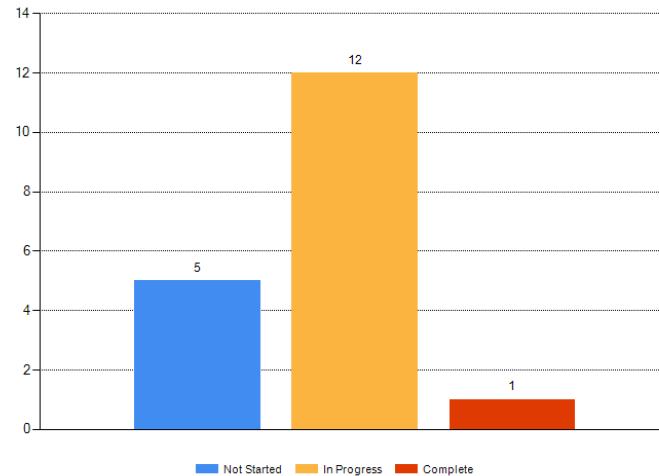

Conducted on-going monitoring with Prime and LSBE subcontractors. Conducted continuous monitoring Title Primes and Subs follow the Title VI, equal opportunity and LSBE policies. Updated monthly records of numerous Primes and LSBE subcontractor invoices, contractor payments and delinquency report.

PROJECT: 1B.12 SOUTH RIVER TRAIL EXTENSION (WALDROP RD TO MLK HS) STUDY

Program	SPLOST I (2018-2024)
Scope	<p>Scoping Study for Extending the South River Trail from Waldrop Road to MLK High School. This section of trail will eliminate the gap between the existing trail end at Waldrop Road and the existing trail end at Martin Luther King High School which connects with the Arabia Mountain Trail and continues into Rockdale County. The trail is an important part of a bike-pedestrian corridor allowing for the future regional connection from the Monastery of the Holy Spirit in Rockdale County to the Atlanta Beltline. The purpose of this study is to develop safe and cost-effective ways to connect the existing trail segments and to study the feasibility of alternatives. Project deliverables will include an implementation plan for recommended improvements and a GDOT concept report. The concept report will assist in seeking additional state and federal funding. This study is funded with \$200,000 from the Atlanta Regional Commission funds and \$50,000 in SPLOST Category 1B funds.</p>

PROJECT: 1B.14 ORION DRIVE BRIDGE UPGRADE / REPLACEMENT

Program	SPLOST I (2018-2024)
Scope	Orion Drive is the primary access to the south side of the North DeKalb Mall site. There are currently vehicle weight restrictions on the bridge. This project will bring the bridge up to current design standards by either upgrading the existing bridge structure or by building a replacement bridge. The initial design step will be to evaluate options for upgrading the bridge and to develop concept level cost estimates. The feasibility of adding a multi-use trail crossing to the bridge for a future extension of the South Fork Peachtree Creek Trail will also be evaluated. The project will be funded with Georgia Department of Transportation Local Maintenance and Improvement Grant (LMIG) Funds in the amount of \$500,000.00 and \$150,000.00 from SPLOST Category 1B.

PROJECT: 1F.7 CEDAR GROVE ROAD BRIDGE DESIGN-BUILD

Program	SPLOST I (2018-2024)
Scope	The Cedar Grove Road bridge over Norfolk Southern Railroad (built in 1965) is currently closed to traffic as a result of problems identified by GDOT in their bi-annual inspection. These problems are due in part to the bridge's age and to increased loads from trucks not following the posted weight limits. A design/build process will be used to expedite completion of the new bridge. Improvements proposed to the detour route include shoulder widening and turn radius improvements.
District	03
Super District	06
