## Project Overview

# Department of Watershed Management CIP Program

## Project Overview

## Preliminary Project Schedule:

- ***October 11*** – Start of construction, site mobilization, traffic control implementation
- ***Mid-October to late November*** – Water main, meter and hydrant installation
  - Wayland Circle-Richwood Drive
- ***Early November to late February/early March*** – Water main, meter and hydrant installation
  - Skyland Drive

## Preliminary Project Schedule:

- ***Late-November to Early December*** – Winter lawn restoration (straw coverage and seeding)
  - Wayland Circle-Richwood Drive
- ***Early February to March*** – Winter/spring lawn restoration (straw coverage, seeding/sod installation and watering)
  - Skyland Drive

## Preliminary Project Schedule:

- ***March/April*** – Spring lawn restoration (seeding/sod installation and watering)
  - Wayland Circle-Richwood Drive
  - Skyland Drive

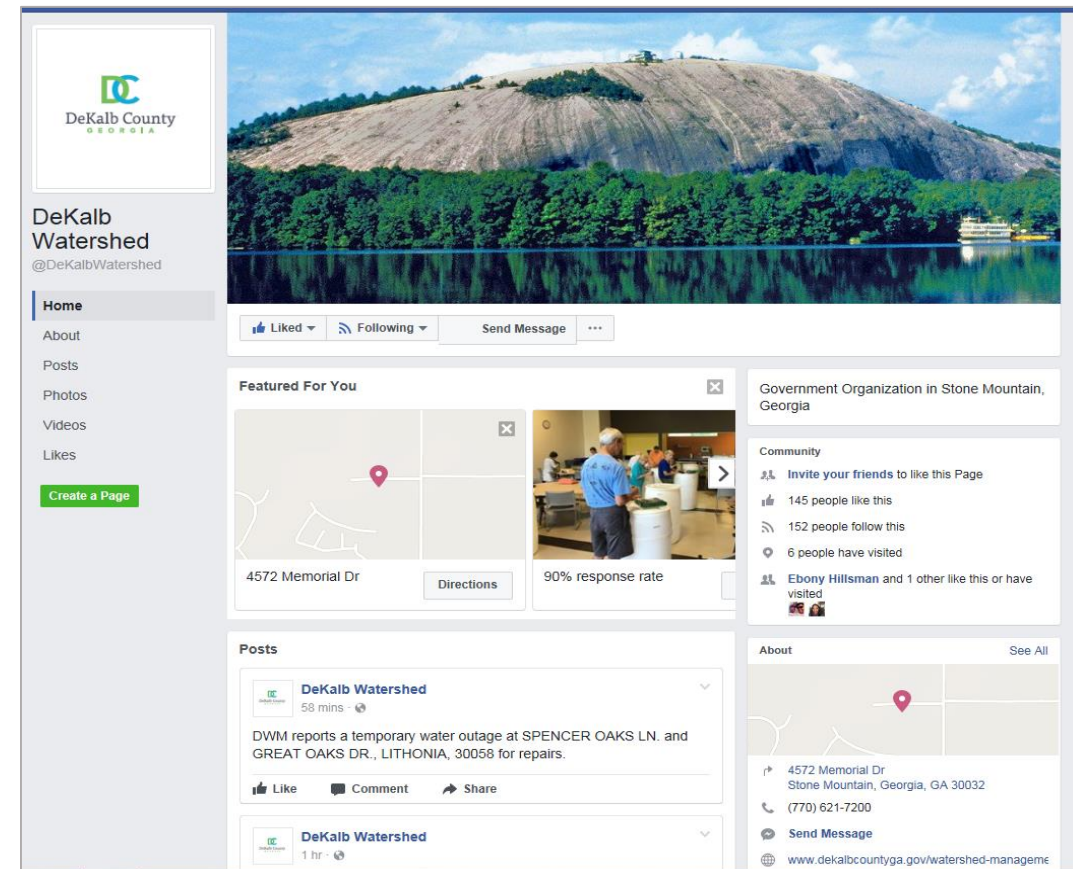

## Potential Project Impacts:

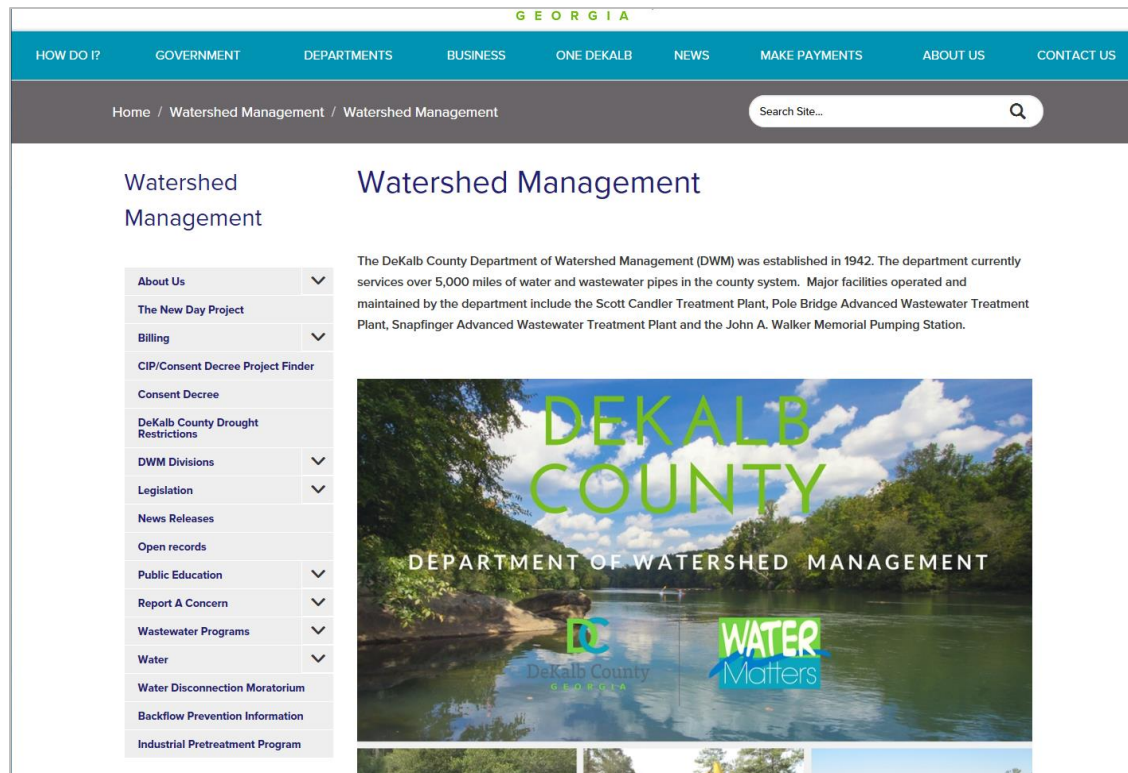

- Temporary, single-lane closures; flaggers to direct traffic through construction zone
- Lawn excavations within county right-of-way to install new pipe
- Some instances of restricted driveway access as pipe is installed; prior notice to affected properties
- Temporary water shut-offs as new pipe connected for service; prior notice to affected properties
- Possible delays due to weather
