## FOR IMMEDIATE RELEASE

July 2, 2015

# DeKalb Achieves Milestone for \$1.35 Billion Capital Improvement Project

*\$960,000 sewer upgrade completed*

**DECATUR, Ga.** – DeKalb County’s Department of Watershed Management (DWM) hosted a ceremonial ribbon-cutting for two large sewer upgrades associated with the County’s [\\$1.35 billion Capital Improvement Projects \(CIP\) Program](#).

The Mountain Industrial Lift Station project is one of several lift station projects the DeKalb is upgrading, and the first to be completed ahead of schedule.

*DeKalb Interim CEO Lee May, Commissioner Nancy Jester and a host of DeKalb Watershed and other officials cut the ribbon signifying the completion of another crucial component of the \$1.35 billion Capital Improvement Projects*
