

"We are rolling forward together as one" - Interim CEO Lee May

ROLLING FORWARD To ne

Phase II

Recycling ♦ Garbage roll cart rightsizing ♦ Additional garbage roll carts

The DeKalb County Sanitation Division is Rolling Forward to Phase II of the sanitation collection service change. Please see below for recycling and garbage roll cart options.

Single-Stream Recycling

Join our single-stream recycling program that recycles more materials than any other recycling program in Georgia

Single-stream recycling highlights

- ♦ Subscription-based
- ♦ Free to Sanitation Division customers
- ♦ All recyclable materials placed in a single bin, bag, or roll cart
- ♦ Recyclable materials include paper, cardboard, aluminum, plastics 1-7 , and tin

Recycling benefits

- ♦ Creates green jobs
- ♦ Decreases landfill waste
- ♦ Controls rising sanitation costs
- ♦ Conserves natural resources
- ♦ Promotes environmental stewardship

Request a 65-gallon roll cart for a one-time \$15 fee

18-gallon bin

65-gallon roll cart

40-gallon bag

Additional and Rightsizing Garbage Roll Cart Options

35-gallon roll cart

45-gallon roll cart

65-gallon roll cart

95-gallon roll cart

Request a 95-gallon roll cart for a one-time \$15 fee. Subscribing to the recycling program is required.

Request additional 35-gallon, 45-gallon, or 65-gallon roll carts. An increase in annual sanitation assessment fees will apply.

Request a smaller 35-gallon or 45-gallon roll cart. Trading in the standard 65-gallon roll cart is required. No additional fees will apply.
