## TRANSIT MASTER PLAN

# Open Houses

The Transit Master Plan will address DeKalb County's **mobility challenges**, help to **enhance future development opportunities**, and **improve the quality of life** within each of DeKalb's cities and unincorporated communities, both north and south. The plan will also seize opportunities in DeKalb County for service enhancements today and expansion opportunities tomorrow to create a 30-year vision and beyond for transit investments.

Please join us to learn more and provide input. We are hosting three open houses so pick the one that is most convenient for you. Drop by any time between 6:00 pm and 7:30 pm.
