WorkSource DeKalb Mobile Unit Gets an Update

Upgrades include rebranded look, technology enhancements

DECATUR, Ga.— After successfully serving DeKalb residents and businesses for five years, WorkSource DeKalb's (WSD) Mobile Career Center (DMCC) vehicle is getting an update with a new look and faster internet speed.

In late October, DeKalb County's information technology department will upgrade the internet speed, security and connection. The project will culminate with a rewrapping of the DMCC, displaying WorkSource DeKalb's new colors and logo.

"You'll continue to see the DMCC on and off the road as it gets ready to provide DeKalb businesses and residents great service in 2017 and beyond," said DeKalb Interim CEO Lee May.

For more information on upcoming events at WorkSource DeKalb or the DMCC schedule, go to www.worksourcedekalb.org or call (404) 687-3400.

WSD is an EEO/M/F/D/V employer/program. Auxiliary aids/services are available upon request to individuals with disabilities. Persons with hearing impairments may call 1-800-255-0135 for assistance. WSD is fully funded by the U. S. Department of Labor and is a proud partner of the American Job Center Network.
